## **Golf Rules Plain Simple:**

Golf Rules Plain & Simple Mark Russell, John Andrisani, 1999-09-08 The game's big lie is that the rules of golf are simple. The actual fact is that they are complex and confusing which is why millions of earnest amateurs unwittingly violate them every time they play. PGA Tour official Mark Russell is one of golf's best at making complicated rules decisions clear and understandable to the best players in the world and now he's presenting his common sense approach in plain drawings and plainer English. If you want to truly understand the rules and confidently play by them read this book. Jaime Diaz Sport Illustrated

*The Rules of Golf in Plain English, Third Edition* Jeffrey S. Kuhn, Bryan A. Garner, 2012-04-02 The cry for the simplification of the Rules of Golf is a stock in trade of the journalist during the winter months. Countless words on the subject have been poured out to an ever tolerant public but still the long sought simplification does not come. Henry Longhurst 1937 The hopes of renowned writer and golfer Henry Longhurst and millions of golfers before and after him have finally been realized. In *The Rules of Golf in Plain English* Bryan A. Garner American English language and usage expert and Jeffrey S. Kuhn volunteer USGA rules official have translated the knotty Rules with the encouragement and permission of the United States Golf Association. The result is a modern readable version that offers for the first time clear guidance to both amateurs and professionals. Based on a 338 word set of thirteen rules written in 1744 the official Rules have grown over two and a half centuries to 40 000 words. Numerous contributors and a complex revision process have rendered these Rules so opaque and stylistically inconsistent that a companion volume the 600 page *Decisions on the Rules of Golf* has been published to help golfers navigate them. Both lawyers and avid golfers Kuhn and Garner recognized the difficulties that the language of the Rules of Golf created especially in a sport that expects players to call penalties on themselves. By reworking the Rules line by line word by word they have produced an accessible resource that no golfer from the duffer to the pro should be without.

**The Rules of Golf in Plain English, Fourth Edition** Jeffrey S. Kuhn, Bryan A. Garner, 2016-04-27 Amateur and pro golfers alike have long been stymied by the legalistic and opaque wording in the United States Golf Association's official Rules of Golf. In this guide an experienced volunteer USGA rules official and an expert on language and usage both of them avid golfers have translated the Rules into everyday English to help players understand procedures assess penalties and settle disputes as the sport's governing body intended. This edition includes updates throughout to reflect changes introduced into the USGA's Rules in 2016.
