**Traditional Anti-Torah Church Doctrines** Cornie Banman,2014-09-22 Have you ever stopped to think whether the doctrines you hear in your church are actually coming from the word of the creator In Traditional Anti Torah Church Doctrines author Cornie Banman offers an analysis of doctrines to help Christians ascertain whether a doctrine comes directly from God or originates from man Banman explains how and why traditional Christendom has rejected the Ten Commandments and how that belief has inevitably created an anti God messiah In Traditional Anti Torah Church Doctrines he shows how A subtle and powerful philosophy of anti Jew doctrines has indoctrinated traditional Christians into believing the Messiah s first coming was to abolish the Ten Commandments The philosophy of a few church fathers has undermined the Ten Commandments by elevating manmade traditions to commandment status An anti Jew philosophy plays a key role in abolishing the commandments and exposes its foundation The God of Abraham has given mankind a simple formula to test and measure all doctrines against his word Anyone can use that test against all doctrines to see whether they are inspired by the God of the scriptures or by the gods of this world A person who s snared by deceived indoctrination can get back into alignment with God s true word Illustrating his beliefs with biblical evidence Banman provides guidance for testing and measuring the instructions coming from your church with God s truth in a simple way <http://corniebanman.com>
