## **Kuccups:**

**Expanding Tertiary Education for Well-Paid Jobs** Andreas Blom,Reehana Raza,Crispus Kiamba,Himdat Bayusuf,Mariam Adil,2016-06-02 Expanding Tertiary education with quality relevance and equity is one of the most decisive challenges for Kenya s future including the achievement of the ideals of the 2010 Constitution and especially its 2030 vision which aims at transforming Kenya into a newly industrializing middle income globally competitive and prosperous country That is because tertiary education can contribute in a critical manner to successfully overcome several of the country s challenges This book provide analysis and policy recommendations to Government of Kenya tertiary education leaders and the many stakeholders on managing the massive tertiary education expansion facing the country This book first discusses the motivation for the analysis and its choice of three critical topics quality and relevance governance and student financing Secondly it reviews findings on each area and third it ends with a set of policy recommendations

**Issues of Governance, Security, and Development in Contemporary Africa** Mohamed Saliou Camara,Alem Hailu,Sabella O. Abidde,2023-12-15 Governance security and development are three critical components of a dialectical nexus that is both dominant and determinant for any objective and fruitful quest for the understanding of the trajectory of a country a region or in the case of Africa a continent from a colonial past to a neocolonial and meta colonial present and toward a future of strategic optimal independence and self reliance That colonial past and the ensuing neocolonial and meta colonial present have made these critical components and the dialectical nexus that they form particularly challenging for the African continent For this reason Issues of Governance Security and Development in Contemporary Africa offers an in depth interdisciplinary analysis of the challenges that contemporary Africa faces within these critical areas as well as the resources and prospects that the continent possesses and can leverage to overcome the said challenges Using case studies involving a range of countries across the continent Mohamed Saliou Camara Alem Hailu and Sabella O Abidde argue that Africa needs to decolonize the terms of reference that guide its nation building statecraft and national development agenda in ways that will facilitate the establishment of viable systems of governance and security and the promotion of genuine development

**Higher Education Leadership and Governance in the Development of the Creative and Cultural Industries in Kenya** Emily Akuno,Otoyo Ondieki,2017-05-05 The role of higher education in establishing structures and procedures in society and industry is clearly articulated in scholarly discussions The narrative has recently taken a new momentum in Kenya with acknowledgement of the creative industry involves many youth as an area that impacts on the economy In unravelling the link between higher education and industry the authors focus on leadership and governance in higher education and its expected and perceived contribution to the shaping of the creative industry Through analysis of cases the authors interrogate the processes and structures that govern the teaching and practice of the creative subjects noting how these affect the creative industry in Kenya This document approaches the creative disciplines from the perspectives of the students lecturers

and university administrators The three voices provide a balanced view of what higher creative arts education in Kenya is The multiple authorship of the book further provides a balanced account of the development of these disciplines in higher education and their growth in industry The key concepts here are the development of the creative industry and how higher education should contribute to the same

Radiology in Global Health Daniel J. Mollura, Melissa P. Culp, Matthew P. Lungren, 2018-12-31 Exploring the question as to why more than half the world continues to have little or no access to medical imaging and radiology this important second edition fully revised and expanded offers not only answers but practical solutions providing new tools ideas and strategies for bringing vital radiology to low resource areas Based on RAD AID s ten years of work 2008 2018 serving indigent communities around the world the book s interdisciplinary approach offers the synthesis of business management government policy formulation clinical methods and engineering in order to integrate economic development technology innovation clinical model planning educational strategies and public health measures The gold standard title in the field Radiology in Global Health 2nd Edition is intended for a broad audience including physicians especially radiologists and radiology residents radiology technologists radiology nurses sonographers hardware software engineers policy makers business leaders researchers and public health specialists at all levels who use or implement health care services for underserved populations In addition as health care providers use radiology in the process of clinical decision making this title is also designed for clinical physicians nurses nurse practitioners physician assistants and paramedical personnel Administrators and public health personnel will also be interested as the planning of radiology services for health care systems at both the facility level and at the population level requires a clear understanding of the technological challenges and management opportunities

