Hoop Dreams 5 In The Zone:

Kneeling in the End Zone Josh Tinley, 2009-10-27 Kneeling in the End Zone takes the often overlapping worlds of sports and religion and turns them upside down Athletes coaches fans and broadcasters often bring faith into the world of sports whether through on field prayers post game interviews biblical bleacher signs or using faith language or scriptural metaphors to describe an incredible play or performance Kneeling in the End Zone aims to do the exact opposite using sports as a lens through which to look at the Christian faith It uses sports as a metaphor drawing parallels between scriptural stories and memorable tales from the field or court and looks at those transcendent moments in sports history that reveal larger truths about life **New York Magazine** ,1995-01-09 New York magazine was born in 1968 after a run as an insert

of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Awake in the Dark* Roger Ebert, 2010-10-21 Roger Ebert has been writing film

reviews for the Chicago Sun Times for nearly forty years And during those four decades his wide knowledge keen judgment prodigious energy and sharp sense of humor have made him America s most celebrated film critic He was the first such critic to win a Pulitzer Prize one of just three film critics ever t New York ,1997 **New York Magazine** ,1994-12-19 New

Sporting Dystopias Ralph C. Wilcox, 2003-03-27 Challenges the unexamined belief that sports stadiums events and teams in cities are always beneficial to the communities *Politics and Time* Michael J. Shapiro, 2016-09-13 Catastrophic events like the bombing of Hiroshima Hurricane Katrina s devastation of New Orleans and drone strikes periodically achieve renewed political significance as subsequent developments summon them back to public awareness But why and how do different conceptions of time inform and challenge these key events and the narratives they create In this book Michael J Shapiro provides an approach to politics and time that unsettles official collective histories by introducing analyses of lived experience articulated in cinematic televisual musical and literary genres His investigation is framed by questions of our

responsibility to acknowledge those victims of violence and catastrophe who have failed to rise above the threshold of public recognition Ultimately by focusing on time as an active force shaping our conception of political life we can deepen our understanding of complex political dynamics and improve the theories and methods we rely on to interpret them This bold and original book will be of interest to students and scholars of political theory cultural studies and cinema studies looking for a new perspective on the temporal aspects of political life **New York Magazine** ,1995-01-16 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Virginity on Screen* Caroline Madden,2024-08-28 Virginity a major adolescent rite of passage has been explored in the coming of age film genre for many decades This book examines the evolution of teen movies over the past 40 years posing crucial questions about how film shapes our cultural understanding of virginity By surveying more than 30 mainstream and independent coming of age films from the 1980s to the present it considers what types of first time sexual experiences are represented on screen how they are different for men and women and whether they are subverting or reinforcing gender stereotypes Drawing from notable teen movies such as Dirty Dancing 1987 American Pie 1999 Real Women Have Curves 2002 Lady Bird 2017 and Plan B 2021 the book identifies a progressive shift toward more sex positive and feminist representations of first time sexual experiences on screen Each chapter studies how the political climate sex education policies and cultural norms specific to each era impact the film s release and its teenage audience **Midnight Basketball** Douglas Hartmann,2016-07-29 Midnight basketball may not have been invented in Chicago but the City of Big Shoulders home of Michael Jordan and the Bulls is where it first came to national prominence And it s also where Douglas Hartmann first began to think seriously about the audacious notion that organizing young men to run around in the wee hours of the night all trying to throw a leather ball through a metal hoop could constitute meaningful social policy Organized in the 1980s and 90s by dozens of American cities late night basketball leagues were designed for social intervention risk reduction and crime prevention targeted at African American youth and young men In Midnight Basketball Hartmann traces the history of the program and the policy transformations of the period while exploring the racial ideologies cultural tensions and institutional realities that shaped the entire field of sports based social policy Drawing on extensive fieldwork the book also brings to life the actual on the ground practices of midnight basketball programs and the young men that the programs intended to serve In the process Midnight Basketball offers a more grounded and nuanced understanding of the intricate ways sports race and risk intersect and interact in urban America *Sport Psychology* Nicholas T. Gallucci,2013-12-04 Sport Psychology 2nd Edition provides a synthesis of the major topics in sport psychology with an applied focus and an emphasis on achieving optimal performance After exploring the history of

sport psychology human motivation and the role of exercise there are three main sections to the text Performance Enhancement Performance Inhibition and Individuals and Teams The first of these sections covers topics such as anxiety routines mental imagery self talk enhancing concentration relaxation goals and self confidence The section on Performance Inhibition includes chapters on choking under pressure self handicapping procrastination perfectionism helplessness substance abuse and disruptive personality factors While much of the information presented is universally applicable individual differences based on gender ethnicity age and motivation are emphasized in the concluding section on Individuals and Teams Throughout there are case studies of well known athletes from a variety of sports to illustrate topics that are being explored

