

HORACE AND THE RHETORIC OF AUTHORITY

•

ELLEN OLIENSIS

Horace And The Rhetoric Of Authority

Phillip Mitsis, Ioannis Ziogas

Horace And The Rhetoric Of Authority:

Horace and the Rhetoric of Authority Ellen Oliensis, 1998-05-28 This book explores how Horace's poems construct the literary and social authority of their author Bridging the traditional distinction between persona and author Ellen Oliensis considers Horace's poetry as one dimension of his face the projected self image that is the basic currency of social interactions She reads Horace's poems not only as works of art but also as social acts of face saving face making and self effacement These acts are responsive she suggests to the pressure of several audiences Horace shapes his poetry to promote his authority and to pay deference to his patrons while taking account of the envy of contemporaries and the judgement of posterity Drawing on the insights of sociolinguistics deconstruction and new historicism Dr Oliensis charts the poet's shifting strategies of authority and deference across his entire literary career Horace's Odes and Carmen Saeculare Simon

Preece, 2021-05-11 At a time of extraordinary political upheaval Horace wrote poetry and proudly boasted that his Odes were bringing to Rome the metres and subject matter of the Greek lyric poets who had flourished some six centuries earlier His achievement ensured that the Odes remained unique in Latin literature and they have continued to be read and loved for two thousand years Horace's metrical diversity is fundamental to his artistry so these translations recreate the original thirteen metres in English They are written in elegant verse which is always alert to the poems structure register rhetoric sound and syntax Special attention is given to the nuanced meanings of words in their context and to the implications of Horace's often highly unusual word order no Roman ever spoke such Latin except when reading the Odes aloud The translations are supported by a wide ranging introduction which provides biographical historical and literary context and shows several ways in which the Odes can respond to literary analysis The extensive notes constitute a commentary on all the poems drawing the reader from the translations to the facing text of Horace's Latin and offering brief discussions of textual literary linguistic metrical historical geographical mythological and religious issues Students and general readers will find the tools here to help them develop their own personal response to Horace's exceptional poetry while teachers will welcome the opportunity to compare poems across all four books of the Odes in equal detail **Writing, Performance, and Authority in Augustan**

Rome Michele Lowrie, 2009-10-15 An exploration of the relationship between poetry song and authority in Augustan Rome Michele Lowrie argues that the medium of writing as opposed to song could offer an escape from current social and political demands by shifting the focus toward the readership of posterity **Horace's Odes** Richard John Tarrant, 2020 Oxford Approaches to Classical Literature introduces individual works of Greek and Latin literature to readers who are approaching them for the first time Each volume sets the work in its literary and historical context and aims to offer a balanced and engaging assessment of its content artistry and purpose A brief survey of the influence of the work upon subsequent generations is included to demonstrate its enduring relevance and power All quotations from the original are translated into English Horace's body of lyric poetry the Odes is one of the greatest achievements of Latin literature and a foundational text

for the Western poetic tradition These 103 exquisitely crafted poems speak in a distinctive voice usually detached often ironic always humane reflecting on the changing Roman world that Horace lived in and also on more universal themes of friendship love and mortality In this book Richard Tarrant introduces readers to the Odes by situating them in the context of Horace's career as a poet and by defining their relationship to earlier literature Greek and Roman Several poems have been freshly translated by the author others appear in versions by Horace's best modern translators A number of poems are analyzed in detail illustrating Horace's range of subject matter and his characteristic techniques of form and structure A substantial final chapter traces the reception of the Odes from Horace's own time to the present Readers of this book will gain an appreciation for the artistry of one of the finest lyric poets of all time

Figuring Genre in Roman Satire Catherine

Keane, 2006-01-12 In these roles the satirist conducts penetrating analyses of Rome's definitive social practices from the inside Satire's reputation as the quintessential Roman genre is thus even more justified than previously recognized