Handbook of Research on Modern Educational Technologies, Applications, and Management Khosrow-Pour D.B.A., Mehdi, 2020-07-10 As technology and technological advancements become a more prevalent and essential aspect of daily and business life educational institutions must keep pace in order to maintain relevance and retain their ability to adequately prepare students for their lives beyond education Such institutions and their leaders are seeking relevant strategies for the implementation and effective use of new and upcoming technologies and leadership strategies to best serve students and educators within educational settings As traditional education methods become more outdated strategies to supplement and bolster them through technology and effective management become essential to the success of institutions and programs The Handbook of Research on Modern Educational Technologies Applications and Management is an all encompassing two volume scholarly reference comprised of 58 original and previously unpublished research articles that provide cutting edge multidisciplinary research and expert insights on advancing technologies used in educational settings as well as current strategies for administrative and leadership roles in education Covering a wide range of topics including but not limited to community engagement educational games data management and mobile learning this publication provides insights into technological advancements with educational applications and

**Communication Rights in Africa** Tendai Chari,Ufuoma Akpojivi,2023-09-01 This ground breaking volume examines enduring and emerging discourses around communication rights in Africa arguing that they should be considered an integral component of the human rights discourse in Africa Drawing on a broad range of case studies across the continent the volume considers what constitutes communication rights in Africa who should protect them against whom and how communication rights relate to broader human rights While the case studies highlight the variation in communicative rights experiences between countries they also coalesce around common tropes and practices for the implementation and expression of communication rights Deploying a variety of innovative theoretical and methodological approaches the chapters scrutinise different facets of communication rights in the context of both offline and digital communication realities The contributions provide illuminating accounts on language rights digital exclusion digital activism citizen journalism media regulation and censorship protection of intellectual property rights politics of mobile data and politicisation of social media This is the first collection to consider communication in Africa using a rights based lens The book will appeal to researchers academics communication activists and media practitioners at all levels in the fields of media studies journalism human rights political science public policy as well as general readers who are keen to know about the status of communication rights in Africa

**Higher Education Admission Practices** María Elena Oliveri,Cathy Wendler,2020-01-30 Reveals practices and issues in higher education admissions which are critical factors for improving worldwide access and equity

**Addressing Issues of Learner Diversity in English Language Education** Tran, Thao Quoc,Duong, Tham My,2024-04-22 In the dynamic context of English language education learners bring many differences in identity motivation engagement ability and more Addressing Issues of Learner Diversity in English Language Education recognizes that traditional one size fits all approaches to language education are insufficient in meeting the needs of a varied and global learner population It grapples with effectively teaching English to individuals with diverse linguistic backgrounds learning styles and cultural contexts The challenges range from learner autonomy and motivation issues to navigating mixed level classes and integrating technology into language teaching Drawing on current research trends and cutting edge

methodologies this book captures the diverse voices of contributors from various ESL EFL settings offering context specific solutions to the myriad challenges faced in language education The book illuminates the nuanced phenomena within English language education it showcases innovative theoretical frameworks and up to date research findings By addressing learners as singular individuals and collectives the publication guides educators in enhancing individual competencies and maximizing the potential of each learner

**Advancing Africa's Sustainable Development** Alain L. Fymat, 2018-11-14 While many African countries lag behind the rest of the industrialised world in scientific and medical research and development the situation is progressively improving This is why the Society for the Advancement of Science in Africa was established to contribute to economic advancement and sustainability through science research education and innovation This book provides a selection of papers from the Advancement of Science in Africa s fourth annual conference The conference was held under the overarching theme of science technology and innovation in Africa with several important sub themes including but not limited to improving health research and disease surveillance education collaborating in research responding to epidemic diseases with high mortality in Africa and promoting women s interest in science careers The collection illustrates how although the chapter contributors come from various countries and universities representing their own academic research they all share a common interest in advancing science technology and innovation in Africa