Transnational Perspectives on Culture, Policy, and Education Cameron McCarthy, Cathryn Teasley, 2008 This series publishes critical scholarship that seeks to engage and transcend the disciplinary isolationism and genre confinement that now characterize so much of contemporary research in communication studies and related fields It

focuses on studies that address the broad intersections and hybrid trajectories that define the encounters between human groups in modern institutions and societies and the way these intersections are represented in contemporary popular cultural forms of knowledge

The Tao Made Easy Alan Cohen, 2018-07-10 Alan Cohen brings to life ancient wisdom for a new era deeply in need of enlightenment Fresh insights practical easy entry and immense delight Chungliang Al Huang president director Living Tao Foundation and co author with Alan Watts of *Tao The Watercourse Way* May you live during interesting times so goes an ancient Chinese blessing or some say curse That wish has come true for us Now what In this radically illuminating book Alan Cohen delves into one of the world's most venerated wisdom texts for answers and brings the lofty and enigmatic concepts of the Tao Te Ching down to earth in fresh easy to grasp language with practical personal examples we can use to uplift our daily lives Most other interpretations of the Tao march through the stanzas one by one Here Alan Cohen calls forth the ancient verses around themes that are central to our modern lives from love to work to the lessons we learn from pain Then he brings each message to life in short vignettes where he imagines himself a student of Lao Tse and interacts with the master directly and intimately He invites you to join the ancient sage and the contemporary seeker as they wend their way through the challenges and triumphs of the same journey you're taking yourself

Pipeline to the Pros Ben Kaplan, Danny Parkins, 2024-04-16 Jeff Van Gundy Brad Stevens Frank Vogel Mike Budenholzer Tom Thibodeau Sam Presti Leon Rose Before you knew his name before he drafted your favorite player before he guided your team to a championship he had a playing career of his own at an NCAA Division III college He didn't play for fortune the NBA was out of reach and his school didn't even give athletic scholarships He didn't play for fame his games weren't televised and the stands were rarely full Whatever the motivation he simply couldn't give up the game of basketball And that didn't change after graduation when it was time to pick a career path For the first time in league history NBA coaches and general managers are just as likely to have played Division III basketball as they are to have played in the NBA While the number of former D3 players working in the NBA is higher than ever small college alums have served in leadership positions since the league's founding They shaped the NBA into what it is today playing integral roles in the Lakers initial success in Los Angeles the inception of several expansion franchises the creation of the popular All Star Weekend dunk contest the globalization of the league and more Their improbable and inspiring journeys tell a bigger story the history of small college athletics the evolution of coaching and management in the NBA and the hiring practices in the most competitive fields Their alma maters were small but their impact on the game and the implications of their success loom large

Judaism's Encounter with American Sports Jeffrey S. Gurock, 2005-08-31 Judaism's Encounter with American Sports examines how sports entered the lives of American Jewish men and women and how the secular values of sports threatened religious identification and observance What do Jews do when a society in this case a team chooses them in but demands commitments that clash with ancestral ties and practices Jeffrey S Gurock uses the experience of sports to illuminate an important mode of modern Jewish

religious conflict and accommodation to America He considers the defensive strategies American Jewish leaders have employed in response to sports challenges to identity such as using temple and synagogue centers complete with gymnasiums and swimming pools to attract the athletically inclined to Jewish life Within the suburban frontiers of post World War II America sports minded modern Orthodox Conservative and Reform rabbis competed against one another for the allegiances of Jewish athletes and all other Americanized Jews In the present day tensions among Jewish movements are still played out in the sports arena Today in a mostly accepting American society it is easy for sports minded Jews to assimilate completely losing all regard for Jewish ties At the same time a very tolerant America has enabled Jews to succeed in the sports world while keeping faith with Jewish traditions Gurock foregrounds his engaging book against his own experiences as a basketball player coach and marathon runner By using the metaphor of sports Judaism s Encounter with American Sports underscores the basic religious dilemmas of our day **Mediaweek** ,1995 **Mountain of My Dreams** Richard T. Antony,2003-03-07 Most people end up questioning what they ve chosen to do with their life Richard Antony an electrical engineer went beyond just asking himself the age old question In the late 1970s he convinced his wife Sandra a contract specialist they needed to give up their promising careers and comfortable suburban lifestyle to start an azalea nursery in the foothills of the Virginia Blue Ridge Mountains Because the couple had no horticultural training or business experience few mechanical skills and absolutely no idea what they were getting themselves into numerous adventures followed In the first of four planned books Richard recounts through hundreds of vignettes the couples colorful story a story of triumph and despair of high expectations and harsh reality and of the people who touched their lives along the way In the tradition of such classics as The Little House on the Prairie and Walton s Mountain Mountain of My Dreams shares the true story of two ordinary people and their memorable often remarkable twenty five year journey Much more than just another back to the land chronicle this is a heartwarming tale of a man a woman and their belief in each other If youve ever wondered why the less traveled road is less traveled you need to read their story
