**She's Gone Country** Jane Porter, 2010-08-23 Jane Porter returns with an entertaining tale of a former top model who is forced to reinvent herself by moving back to her hometown in Texas after her marriage falls apart Shey Darcy a 39 year old former top model for Vogue and Sports Illustrated led a

charmed life in New York City with a handsome photographer husband until the day he announced he'd fallen in love with someone else. Left to pick up the pieces of her once happy world, Shey decides to move back home to Texas with her three teenage sons. Life on the family ranch however brings with it a whole new host of dramas starting with differences of opinion with her staunch Southern Baptist mother, her rugged but overprotective brothers and daily battles with her three sons who are also struggling to find themselves. Add to the mix Shey's ex-crush Dane Kelly, a national bullriding champ and she's got her hands full. It doesn't take long before Shey realizes that in order to reinvent herself she must let go of an uncertain future and a broken past to find happiness and maybe love in the present.

*1001 Dark Nights: Bundle Twelve* Alexandra Ivy, Laura Wright, Lorelei James, Lara Adrian, Nazarea Andrews, Megan Erickson, 2018-01-29 **Wicked Garden** Lorelei James, 2015-10-05 One woman's past and present collide in the ultimate temptation. Eden LaCroix loved Billy Buchanan ten years ago but he ran out on her the night of prom. Now he's back temporarily and Eden believes a hot fling will help her move on from their tangled past. She wasn't expecting Billy's naughty side or the return of her sometime lover Jon White Feather to tempt her to submit to her own dark desires. Although college took Billy away from Eden, it's a mistake he can rectify now that he's in town to determine the fate of the community center Eden manages. Except reignited sparks keep getting in the way of his objectivity and the flames only leap higher when Eden's rock star lover comes home determined to show Eden and Billy the meaning of down and dirty. Eden considers herself a one woman man yet in the arms of Billy and Jon she feels truly beautiful for the first time in her life. But does the sexual healing go far enough to prevent her from falling in love again?

**Lost In You** Lorelei James, 2014-12-06 Animal attraction takes on a whole new meaning. Lacy Buchanan sets out to prove she's a tough cookie by swapping the mean streets of Manhattan for the Bighorn Mountains in Wyoming for a week-long survivalist hiking trip. The last thing she needed was to get lost, forcing her to spend the hike alone with surly, too sexy mountain man Becker who blames her for their predicament. After Becker saves her from a rattlesnake and calms her fears, Lacy has a change of heart and feels lucky to be in his experienced hands. But Sam Becker isn't really a hiking expert; he's strictly the moneyman in Back To Nature Guided Hiking Tours and a last minute temporary fill-in guide. He can't believe his bad luck when his lag-behind charge, a mouthy but hot blonde bombshell, pulverizes their only compass, destroying their chances of following the coordinates to base camp. Yet something about Lacy makes him want to uphold her ideal image that he sees her as a rugged hero and a man she can count on. As Sam and Lacy attempt to find a way out of the treacherous mountain passes, their natural instincts take them farther away from civilized behavior and straight into the mating calls of the wild. Previously published as *Babe in the Woods* 2006, now with a new epilogue.

**High Country Woman** Iris Scott, 2012-04-13 A special book about a unique high country farmer and her historic sheep.

station New Zealand's high country farmers are a special breed. They farm in tough terrain at high altitudes in areas where extreme climate puts both man and animal to the test. When she was widowed with three children in 1992, Iris Scott had to call on all her farming skill and inner strength to carry on as the runholder of the 150 year old 18 000 hectare Rees Valley Station at the head of Lake Wakatipu near Glenorchy. Not only that she had to run the station on her own and keep up her veterinary practice. *High Country Woman* is the engaging story of Iris Scott's love of our high country and her determination to farm it successfully while upholding high conservation and land guardianship values. The book also covers the fascinating history of the area long known to locals as The Head of the Lake, the focus of William Rees' great sheep run established not long after he and Nicolas von Tunzelman became two of the earliest Europeans to travel into the area in an epic exploration feat in 1860.
