Horse Riding Choose Your Weapons Let Battle Commence:

Horse Riding Choose Your Weapons Avis Senior,2014-01-03 ok the gloves are off The gentle persuasion ends here The author lays the copious variations of abuse of horses deliberate or otherwise on the table It is time for the long awaited wake up call to the dramatic physical and emotional trauma dumped on the horse daily by our inconsiderate ways The tables are turning the author intends to do everything in her power to help them along The choice is yours follow the author eagerly and with an open mind as you journey together along the path of enlightenment or remain stagnant in the clutches of archaic systematic training systems that continue to brainwash equestrians at the expense of the wellbeing and true potential of both you and your horse as you face each other on the battle field each day As soon as you are humble enough to question you will begin to see a world full of possibilities not limitations

Martial Maneuvers Phillip Starr,2009-08-04 In *Martial Maneuvers* Phillip Starr demonstrates that while the internal martial arts Taijiquan Bagua Zhang and Xingyi Quan might be considered ineffective for practical self defense they in fact have a long history of combat use Starr argues that most teachers and practitioners of the internal arts have forgotten their rich martial heritage focusing instead on their applicability for health or spiritual practices Starr returns to the roots of the three major internal arts demonstrating the combative principles upon which they were originally based *Martial Maneuvers* often takes a lighthearted and humorous approach to what can often be challenging material and provides training routines in easy to understand language Numerous photos demonstrate the step by step implementation of fighting techniques teaching readers how to apply them to their own chosen martial disciplines While designed primarily for the internal martial artist the techniques demonstrated in *Martial Maneuvers* can also benefit and enrich the training of a student of any discipline including karate and kung fu
