*A Study Guide for Philip Roth's "Goodbye, Columbus"* Gale, Cengage Learning, 2016-07-14 A Study Guide for Philip Roth's *Goodbye Columbus* excerpted from Gale's acclaimed *Short Stories for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Short Stories for Students* for all of your research needs. Just Another Goodbye Dr. Sharon Zaffarese-Dippold, 2023-04-25 Anna Snow and her little brother Curtis are on the move again to yet another foster family. After the abuse she's suffered, she doesn't think it could get any worse, but it can. Curtis is ripped from her arms, sent to a different family. This is more than just another goodbye. This is losing the only person who's been her constant companion, the one person she loves. Powerless, all she can do is hold the teddy bear he dropped and cry as he's dragged out of her life. Anna is now truly alone. What will she do without her brother? It isn't long before she's moved again, and then again, from family to family, each time stuffing everything in her life into a garbage bag, feeling rejected as if she herself is trash that nobody wants. Anna's journey continues in this third book of the series, a riveting story of loss, pain, and sorrow as she navigates her garbage bag life as a child in the foster care system.
