Robert E. Crafton, 2015-06-08 An immensely popular genre crime fiction has only in recent years been engaged significantly by African American authors Historically the racist stereotypes often central to crime fiction and the socially conservative nature of the genre presented problems for writing the black experience and the tropes of justice and restoration of social order have not resonated with authors who saw social justice as a work in progress Some African American authors did take up the challenge Pauline Hopkins Rudolph Fisher and Chester Himes led the way in the first half

of the 20th century followed by Ishmael Reed's anti detective novels in the 1970s. Since the 1990s Walter Mosley, Colson Whitehead and Stephen L. Carter have written detective fiction focusing on questions of constitutional law, civil rights, biological and medical issues, education, popular culture, the criminal justice system and matters of social justice. From Hopkins's *Hagar's Daughter* published in 1901 to Hime's hardboiled Harlem Detective series to Carter's patrician world of the black bourgeoisie, these authors provide a means of examining literary and social constructions of the African American experience. Of the several books on Kwanzaa, few are invested with such utility as Maitefa Angaza's thoroughgoing discussion and analysis, a meaningful, wonderful guide. Herb Boyd, author of *We Shall Overcome: The History of the Civil Rights Movement As It Happened* **Conversations with Walter Mosley** Owen E. Brady, 2011-02-14. The interviews in this collection cover Walter Mosley's career and reveal an overarching theme: a belief in the transformative power of reading and writing. Since the 1990 publication of his first novel *Devil in a Blue Dress*, Mosley has published over thirty books in a tremendous range of genres and modes: crime and detective fiction, science fiction, literary novels of ideas, character studies, political and social nonfiction, erotica and memoir. Best known for his Easy Rawlins detective series and Socrates Fortlow series of crime novels, Mosley has created a body of work that, as a whole, chronicles and examines twentieth-century African American experience. *Conversations with Walter Mosley* covers the breadth of Mosley's career and reveals a craftsman and wryly witty conversationalist. Conscious of his forebears as well as literary techniques, he discusses favorites and influences including Camus, Shakespeare and Dickens, as well as writers in popular genres, especially speculative fiction and the hard-boiled noir detective tradition. He also discusses how his work modifies the crime tradition to engage it with black experience. *Violent Adventure* Marilyn C. Wesley, 2003. Questioning both the popular condemnation of violent representation and the notion that violence can be constructive by empowering the identity of an integrated adult self, Wesley identifies a revealing pattern of violent adventure in recent fiction by American men. **Africana** Anthony

*Class and Culture in Crime Fiction* Julie H. Kim, 2014-04-17 The crime fiction world of the late 1970s with its increasingly diverse landscape is a natural beginning for this collection of critical studies focusing on the intersections of class culture and crime each nuanced with shades of gender ethnicity race and politics The ten new essays herein raise broad and complicated questions about the role of class and culture in transatlantic crime fiction beyond the Golden Age How is class understood in detective fiction other than as a socioeconomic marker Can we distinguish between major British and American class concerns as they relate to crime How politically informed is popular detective fiction in responding to economic crises in Scotland Ireland England and the United States When issues of race and gender intersect with concerns of class and culture does the crime writer privilege one or another factor Do values and preoccupations of a primarily middle class readership get reflected in popular detective fiction
