

Farewell Speech for Friends

- Farewells are kind of goodbye celebrations when you are leaving a particular place or work.
- Friends are indeed one's second family, and the place that joins you with friends, be it school or college becomes your second home.
- Friends are precious, and after spending more time with them, the attachment grows.

both the national fight for independence and of Indian women's struggle for gender equality has taken on aspects of myth. Lengthy interviews with the veteran Ranis together with archival research comprise the evidence that separates the myth of the Bengali hero and his jungle warrior maidens from historical fact and this resulting book presents an accurate narrative of the Ranis. The facts are nearly as impressive as the legend. From the beginning when my mother died when I was two months old and my father when I was eleven. It goes into how I struggled trying to find myself and make my peace with God. Along the way I fell in love with running. It became my therapy. I meet amazing people throughout my story. There are unexpected tragedies that I must overcome. And in the end I see the big picture. I have a great understanding of my life. I think my story will help you with whatever challenges you may be facing. **Who We Like, Why We Like Them, and What We Do with Them** Letty Cottin Pogrebin, 1988
