Hope Beyond Hell The Righteous Purpose Of Gods Judgment:

Hope Beyond Hell Gerry Beauchemin,2006-04 Hope Beyond Hell makes a compelling Biblical case affirming all God's judgments have a good and remedial purpose

The Devil's Redemption : 2 Volumes Michael J. McClymond,2018-06-05 2018 Book Award Winner The Gospel Coalition Academic Theology A Choice Outstanding Academic Title for 2019 Will all evil finally turn to good or does some evil remain stubbornly opposed to God and God's goodness Will even the devil be redeemed Addressing a theological issue of perennial interest this comprehensive book in two volumes surveys the history of Christian universalism from the second to the twenty first century and offers an interpretation of how and why universalist belief arose The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical philosophical and theological standpoint He shows that the effort to extend grace to everyone undermines the principle of grace for anyone

A Layman Investigates Universal Salvation Patrick Seamus O'Hara,2021-11-12 What do you know about universal salvation What is its history Have mistranslations of the Bible created an eternal hell that does not really exist What prominent persons in Christian history taught this doctrine and which ones worked to destroy it Is the teaching of universal salvation truly a heresy or has it been suppressed by church leaders interested in controlling their people by fear Patrick Seamus O'Hara needed answers to these questions This book is the result of research in which he went back into Christian history to examine events leading to the suppression of this once popular teaching in Christianity Drawing from ancient writings he looks at problems with Bible translations political intrigues within the church and the personal foibles of church leaders which led to the teaching of universal salvation disappearing from the Christian lexicon The three main objections to universal salvation are the Fifth Ecumenical Council the Bible and the writings of the early church fathers The author examines each one of these and shares from his research the reasons these are not legitimate objections The universal salvation of God's immense love is truly the good news of the gospel

Why Believe It? John Huffman,2018-07-26 John has written a book of Christian apologetics answering questions about the Christian faith through facts of history science and scripture Many people have personal beliefs based on a compilation of religious ideas embedded from day to day experiences and hearsay We need a deliberative theology based on proper hermeneutics of scripture which in no way contradicts facts of the history of the church secular history and science The practical guide used for understanding the Scriptures will be the historical grammatical and literary approach which takes into consideration that our Bible was written by humans at different times cultures and circumstances but always under the superintendence of the Holy Spirit therefore making it God's infallible Word This book endeavors to bring the author's insight and spiritual gifts to its pages to share God's message of grace and hope for all mankind through the reconciling and saving work of Jesus Christ

The Gift of God Is Eternal Life Steven H. Propp,2016-12-28 According to Christian doctrine what happens to those who have died While traditionally it has been said that one group of people spends eternity in heavenly happiness while another group experiences conscious

unending torment in hell there are other Christians who believe in alternatives that hell is simply a separation from God that the lost are simply annihilated and not subject to torment or that actually in the end all will be reconciled to God and live in heavenly glory *The Gift of God Is Eternal Life* explores a five century journey that traces the development and dispersal of the doctrines of universalism and conditional immortality in a compelling narrative collection of short stories Beginning from when these doctrines were merely whispered about or published anonymously to the days when traveling evangelists preached them in the new and growing American republic these engaging vignettes show how this once intense debate between Christians has evolved into modern times where such ideas can be freely discussed even in mainstream television and evangelism Do infants who die prior to an age of accountability receive salvation and are those who have never heard the Christian message simply doomed What about loved ones who die without having embraced the Christian gospel or those who believe in less traditional Christian dogmas and institutions *The Gift of God Is Eternal Life* can help both believers and nonbelievers understand the implications of these theological perspectives not just in an afterlife but in their own lives here and now

The Christian Doctrine of Apokatastasis Ilaria Ramelli, 2013-08-05 The theory of apokatastasis restoration most famously defended by the Alexandrian exegete philosopher and theologian Origen has its roots in both Greek philosophy and Jewish Christian Scriptures and literature and became a major theologico soteriological doctrine in patristics This monograph the first comprehensive systematic scholarly study of the history of the Christian apokatastasis doctrine argues its presence and Christological and Biblical foundation in numerous Christian thinkers including Syriac and analyses its origins meaning and development over eight centuries from the New Testament to Eriugena the last patristic philosopher Surprises await readers of this book which results from fifteen years of research For instance they will discover that even Augustine in his anti Manichaean phase supported the theory of universal restoration