**The Oxford Handbook of Kenyan Politics** Nic Cheeseman, Karuti Kanyinga, Gabrielle Lynch, 2020-02-14 Kenya is one of the most politically dynamic and influential countries in sub Saharan Africa Today it is known in equal measure as a country that has experienced great highs and tragic lows In the 1960s and 1970s Kenya was seen as a success story of development in the periphery and also led the way in terms of democratic breakthroughs in 2010 when a new constitution devolved power and placed new constraints on the president However the country has also made international headlines for the kind of political instability that occurs when electoral violence is expressed along ethnic lines such as during the Kenya crisis of 2007 08 when over 1 000 people lost their lives and almost 700 000 were displaced The Oxford Handbook of Kenyan Politics explains these developments and many more drawing together 50 specially commissioned chapters by leading researchers The chapters they have contributed address a range of essential topics including the legacy of colonial rule ethnicity land politics devolution the constitution elections democracy foreign aid the informal economy civil society human rights the International Criminal Court the growing influence of China economic policy electoral violence and the impact of mobile phone technology In addition to covering some of the most important debates about Kenyan politics the volume provides an insightful overview of Kenyan history from 1930 to the present day and features a set of chapters that review the impact of devolution on regional politics in every part of the country

**Research in Chemistry Education** Liliana Mammino, Jan Apotheker, 2021-05-17 This volume emphasizes the role of chemical education for development and in particular for sustainable development in Africa by sharing experiences among specialists across the African continent and with specialists

from other continents It considers all areas and levels of chemistry education gives specific attention to known major challenges and encourages explorations of novel approaches The chapters in this book describe new teaching approaches approach explorations and in class activities analyse educational challenges and possible ways of addressing them and explore cross discipline possibilities and their potential benefits for chemistry education This makes the volume an up to date compendium for chemistry educators and educational researchers worldwide

Negotiating Identities in Contemporary Africa Toyin Falola, Emmanuel M. Mbah, 2023-08-29 Negotiating Identities in Contemporary Africa Gender Religion and Ethno cultural Identities explores the changing dynamics of identities in Africa with a focus on gender ethno cultural and religious identity Toyin Falola and Emmanuel M Mbah argue that because identity defines who we are as individuals or groups studies on African identities must focus on understanding the changing dynamics in the socio economic and political spheres in the continent These chapters cover subjects such as women s career identity gender roles and knowledge childlessness ethnocentrism and democracy cultural identity through theater Black identity in the diaspora and diasporic consciousness Using existing scholarship the chapters in this edited volume challenge our understanding of what identity entails and provide new discussions on the hitherto politicized historiography of some identities in Africa

Equality in Kenya's 2010 Constitution Victoria Miyandazi, 2021-02-25 This book makes a significant contribution to the ongoing global conversations on the various understandings of equality It illuminates the many ways in which diverse equality guarantees clash or are interrelated It also sets out principled approaches on how they can be coherently interpreted to address the myriad inequalities in Kenya Taking a comparative approach the book considers how other jurisdictions including the United States United Kingdom Canada South Africa India and Botswana have approached the conceptualisation interpretation and application of various equality concepts The book focuses on important issues such as transformative constitutionalism in relation to the interpretation of Kenya s 2010 Constitution expanding the list of enumerated grounds for non discrimination affirmative action accommodating religious and cultural diversity versus gender equality the interrelation between socio economic rights and status based equality

**Emerging Dynamics in the Provision of Private Higher Education in Africa** Wondwosen Tamrat, Damtew Teferra, 2024-05-29 This edited book examines the private higher education PHE sector in African countries Reports suggest that private institutions across the continent outnumber their public counterparts yet there has been little scholarly investigation into this emerging phenomenon The book therefore seeks to document map and analyse key trends and contemporary themes in the PHE sector as well as chart historical developments policy and regulatory frameworks As a whole it provides the reader with in depth knowledge rich perspectives and robust analyses from leading authorities in the field Contributions from all sub regions combine thematic issues with shaping discourse on the topic and the discussions are undertaken in the context of global perspectives The book will be of interest to academics researchers postgraduate students policy makers analysts and development partners interested in African higher education

