Teaching Early Years Susanne Garvis, 2020-07-16 This new early childhood text provides a comprehensive overview of early childhood education in Australia for children from birth to eight years. It reports on a wide variety of significant early childhood topics and is written in a style directed towards early childhood professionals. Kim Walters, President Early Childhood Teachers Association. The early years of care and learning are recognised as crucial for ongoing educational success and future participation in society. Early childhood professionals need specialist preparation to understand and effectively support early years learners. Teaching Early Years offers a systematic research-based introduction to educating children from birth to eight years. Leading educators identify the key priorities in early years education and cover developmental issues, curriculum, pedagogy and assessment. Each chapter concludes with questions that guide reflection of the concepts developed in the chapter. Written for early childhood education students, childcare workers and education leaders, Teaching Early Years is an essential resource for anyone involved in caring for and educating early years learners.

The Reading Aloud Resource Book Katie Walsh, Maria Bracken, 2023-05-11 This practical guide is the ideal tool for the busy practitioner or speech and language therapist to provide an effective, meaningful and contextualised approach to language development using picture books. Drawing from up-to-date evidence-based research, each chapter shows you how to get the most out of picture books to support language development with a focus on the range of opportunities that reading aloud can bring. The guide offers a complete package to promote speech, language and early literacy and to enrich language comprehension, vocabulary, phonological awareness and oral language, all by using books to provide a context for meaningful language learning. The resource also includes advice on how to develop intervention goals and outcome measures for reading aloud with practical suggestions covering topics from creating a reading routine and book nooks to encouraging reluctant readers and reading aloud challenges. Language skills are essential for academic, social and communication success, and this reading aloud resource will be valuable reading for early year educators, primary teachers and speech and language therapists working with young children aged 0-7.
