Rowling, 2018-08-28 This collectible new boxed set contains the complete bestselling Harry Potter series books 1 7 brilliantly redesigned by Caldecott Medalist Selznick in celebration of the 20th anniversary of the publication of Harry Potter and the Sorcerer s Stone *J.K. Rowling: A Bibliography 1997-2013* Philip W. Errington, 2015-02-26 As someone who respects comprehensive research I am in awe of the level of detail and amount of time Philip Errington has dedicated to this slavishly thorough and somewhat mind boggling bibliography J K Rowling This is the definitive bibliography of the writings of J K Rowling In addition to complete bibliographic details of each edition of all her books pamphlets and original contributions to published works there is detailed information on the publishing history of her work including fascinating extracts from correspondence and information on Rowling at auction This will be the first source on Rowling consulted by textual scholars book dealers and collectors auction houses critics and researchers The aim of the book is to record fact and dispel rumour on the fascinating publishing history of the Harry Potter series *The "Harry Potter" Brand. Sense of Community, Attitudinal Loyalty, and Purchase Behavior* Lily Marfisi, 2015-08-19 Master s Thesis from the year 2015 in the subject Communications Public Relations Advertising Marketing Social Media grade 17 20 course Evaluation of the Impact of a Person s Sense of Community on Attitudinal Loyalty and Purchase Behavior regarding the Harry Potter brand language English abstract Within the past decade Harry Potter has become a multi billion dollar brand with millions of fans all over the world The fan base community has developed with the rise of the Internet and new means of interaction They have had a real power of decision over the brand s managers and are a key element to the success of Harry Potter This study will focus on people s sense of community and on the existence of a relationship between this sense of community and people s loyalty and purchase behaviors towards the Harry Potter brand The problematic to this study is How does a person s sense of community impact its attitudinal loyalty and purchase behavior regarding the Harry Potter brand

The Future of the Nineteenth-Century Dream-Child Amy Billone, 2016-06-10 This book investigates the reappearance of the 19th century dream child from the Golden Age of Children s Literature both in the Harry Potter series and in other works that have reached unprecedented levels of popular success today Discussing Harry Potter as a reincarnation of Lewis Carroll s Alice and J M Barrie s Peter Pan Billone goes on to examine the recent resurrection of Alice in Tim Burton s Alice and of Peter Pan in Michael Jackson and in James Bond Visiting trends that have emerged since the Harry Potter series ended the book studies revisions of the dream child in texts and films that have inspired mass fandom in

the twenty first century Stephenie Meyer's Twilight E L James's 50 Shades of Grey and Suzanne Collins's The Hunger Games The volume argues that the 21st century desire to achieve dream states in relationship to eternal youth results from the way that dreams provide a means of realizing the fantastic yet alarming possibility of escaping from time This current identification with the dream child stems from the threat of political unrest and economic and environmental collapse as well as from the simultaneous technophilia and technophobia of a culture immersed in the breathless revolution of the digital age This book not only explores how the dream child from the past has returned to reflect misgivings about imagined dystopian futures but also reveals how the rebirth of the dream child opens up possibilities for new narratives where happy endings remain viable against all odds It will appeal to scholars in a wide variety of fields including Childhood Studies Children's YA Literature Cinema Studies Cultural Studies Cyberculture Gender Studies Queer Studies Gothic Studies New Media and Popular Culture

J.K. Rowling: A Bibliography Philip W. Dark Academe Jeffrey R. Di Leo, 2024-04-27 This book argues that a critical understanding of dark academe is vital to the futures of democracy and education Drawing upon contemporary literary and cultural theory particularly affect theory queer epistemology and critical race theory as well as critiques of capitalism and

accounts of the death drive it builds a case for identifying dark academe as anything that prohibits the pursuit of democratic education and critical citizenship It also argues that dark times require a reassessment of the ways theory and knowledge are approached in the humanities This is necessary if the aim is to truly understand the darkness at the heart of the higher education today Dark academe works to negate education and learning by continuously telling us that the quest for knowledge is empty and the pursuit of critique is blind In this educational darkness the death drive of neoliberal academe becomes a force that works against intellectual transformation and the deepening of critical sights