A Larger Hope?, Volume 1 Ilaria L. E. Ramelli, 2019-07-15 In the minds of some universal salvation is a heretical idea that was imported into Christianity from pagan philosophies by Origen c 185 253 4 Ilaria Ramelli argues that this picture is completely mistaken She maintains that Christian theologians were the first people to proclaim that all will be saved and that their reasons for doing so were rooted in their faith in Christ She demonstrates that in fact the idea of the final restoration of all creation apokatastasis was grounded upon the teachings of the Bible and the church's beliefs about Jesus total triumph over sin death and evil through his incarnation crucifixion resurrection and ascension Ramelli traces the Christian roots of Origen's teaching on apokatastasis She argues that he was drawing on texts from Scripture and from various Christians who preceded him theologians such as Bardaisan Irenaeus and Clement She outlines Origen's often misunderstood theology in some detail and then follows the legacy of his Christian universalism through the centuries that followed We are treated to explorations of Origenian universal salvation in a host of Christian disciples including Athanasius Didymus the Blind the Cappadocian fathers Evagrius Maximus the Confessor John Scotus Eriugena and Julian of Norwich

What Are God's Goals? Carl

Wells,2014-12-17 Does God Have Goals We human beings tend to be pretty self absorbed We have goals and we hope to meet those goals whether they are wise or unwise We seldom stop to consider that perhaps God also has goals If He does they are certain to be wise and He has the power to reach those goals But what are they Does God intend that mankind help Him reach His goals Does our current model of Christianity truly reflect what the Bible teaches Is the model flawed or broken What would a biblical model of Christianity look like Does God torture most people in Hell for eternity Or have we misread Scripture on that topic These are some of the questions wrestled with in What Are Gods Goals Confessions of a Heretic

Brent Mccay,2012-05-17 Grace Saves All David Artman,2020-04-17 Grace is amazing About this all Christians agree Yet nearly all forms of Christianity put significant limits on grace Those forms of Christianity which proclaim grace alone actually saves typically don t believe God gives grace to everyone while those forms of Christianity which proclaim God gives grace to everyone typically don t believe grace alone actually saves Must grace either be that which saves alone but doesn t go to all or that which goes to all but doesn t save alone In Grace Saves All David Artman argues that grace saves alone and goes to all This inclusive approach to Christianity is variously called universal reconciliation universal salvation or perhaps most accurately Christian universalism He contends that the inclusive Christian universalist approach is necessary because it offers the only Christian theology which successfully defends the goodness of God For it logically follows that if God is all good all knowing and all powerful then God must also be all saving Often dismissed as a modern feel good theology Christian universalism is an ancient orthodox and biblical theology which was expounded by early Christians and early church fathers Artman brings much deserved attention to this wonderful spirituality Eternal Mysteries of Christ Revealed in God's Plan

for You Hank VanZydveld,REV Hank Van Zydveld,2012-02 There is something profoundly significant concerning our eternal past that not only connects us to this present time but also connects us to our eternal future This connection of past present and future is a vital key to understanding our destiny One of the most essential aspects of God s eternal purpose for humanity can be found hidden in the precious life given to each of us by Him The incredible complexity of our earthly existence with all of its joys trials tribulations pain and suffering is actually preparing us individually to become the fullness of God s expression through the redeeming and sanctifying work of Jesus Christ A glorious time of restoration through reconciliation is forth coming when all the families of God will finally enjoy living in the fullness of His expression demonstrating to all of Creation God s perfect never failing love for all **Children of Tomorrow: God's Plan for His**

Children Benny Jones,Glenna Jones,2017-09-25 God is creating a race of sons and daughters to live with Him These are His Children of Tomorrow Everything that we have gone through since Adam first walked in the garden had this as its focus When Jesus was resurrected He became the prototype of a new man in the Earth At salvation you receive a christ spirit designed to bring your soul to maturity You are now a new creature like Him Our task now is to learn who we are and to change from glory to glory until we reflect Him It s time for you to learn to walk as the overcomer that God says you are

