Golf Henry Beard, 2009-12-08 As a serious player a high handicapper or simply a baffled onlooker to the awesome nonsense that is golf have you ever wondered why say the golf balls have dimples and the tee is both the thing you

stick in the ground and the place you hit from and the hole is so small and the courses have all these big pits full of sand where any sane person would put grass Well so did noted humor writer and avid hacker Henry Beard who brought twenty first century computer search engine technology to bear on this thousand year old game tapping the internet s inherent capacity to confer a thin veneer of authenticity to far fetched accounts of great moments in the history of golf warped portraits of its legendary players and fanciful conjectures about its origins and evolution Employing an easy to read and simple to fudge timeline format he chronicles the amazing process through which this screwy pastime with wacky equipment and loony rules played for penny wagers by a bunch of bored silly shepherds was gradually transformed into a screwy sport with wacky equipment and loony rules played for million dollar purses by superstar athletes As he peers through the mists of time to the birthplace of the game Beard resolves once and for all its many mysteries like where those weird looking pants came from when the first telling of the Hit drag Harry joke was what a Stimpmeter is and who dreamed up the idea of those stupid blimps Here then in one convenient golf bag side pocket sized volume is a rich wildly embroidered ludicrously embellished tapestry of colorful fabrications and highly entertaining but thoroughly dubious speculations that tell the tall tale of golf the game that deranged the world

The Complete Idiot's Guide to Improving Your Short Game John Andriscani, John McLean, 2003-02-05 You re no idiot of course You know golf can be infuriating one minute and exhilarating the next But when it comes to keeping your cool on the course during your short game you feel like you re pitching with a pick ax and putting with pick up sticks Don t clobber your clubs just yet The Complete Idiot s Guide to Improving Your Short Game shows you how to lower your score and your blood pressure by getting into the swing of getting on the green In this Complete Idiot s Guide you get The preliminaries for improvement in pitching chipping and putting The lowdown on building up a solid shot making game Tips techniques and drills for taking your short game to the next level Troubleshooting to triumph over hazards traps and awkward lies