JACKET Sacred Conjectures John Jarick, 2007-08-01 1753 saw the publication of two major works of Old Testament scholarship Robert Lowth's *On the Sacred Poetry of the Hebrews* and Jean Astruc's *Conjectures on Genesis* published anonymously when Astruc was Professor of Medicine at the Collège Royal in Paris Both these works have had considerable repercussions in biblical study down to the present day Indeed they may be said to have inaugurated modern critical approaches to biblical poetry and prose respectively of the Old Testament To mark and reflect upon the 250th anniversary of the publication of these volumes the University of Oxford hosted a Sacred Conjectures conference in 2003 An international group of scholars gathered to discuss the context and legacy of Lowth's and Astruc's seminal contributions to the field of biblical scholarship the majority of the papers presented at the conference appear in this volume The collection aims to provide for Lowth and Astruc not only an account and evaluation of their life and work but also an understanding of the wider intellectual context of their scholarship and the reception and influence of their work ever since

The Author's Voice in Classical and Late Antiquity Anna Marmodoro, Jonathan Hill, 2013-10 Explores the persona of the author in classical Greek and Latin authors from a range of disciplines and considers authority and ascription in relation to the authorial voice

Roman Satire Daniel Hooley, 2008-04-15 This compact and critically up to date introduction to Roman satire examines the development of the genre focusing particularly on the literary and social functionality of satire It considers why it was important to the Romans and why it still matters Provides a compact and critically up to date introduction to Roman satire Focuses on the development and function of satire in literary and social contexts Takes account of recent critical approaches Keeps the uninitiated reader in mind presuming no prior knowledge of the subject Introduces each satirist in his own historical time and place including the masters of Roman satire Lucilius Horace Persius and Juvenal Facilitates comparative and intertextual discussion of different satirists

A Companion to Catullus Marilyn B. Skinner, 2010-12-23 In this companion international scholars provide a comprehensive overview that reflects the most recent trends in Catullan studies

Explores the work of Catullus one of the best Roman lyric poets Provides discussions about production genre style and reception as well as interpretive essays on key poems and groups of poems Grounds Catullus in the socio historical world around him Chapters challenge received wisdom present original readings and suggest new interpretations of biographical evidence *Brill's Companion to the Reception of Cicero*, 2015-03-31 Brill's Companion to the Reception of Cicero is a collection of essays by an international and interdisciplinary team of scholars that situates Cicero in the context of his use and abuse from antiquity to the present and is intended to provide readers with several good reasons to return to the study of Cicero's writings with greater interest and respect *Approaches to Genre in the Ancient World* Michelle Borg, Graeme Miles, 2014-07-18 No less than their modern counterparts ancient genres were contested hybrid and ambiguous This volume the result of a conference at the University of Sydney is a collection dealing with some of the many issues around ancient understandings of genre It presents a series of case studies some concerned with texts that have loomed large in discussions of ancient genre such as the works of Ovid and others in particular late antique works that have received less attention Ranging from Rome and Greece to Gaza and Syria *Approaches to Genre in the Ancient World* makes a unique contribution to the study of ancient genre and to the understanding of the specific texts discussed **The Princeton Encyclopedia of Poetry and Poetics** Stephen Cushman, Clare Cavanagh, Jahan Ramazani, Paul Rouzer, 2012-08-26 The most important poetry reference for more than four decades now fully updated for the twenty first century Through three editions over more than four decades *The Princeton Encyclopedia of Poetry and Poetics* has built an unrivaled reputation as the most comprehensive and authoritative reference for students scholars and poets on all aspects of its subject history movements genres prosody rhetorical devices critical terms and more Now this landmark work has been thoroughly revised and updated for the twenty first century Compiled by an entirely new team of editors the fourth edition the first new edition in almost twenty years reflects recent changes in literary and cultural studies providing up to date coverage and giving greater attention to the international aspects of poetry all while preserving the best of the previous volumes At well over a million words and more than 1 000 entries the Encyclopedia has unparalleled breadth and depth Entries range in length from brief paragraphs to major essays of 15 000 words offering a more thorough treatment including expert synthesis and indispensable bibliographies than conventional handbooks or dictionaries This is a book that no reader or writer of poetry will want to be without Thoroughly revised and updated by a new editorial team for twenty first century students scholars and poets More than 250 new entries cover recent terms movements and related topics Broader international coverage includes articles on the poetries of more than 110 nations regions and languages Expanded coverage of poetries of the non Western and developing worlds Updated bibliographies and cross references New easier to use page design Fully indexed for the first time Satire in the Elizabethan Era William Jones, 2017-11-28 This book argues that the satire of the late Elizabethan period goes far beyond generic rhetorical persuasion but is instead intentionally engaged in a literary mission of

