Declutter Your Life Madeline Crawford, 2019-08-20. If you are overwhelmed and exhausted from life's clutter and want to discover decluttering and organizing solutions to reduce stress and positively change your life, keep reading. Did you know? Clutter-related worry ranks as the 5th highest trigger for stress in Americans according to a Huffington Post. A recent publication noted that as high as 82% of people believed that their quality of life would improve if they were more organized. A LexisNexis study shows that of the numerous items we own, only 20% of them are put to use. Various aspects of our lives can become overwhelming, leading to struggles from financial mismanagement to home clutter to messy schedules that seem to be impossible to get organized. But life should be more about living and doing things that we enjoy and love instead of getting overwhelmed with worry and stress caused by the clutter of various kinds. It is essential to address this problem. The end goal is not just to be clutter-free in the home or workplace but to also make the process a starting point to a more satisfying and uncomplicated lifestyle. Author Madeline Crawford understands the problem of clutter. Having been burdened with life clutter for years, she worked on applying different decluttering methods. Through personal experience and research, she has found out the best decluttering techniques that have helped change her life. In this complete step-by-step guide, she shares all her decluttering insights, including how to effectively declutter and organize eight areas of your life for lasting clutter relief and lifestyle change.
