Camino del Sol Rigoberto González, 2022-09-20 Since 1994 the Camino del Sol series has been one of the premier vehicles for Latina/o literary voices. Launched under the auspices of Chicana/o luminary Ray Gonzalez, it quickly established itself in both the Latina/o community and the publishing world as it garnered awards for its outstanding writing. Featuring both established writers and first-time authors, Camino del Sol has published poetry and prose that convey something about the Latina/o experience, works that tap into universal truths through a distinct cultural lens. This volume celebrates fifteen years of books by bringing together some of the series' best work, such as poetry from Francisco X. Alarcón, fiction from Christine Granados, and nonfiction from Luis Alberto Urrea. These voices echo the entire spectrum of Latina/o writing, from Chicana/o to Puerto Rican to Brazilian American, and take in themes ranging from migration to gender. Awards bestowed upon Camino del Sol titles include the PEN Beyond Margins Award to Richard Blanco's *Directions to the Beach*, the Dead Before Columbus Foundation American Book Awards to Diana García's *When Living Was a Labor Camp*, and Luis Alberto Urrea's *Nobody's Son*. International Latino Book Awards to Pat Mora's *Adobe Odes* and Kathleen Alcalá's *The Desert Remembers My Name*, the Premio Aztlán literary prize to Sergio Troncoso's *The Last Tortilla*, and

the PEN Oakland Josephine Miles National Literary Award to Kathleen de Azevedo's *Samba Dreamers*. All of these works are represented in this outstanding collection. In a short span of time, *Camino del Sol* has cultivated an admirable and sizeable list of distinguished contemporary authors and even garnered the first National Book Critics Circle Award for a Chicana, for Juan Felipe Herrera's *Half of the World in Light*. *Camino del Sol: Fifteen Years of Latina and Latino Writing* is a benchmark for the series and a wonderful introduction to the world of Latina/o literature. *Latinos in the United States* (Ilan Stavans, 2018). As the largest and youngest minority group in the United States, the 60 million Latinos living in the U.S. represent the second largest concentration of Hispanic people in the entire world after Mexico. Needless to say, the population of Latinos in the U.S. is causing a shift not only changing the demographic landscape of the country but also impacting national culture, politics, and spoken language. While Latinos comprise a diverse minority group with various religious beliefs, political ideologies, and social values, commentators on both sides of the political divide have lumped Latino Americans into a homogenous group that is often misunderstood. *Latinos in the United States: What Everyone Needs to Know* (R) provides a wide-ranging, multifaceted exploration of Latino American history and culture as well as the forces shaping this minority group in the U.S. From DREAMers, the mass incarceration of Latino males, and the controversial relationship between Latin America and the United States, Ilan Stavans seeks to understand the complexities and unique position of Latino Americans. Throughout, he breaks down the various subgroups within the Latino minority: Mexican Americans, Dominican Americans, Cuban Americans, Puerto Ricans on the mainland, and so on, and the degree to which these groups constitute or don't a homogenous community, their history, and where their future challenges lie. Stavans, one of the world's foremost authorities on global Hispanic civilization, sees Latino culture as undergoing dramatic changes as a result of acculturation, changes that are fostering a new mestizo identity that is part Hispanic and part American. However, Latinos living in the United States are also impacting American culture. As Ilan Stavans argues, no other minority group will have a more decisive impact on the future of the United States.

Latinidad at the Crossroads, 2021-04-26. In *Latinidad at the Crossroad: Insights into Latinx identity in the Twenty-First Century*, Gerke and González Rodríguez provide flashing glimpses into the ways in which Latinas/os struggle to forge their multiracial and multicultural identities within their own communities and in mainstream U.S. society. This volume encompasses an interdisciplinary perspective on the complex range of *latinidades* that confronts stereotypical connotations and simultaneously advocates a more flexible redefinition that may overcome static collective representations of identity, ethnicity, and belonging. Well positioned in the current political context, the notion of *latinidad* is examined as a complex sociological phenomenon of identity construction which is affected by outside influences and is used as a powerful linguistic, cultural, and ideological weapon to denounce oppression and deconstruct stereotypes. Including chapters from foundational and influential scholars, this collection moves towards a dynamic exploration of how Latinx are remapping their identity.

line by restless line Sublime Mesmerizing Heroic Major Jackson The New York Times Book Review A fraught song of the self composed of subtleties and exclamations Hilton Als The New Yorker *Akrilica* Juan Felipe Herrera, 2022-06 Originally released as a bilingual collection in 1989 by Stephen Kessler's Alcatraz Editions Juan Felipe Herrera wrote the poems of AKR LICA starting in 1977 occasioned by the energy and dialogue that he encountered upon meeting writer and co-conspirator Francisco X Alarcón in 1954. Through a new interview included here and through his own Visual Introduction archival photographs from his travels across the Americas and new art created in conversation with the collection, Herrera offers a rich set of references, inspirations, and influences that shaped AKR LICA while sharing his take on this singular book's place in his development as a poet and multimedia artist. This new edition and new translation of AKR LICA arrives now to expand the political and artistic possibilities that form our current horizon. This project is not one of inclusion or recovery. This is a project of retrieval. We steal AKR LICA away from literary institutions, away from the discipline of literature as such, and away from traditions of experimental poetics that should hope to claim it. Oriented toward the liveliness of the imagination, committed to fundamentally changing itself in order to meet the moment, AKR LICA belongs somewhere else; it belongs in the hands of those finding one another in a gathering that has yet to take place. Edited by Anthony Cody, Carmen Giménez, Farid Matuk. Poetry, Latinx Studies. *How to Cut a Woman in Half* Janis Harrington, 2022-11-25 Janis Harrington's *How to Cut a Woman in Half* is a testament to resiliency in the throes of mounting family tragedies and trials beyond human comprehension. This odyssey from loss toward recovery and hope celebrates the boundless love and support between siblings. Using an adapted sonnet form, Harrington has wrought a taut and spellbinding tale in this finalist for the 2020 Able Muse Book Award. PRAISE FOR HOW TO CUT A WOMAN IN HALF In this stunning sequence of sonnets, a sequence that reads like a novel in which each sonnet is so masterfully crafted that its form disappears into the story it tells, Janis Harrington spins a larger narrative of intergenerational family tragedy but also of sisterly devotion and resilience. The whole sweep of it is so compelling that once I started reading, I couldn't stop. *How to Cut a Woman in Half* takes the reader through shock and grief and then very subtly and tenderly back from the edge of an abyss. Cecilia Woloch, author of *Tsigan: The Gypsy Poem* and *Earth*. These deft narrative sonnets beautifully contain painful restraint and the breaking of sorrow; the slant and partial rhymes refuse to meet expectations for grieving an intentional death. We look at each other still as the motionless hands on the clock's face marooned in this spotless silent house, nothing on the horizon to save us. The sisters save each other, learning to appreciate the ordinary miracle of dawn. April Ossmann, author of *Anxious Music* and *Event Boundaries*. These carefully wrought sonnets take readers on a journey to grief's center as the speaker supports her sister through new widowhood and, in the process, rediscovers and explores her own submerged grief. Many poems take place in the liminal space between living and not-bardo moments that contain all my life's partings. It is striking how fully present the speaker is in the experience of mourning and how well suited the sonnet form is for containing such deeply personal wells of human sorrow. A beautiful and