The role of fantasy literature in the juvenile reading habit Kaya Hellgardt, 2004-01-02 Thesis M A from the year 2003 in the subject English Language and Literature Studies Other grade 1 8 A University of Hannover English Seminar language English abstract A discussion of children's literature as a topic of a research paper suggests the treatment of something new a matter rather unexplored or at least not as exhausted as most aspects of the quite popular area of children's literature tend to be with respect to student's papers in English literature Something new would imply a book recently

published considering that a new publication is not likely to be exhausted by studies This would also call for a discussion of the readership as time changes very fast today and people change with time so that children living around the turn of the millennium may need and expect different things than children of the past In fact the present situation for children's literature is a subject of particular concern for technological development has influenced the matter of reading to a large extent and voices become audible that fear a decline of reading culture especially with reference to children and youths This changed reading situation will be the starting point of my paper

The New York Times Index, 1926 **Hype** Jon Helgason, Sara Kärrholm, Ann Steiner, 2015-01-01 In the world of books and literature hype is associated with bestsellerism the books that sell the most are read by vast numbers and constantly talked about in media and staff rooms Often it is the success in itself that generates an interest because popularity begets popularity Quite often though a hyped bestseller is met with a skeptic criticism of poor language a badly constructed plot a predictable story line or all three The bestseller phenomenon is sometimes conceived as a threat against real literature Research into the creation reception and meaning of bestsellers is utterly scarce and Hype Bestsellers and Literary Culture is an important contribution to the understanding of the literature read by the masses Popular literature plays an important role in the lives of millions of readers offering entertainment social commentary and alternate perspectives on everyday life This volume brings together such diverse issues as the creation of hype the role and the meaning of the author in the present day media landscape changes in the book trade and the relationship between bestsellers and research into them Further articles give an historical overview on postapocalyptic stories desert romances and the role of the authors This book offers new knowledge on a subject that is increasingly popular within university curricula Although the anthology is a work of academic research the texts are of equal interest to general readers

Minnesota Law Review, 2005 *Handbook of Research on Translating Myth and Reality in Women Imagery Across Disciplines* Ciolăneanu, Roxana, Marinescu, Roxana-Elisabeta, 2020-11-13 Women have been represented in art literature music and more for decades with the image of the woman changing through time and across cultures However rarely has a multidisciplinary approach been taken to examine this imagery and challenge and possibly reinterpret old women related myths and other taken for granted aspects e.g. grammatically inclusive gender Moreover this approach can better place the ideologies as myth creators and propagators identify and deconstruct stereotypes and prejudices and compare them across cultures with the view to spot universal vs culturally specific approaches as far as women's studies and interpretations are concerned It is important to gather these perspectives to translate and unveil new interpretations to old ideas about women and the feminine that are universally accepted as absolute impossible to challenge and invalidated truths The Handbook of Research on Translating Myth and Reality in Women Imagery Across Disciplines is a comprehensive reference book that provides an interdisciplinary and multidisciplinary perspective on the perception and reception of women across time and space It tackles various perspectives gender studies linguistic studies literature and

cultural studies discourse analysis philosophy anthropology sociology etc Its main objective is to present new approaches and propose new answers to old questions related to gender inequalities stereotypes and prejudices about women and their place in the world Covering significant themes that include the ethics of embodiment myth of motherhood at the crossroad of ideologies translation of women s experiences and ideas across cultures and discourses on women s rehabilitation and dignification across centuries this book is critical for linguists professionals researchers academicians and students working in the fields of women s studies gender studies cultural studies and literature as well as other related categories such as political studies education studies philosophy and the social sciences The Times Index ,2011 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement Library World Records, 2d Ed. Godfrey Oswald,2009-01-05 This book not only provides information about and comparisons of libraries it is also a story of libraries and books from the earliest times to the present The hundreds of facts about libraries periodicals books and reference databases around the world illustrate their evolution from crude and simple to sophisticated complex and efficient Provided by publisher **Local Community in the Era of Social Media Technologies** Hui-Lan Titangos,2013-08-31 Social media technologies can help connect local communities to the wider world Local Community in the Era of Social Media Technologies introduces the experience of bringing a local community to the world This book with the model of Santa Cruz County California develops a truly global approach to the subject The first section of the book covers the early efforts of recording the local Santa Cruz area before moving on to deal with Library 1 0 The next section looks at the present situation with Library 2 0 and its benefits The book ends with a discussion of future directions and the implications of Library 3 0 and beyond Illustrates the potential for new developments through practical experience Goes beyond digitization technology to include integrating database management using library professionals unique research skills conferencing and publications and rejuvenating Library 1 0 applications Demonstrates how to effectively present local information to the world