Before anything was created The Father established a Structured Plan of Design that guarantees your success and He is releasing the revelation needed to learn to walk in spirit as never before The more you understand His plan for your life and that He desires all of His children to be saved the easier it will be to walk in the victory He has prepared for you It is time to make ready a people prepared for the return of the Lord *Yeshua, the Crucified Serpent* Rowland Stenrud, 2012-11 It was the atheist Jean Paul Sartre who once said that Hell is other people Rowland Stenrud's *Yeshua the Crucified Serpent* is about how mankind's savior Jesus of Nazareth has saved men and women from this hell by making it possible and indeed inevitable for human beings to love one another and their Creator Father Yahweh God This book is about the concept and practice of human and divine love The words of Paul in 1 Corinthians 13:1-13 the Bible as a whole and the reader's life experience will help in defining this The author reviews what he knows about the concept and its related precepts and brings them to bear in this book God himself is love which should tell us how mysterious a thing love is To acquire this ability to love one must suffer in union with the suffering Christ Salvation pure and simple is God delivering each one from the inability to love other human beings and the Creator Himself The obstacle to this perfect love is the serpent of human wisdom and pride that existed even in Jesus In his loving obedience to the Father Jesus nailed this serpent to the cross *Yeshua the Crucified Serpent* attempts to show that the question of evil and suffering in the world is answered by Yahweh's eventual success in saving all of mankind The majority of Christians believe in a number of key doctrines that the biblical authors do not unequivocally teach A few verses may support these unbiblical doctrines but a greater number of verses whose meaning is clearer contradict the standard interpretation of these few verses Other doctrines that Christians mistakenly believe in find support in this or that section of the Bible but are denied by the general thrust of the Bible as a whole These unbiblical doctrines followed by the correct biblical teaching are 1 Sometime in the distant past a large number of God's angels rebelled against Him becoming what are called devils or demons whose leader is known as Satan or Lucifer The Bible teaches that the only agent of evil in the universe is man's heart 2 Adam and Eve possessed the perfection of Jesus Christ before they sinned If they had not sinned they would not have needed to be healed of any weakness The Bible teaches that Adam and Eve could not have had eternal life even before they sinned without the work of Jesus of Nazareth 3 Faith is an act of the free will of man The Bible teaches that faith does involve man putting his trust in God's promises and revelation but it is primarily a power given to man by God in order to enable him to see spiritual truth the natural man cannot see Without this gift of the Holy Spirit no human being can know God and be saved 4 Ultimately speaking we are saved by our faith On the contrary it is through Jesus's faith in and love for the Father that is the instrument of our salvation 5 Jesus saved us by paying the penalty due our sins and therefore saving us from the just wrath of God This is false No one had to pay any penalty for God to forgive the sins of the human race God relates to sinners on the basis of mercy and mercy is not mercy if the penalty for sin is paid By going to the cross Jesus healed our brokenness which forgiveness alone could not accomplish 6 Satan and the sins of men

are ultimately responsible for human suffering False God is ultimately responsible for human suffering as it is a necessary part of God s work of saving human beings God Himself shares in all of our suffering physical emotional and spiritual even though He does not have a body or nervous system 7 Salvation is about our eternal destiny This is not correct Salvation is about being saved from the idolatries addictions corruption hatreds evil deeds that afflict the unsav

The Gospel Beyond the Grave Lewis Brogdon,2025-06-09 Will Black lives matter beyond the grave at history s end and on the day of judgment In *The Gospel Beyond the Grave* Toward a Black Theology of Hope Lewis Brogdon brings the history and experiences of Black people to bear on eschatology Not only questioning why Black people have been ignored from the consideration of last things he argues that a theologically sound eschatology must include a divine reckoning for slavery and racism Brogdon also gives a fresh contextual lens to Christ s reconciliatory work that provides hope for our salvation from the sins of racism and a future together in a new heaven and new earth