and PHE in particular      The Elusive African Renaissance George Klay Kieh, Jr.,2018-08-28 Africa faces several major development challenges that have adversely affected the political and material well being of the majority of the people living there This collection of new essays rigorously analyzes those frontier development issues including democracy leadership the economy poverty alleviation through microfinance schemes food security education health and political instability and offers prescriptions that differ from the dominant neoliberal solutions      Routledge Handbook of Contemporary African Women Anna Chitando,Eunice Kamaara,Ezra Chitando,2024-12-31 The Routledge Handbook of Contemporary African Women highlights the achievements and progress being made by African women across a wide range of sectors in society Without glossing over the very real challenges which women in Africa continue to face this landmark handbook demonstrates how women across the continent are deploying their agency to achieve notable progress in areas as diverse as Pandemics Climate Change Science Technology Entrepreneurship Higher Education Youth Older People Challenging prevailing narratives and stereotypes about African women this handbook provides a more positive perspective into African women s progressive actions for sustainable development It will be an essential read for readers across the fields of gender environment political science history development studies religious studies and African Studies      *The Report: Kenya 2016* Oxford Business Group,2015-12-15 The Kenyan economy performed comparatively well in 2015 even in the face of global economic headwinds According to the World Bank GDP growth is expected to reach 5.4% for the year aided in large part by sustained public sector capital spending The country has a strong private sector and received encouraging signs of new oil gas and water reserves which if harnessed appropriately bode well for future growth The country s medium to long term economic outlook is robust With over 40% of the population under the age of 15 Kenya stands to benefit from a significant demographic dividend provided that sufficient jobs can be found when this population enters the workforce The country has a reasonably sized industrial base competitive infrastructure and a large agricultural sector all of which offer opportunities for capital intensive investment      African Women and Intellectual Leadership Maurice Nyamanga Amutabi,Emily Achieng' Akuno,Humphrey J. Ojwang,Dannica Fleuss,2024-02-29 This book highlights the pioneering roles of African women as leaders and role models in Kenya providing examples taken from across education health business and a range of other sectors Drawing on authentic first hand accounts and narratives from key women in leadership positions and those who have lived with them the book presents the life stories of women leaders over the last fifty years aiming to preserve their contributions for posterity and to inspire young people with moral ethical and progressive role models The book uses African knowledge production strategies that look at the human being holistically in the prism of Ubuntu in order to define leadership in Africa from an African perspective one that celebrates the role of the mother figure and places women at the centre of African values and societal dynamics This book will be of interest to researchers and students of African studies gender studies and Kenyan education and socio political history      **Higher Education and Policy for Creative**

**Economies in Africa** Roberta Comunian, Brian J. Hrac, Lauren England, 2020-11-04 The book reflects on the role of the creative economies in a range of African countries namely Ghana Kenya Nigeria South Africa and Uganda Chapters explore how creative economies emerge and can be supported in African countries The contributors focus on two key dimensions the role of higher education and the role of policy Firstly they consider the role of higher education and alternative forms of specialised education to reflect on how the creative aspirations of students and future creative workers of these countries are met and developed Secondly they explore the role of policy in supporting the agendas of the creative economy taking also into consideration the potential historical dimension of policy interventions and the impact of a lack of policy frameworks The book concludes by reflecting on how these two pillars of creative economy development which are usually taken for granted in studying creative economies in the global north need to be understood with their own specificity in the context of our selected case studies in Africa This book will be of interest to students scholars and professionals researching the creative economies in Africa across the humanities and social sciences All the royalties from the publication of this book will be donated to the not for profit organisation The Craft and Design Institute CDI <https://www.thecdi.org.za> in South Africa supporting capacity building for young creative practitioners from disadvantaged backgrounds

**Thus Until** Emilia Ilieva, Reuben Matheka, 2025-08-04 Thus Until A History of Egerton University is a thorough historical chronological and well researched account of Egerton University from a whites only college when it started in 1939 through to the expansion it has experienced over the years culminating in being a full university More than any other university in Kenya Egerton has a long and colourful history but like all the other universities it has suffered from the political economic and financial challenges of the time especially since the double intake of the 1990s Chapter One provides the required background to the study highlighting agricultural and educational policies and steering away from the Happy Valley hype so characteristic of the period The reader will learn about the Egerton family in Chapter Two and particularly about Lord Egerton himself and the colonial circumstances within which he lived The chapter dispels some of the popularly held myths about him Chapter Three deals with the beginnings of the college and the various structural and curriculum experiments tried out and the kind of enrolment and students it experimented with as an all white establishment The chapter ends with Africans beginning to agitate for change With great attention to detail the later chapters put the university in a broader local and international context thereby increasing its relevance to society A History of Egerton University though heavily footnoted and with a detailed bibliography is written in a simple easy flowing and accessible style
