The Half-Hearted John John Buchan, 2021-03-18 To say that Mr John Buchan s novel *The Half Hearted* is a psychological study would be to arouse in the breasts of many novel readers a dark but unfounded suspicion to describe it as a splendid story of adventure would be paying tribute to but a part of its sterling merit for it is a book far above the average out of the common in conception and very well written Englishmen have been warning each other for some time against possible dangers at home and abroad and this novel whether that danger be imaginary or not will probably be taken into consideration as one of the ablest efforts in this direction whatever be the need of its cry But it will hold the attention of readers on this side of the Atlantic as well for apart from its purpose it tells an excellent story well bred in its early chapters with the stamp of the true breeding of the English upper classes remarkable for its descriptions of the Scotch country while in its closing episode it tells as vivid a tale of intrigue and adventure as we have seen in many a day closing with a critical episode in the history of England in India a bit of prophesy and phantasy that is based so firmly upon present day political possibilities that it may well be accepted as true

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing or, if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original and, to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers. Generally, Trieste books are purchased singly on demand; however, they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates. *The Half-Hearted - Publishing People Series* John Buchan, 2020-11
