## **Hopi Gold Hopi Silver 12 Contemporary Jewelers:**

**Hopi Gold, Hopi Silver** Zena Pearlstone, 2014 Nearly 200 photographs chronicle the evolution of Hopi jewelry over the last four decades and illustrate through the Kaopavi collection the innovative and often stunning creations of twelve well known Hopi artists Included are Victor Coochwyte, Phillip Honanie and Michael Kabotie as well as Ricky Coochwyte, Sidney Sekakuku, Sharold Nutumya, Watson Honanie, Bradley Gashwazra, Norman Honie, Sr John Coochyumtewa, Beauford Dawahoya and Jason Takala, Sr The artists incorporate gold, platinum, diamonds and rare turquoise into a tradition previously identified predominantly with silver while expanding the range of designs to include narrative and ceremonial representations Some of the iconography speaks to the merging of two cultures ancient Hopi and contemporary commodity These objects have a historical voice and represent a major change not only in jewelry styles but in Hopi culture Page 4 of cover

**Brian Honyouti** Zena Pearlstone, 2018-05-17 Although Hopi carver Brian Honyouti 1947-2016 was deeply embedded in his culture and produced ritual artworks throughout his life he nevertheless also created unique commercial artworks The latter the focus of this volume increasingly diverged from the world view embodied in Hopi art ceremony and philosophy to become a new form of storytelling While it is unlikely that anyone familiar with Hopi carvings dolls would look to Honyouti's artworks expecting to unearth political, social or environmental truths and circumstances these are nonetheless the messages he determined to convey In Brian Honyouti Hopi Carver art historian Zena Pearlstone explores the ideas Honyouti sought to communicate through his work She examines as well how he transmitted them by turning a traditional art form the carved representations of katsinas into a modernistic critique of local Native American and global concerns It is as a result of these universal implications that Honyouti's art will endure Because Honyouti's attachment to Hopi culture was so profound he veiled his critical reflections with humor and imagination to avoid exposing too much to public scrutiny Feeling that there should be a public record of his intentions however he set aside many of his self imposed limitations when he agreed to collaborate with Pearlstone It was his hope that having made his intentions public for the first time his work would be seen as a window into Hopi life as well as a reflection of contemporary mainstream American society