transideological perceptual translation This reshaping of cultural orthodoxies is interpreted in this study as both authentic and activist in the sense that satire represents a purpose driven attempt to build a consensual community devoted to genuine socio cultural change The book includes explorations of specific ideologically stabilizing satires produced before the Bishops Ban of 1599 as well as the attempt to return nihilistic English satire to a stabilizing theatrical form during the tumultuous end of the reign of Elizabeth I Dr Jones infuses carefully chosen modern day examples of satire alongside those of the Elizabethan Era making it a thoughtful vigorous read

The Cambridge Critical Guide to Latin Literature Roy Gibson, Christopher Whitton, 2024-01-18 The Cambridge Critical Guide to Latin Literature offers a critical overview of work on Latin literature Where are we How did we get here Where to next Fifteen commissioned chapters along with an extensive introduction and Mary Beard's postscript approach these questions from a range of angles They aim not to codify the field but to give snapshots of the discipline from different perspectives and to offer provocations for future development The Critical Guide aims to stimulate reflection on how we engage with Latin literature Texts tools and territories are the three areas of focus The Guide situates the study of classical Latin literature within its global context from late antiquity to Neo Latin moving away from an exclusive focus on the pre 200 CE corpus It recalibrates links with adjoining disciplines history philosophy material culture linguistics political thought Greek and takes a fresh look at key tools editing reception intertextuality theory

Wordplay and Powerplay in Latin Poetry Phillip Mitsis, Ioannis Ziogas, 2016-07-28 The political allegiances of major Roman poets have been notoriously difficult to pin down in part because they often shift the onus of political interpretation from themselves to their readers By the same token it is often difficult to assess their authorial powerplays in the etymologies puns anagrams telestichs and acronyms that feature prominently in their poetry It is the premise of this volume that the contexts of composition performance and reception play a critical role in constructing poetic voices as either politically favorable or dissenting and however much the individual scholars in this volume disagree among themselves their readings try to do justice collectively to poetry's power to shape political realities The book is aimed not only at scholars of Roman poetry politics and philosophy but also at those working in later literary and political traditions influenced by Rome's greatest poets

Essays on Propertian and Ovidian Elegy T. E. Franklin, Jennifer Ingleheart, 2024 This Festschrift in honour of the classical scholar Stephen Heyworth brings together eleven experts on the genre of Latin elegy All chapters focus on the close reading of elegiac texts primarily by Ovid and Propertius

Recognizing Persius Kenneth J. Reckford, 2009-07-26 Recognizing Persius is a passionate and in depth exploration of the libellus or little book of six Latin satires left by the Roman satirical writer Persius when he died in AD 62 at the age of twenty seven In this comprehensive and reflectively personal book Kenneth Reckford fleshes out the primary importance of this mysterious and idiosyncratic writer Reckford emphasizes the dramatic power and excitement of Persius's satires works that normally would have been recited before a reclining feasting audience In highlighting the satires remarkable honesty Reckford shows how

Persius converted Roman satire into a vehicle of self exploration and self challenge that remains relevant to readers today The book explores the foundations of Roman satire as a performance genre from the dinner party recitals of Lucilius the founder of the genre through Horace to Persius's more intense and inward dramatic monologues Reckford argues that despite satire's significant public function Persius wrote his pieces first and mainly for himself Reckford also provides the context for Persius's life and work his social responsibilities as a landowner the interplay between his life his Stoic philosophy and his art and finally his incomplete struggle to become an honest and decent human being Bringing the modern reader to a closer and more nuanced acquaintance with Persius's work Recognizing Persius reinstates him to the ranks of the first rate satirists alongside Horace and Juvenal

