Horse Packing Charles Johnson Post,2017-07-26 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way

that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates Horse Packing, Vol. 49 Charles Johnson

Post,2015-08-06 Excerpt from Horse Packing Vol 49 A Manual of Pack Transportation Ordinarily a book of this kind needs no introduction it either explains itself in the clearness of the diagrams and pages or else it is so didactically incomprehensible that no amount of introduction could possibly clarify the atmosphere But I am under obligations to various gentlemen whose suggestions or methods have appeared to me of great value in presenting and arranging this subject There is the unknown gentleman perhaps many of them who have devised or evolved the typical method of preparing Army drill regulations of the United States It is the most compact exact and limpid method of standardizing and transmitting information of this character that has been devised A thousand years from now men who have never seen the execution of an evolution of our present generation could work and drill in the forgotten manœuvres with as great an exactness as soldiers are drilled to day And that is the test of clearness About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **Manual of Pack Transportation ...** United States.
