Governance Of HIV/AIDS Making Participation And Accountability Count Routledge Warwick Studies In Globalisation:

Governance of HIV/AIDS Sophie Harman, Franklyn Lisk, 2009-07-06 Examines the different forms of governance of HIV/AIDS that have emerged and how these actors and structures of governance enhance or limit participation and accountability as well as the impact this is having upon effective global responses to the epidemic The New Politics of Regionalism Ulf Engel, Heidrun Zinecker, Frank Mattheis, Antje Dietze, Thomas Plötze, 2016-10-04 This edited volume approaches regionalism as one potential pattern in a changing global order Since the end of the Cold War different forms of territorialization have emerged and we are confronted with an increasing number and variety of actors that are establishing regional projects This volume offers an innovative contribution to the study of this new complexity by exploring constellations of regional actors spatial scales and imaginations beyond state centred perspectives as well as on multiple often overlapping levels The chapters analyse the emergence trajectories and outcomes of regionalisms from the perspective of the Global South specifically concentrating on regional projects in Latin America and Africa but also in the Asia Pacific They attempt to identify the specific conditions and junctures of different forms of region making in their external global and internal local national dimensions The volume also places special emphasis on interactions spatial entanglements and comparisons between regionalisms in different parts of the world By expanding beyond the perspective of North South transfers this book seeks to better understand the dynamics and diversity of interregional interactions This volume will appeal to scholars of global studies international political economy international relations human geography and development studies as well as area studies specialists who focus on Latin America and Africa *Global Institutions and the HIV/AIDS Epidemic* Franklyn Lisk, 2009-09-10 Lisk examines the different perspectives of the global response to HIV/AIDS and the role of the different global institutions multilateral public and private involved including their impact on outcomes **Cutting Edge Pack - Gender and Care** , *The British National Bibliography* Arthur James Wells, 2009 **Global Institutions and the HIV/AIDS Epidemic** Franklyn Lisk, 2009-09-10 Written by a leading expert in the field this book provides a clear and incisive analysis of the different perspectives of the global response to HIV/AIDS and the role of the different global institutions involved The text highlights HIV/AIDS as an exceptional global epidemic in terms of the severity of its impact as a humanitarian tragedy of unprecedented proportion its multi dimensional characteristics and its continuous evolution over more than two decades The careful analysis in this volume critically reviews key issues in the global response including HIV/AIDS as a development challenge North South power relationships and tensions international and regional partnerships between donor governments and recipient countries governance of global institutions and impact on the capacity of developing countries to respond effectively to the epidemic prevention versus treatment as options in HIV/AIDS services how to make the money work in support of effective AIDS financing Providing a comprehensive but easy to read and compact

overview of history trends and impacts of HIV AIDS and the global efforts to respond effectively this book is essential reading for all students of international relations health studies and international organizations *AIDS and Governance* Alan Whiteside, 2016-03-23 The political impact of HIV AIDS varies greatly and is difficult to map States depend on how governments choose to manage the political implications of HIV and AIDS both those stemming from the erosions of its own capacity as well as those that originate from their changing relationship on a national and international level Across the developing world HIV AIDS is slowly killing adults in their most productive years hollowing out state structures deepening poverty and raising profound questions that touch on the organization of all aspects of social economic and political life With the epidemic showing scant signs of slowing down this innovative volume assesses how HIV AIDS affects governance and conversely how governance affects the course of the epidemic In particular the volume *AIDS and Governance* Nana Poku, Alan Whiteside, Bjorg Sandkjaer, 2007 **Global Health and Governance** Alan Whiteside, Nana Poku, 2003-12-09 This volume brings together a collection of essays from researchers engaged in or concerned with the politics of global health It addresses the power relations which drive global health strategies frustrate the possibility of effective engagement and operate to relegate billions of people to a vulnerable and bleak future From a broad engagement with the global health system the volume focuses on arguably the most pressing public health issue of modern times the effective global governance of HIV AIDS The underlying objective is to help generate a timely debate and understanding of the impact of globalization on health and the plight of the vulnerable *Global Governance of AIDS* Peter Söderholm, 1997 The efforts to establish partnerships between intergovernmental organizations and nongovernmental organizations involved in AIDS prevention and control is the focus of this study **Global Health Governance and the Fight Against HIV/AIDS** W. Hein, S. Bartsch, L. Kohlmorgen, 2007-01-01 The devastating effects of HIV AIDS have propelled a multiplicity of activities at global national and local level This book is based on in depth studies of the major global institutions in health the role of pharmaceutical corporations the functions of NGOs and national responses to HIV AIDS in two key case studies Brazil and South Africa