The Fiction of Occasion in Hellenistic and Roman Poetry Adrian

Gramps, 2021-07-05 The aim of this book is to devise a method for approaching the problem of presence in Hellenistic and Roman poetry The problem of presence as defined here is the problem of the availability or accessibility to the reader of the fictional worlds disclosed by poetry From Callimachus Hymns to the Odes of Horace poets of this era repeatedly challenge readers by beckoning them to explore fictive spaces which are at once familiar and otherworldly realms of the imagination which are nevertheless firmly rooted in the lived reality of the poets and their contemporaries We too when we read these poems may feel simultaneously a sense of being transported to a world apart and of being seized upon by the poem's address in the here and now of reading The fiction of occasion is proposed as a new conceptual tool for understanding how these poems produce such problematic presences and what varieties of experience they make possible for their readers The fiction of occasion is defined as a phenomenon whereby a poem is fictionally framed as part of a material event or occasion with which the reader is invited to engage through the medium of the senses The book explores this concept through close readings of key authors from the corpus of first person poetry written in Greek and Latin between the 3rd century BCE and the 1st century CE with a focus on Callimachus Bion Catullus Propertius and Horace The ultimate purpose of these readings is to move towards developing a new vocabulary for conceptualising ancient poetry as an embodied experience

Roman Drama and its Contexts Stavros Frangoulidis, Stephen J. Harrison, Gesine Manuwald, 2016-03-21 Roman plays have been well studied individually even including fragmentary or spurious ones more recently However they have not always been placed into their context though plays just like items in other literary genres benefit from being seen in context This edited collection aims to address this issue it includes 33 contributions by an international team of scholars discussing single plays or Roman dramatic genres including comedy tragedy and praetexta from both the Republican and imperial periods in contexts such as the literary tradition the relationship to works in other literary genres the historical and social situation the intellectual background or the later reception Overall they offer a rich panorama of the role of Roman drama or individual plays in Roman society and literary history The insights gained thereby will be of relevance to everyone interested in Roman drama or literature more generally comparative literature or drama and theatre studies This contextual approach has the

potential of changing the way in which Roman drama is viewed **Paul as homo novus** Eve-Marie Becker, Jacob Mortensen, 2018-04-16 20th century research in St Paul is widely impacted by Adolf Deissmann's prominent view on the apostle as a homo novus 1911 But where does this concept originate from and what does it imply This collection of articles does not only re-evaluate Deissmann's concept by tracing it back to its historical and socio-political origins in Cicero and exploring how authors from early Imperial Time perceive and transform the homo novus paradigm by diverse modes and strategies of literary self-fashioning Scholars ranging the fields of New Testament Studies Greek and Latin Philology Ancient History Patristics and Comparative Literature also examine how the Ciceronian paradigm was early on transformed disseminated and applied as a literary concept and an authorial topos of self-molding One of the leading questions throughout the volume thus is How do authors like Cicero Horace Paul Tacitus Seneca Athanasius and Augustine fashion themselves in accordance to or in difference from the idea of being a new man It is argued that by means of literary self-configuration indeed some of these writers such as Paul and Augustine want to appear as new men by either altering traditional social moral religious or political roles or by creating new patterns of social behavior and religious self-understanding

Horace And The Rhetoric Of Authority Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Horace And The Rhetoric Of Authority free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Horace And The Rhetoric Of Authority free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Horace And The Rhetoric Of Authority free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Horace And The Rhetoric Of Authority. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However,

users should always be cautious and verify the legality of the source before downloading Horace And The Rhetoric Of Authority any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Horace And The Rhetoric Of Authority Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Horace And The Rhetoric Of Authority is one of the best book in our library for free trial. We provide copy of Horace And The Rhetoric Of Authority in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Horace And The Rhetoric Of Authority. Where to download Horace And The Rhetoric Of Authority online for free? Are you looking for Horace And The Rhetoric Of Authority PDF? This is definitely going to save you time and cash in something you should think about.
