Hallow Point A Mick Oberon Job 2:

Hallow Point Ari Marmell, 2025-06-02 The hard boiled non stop patter packed fantasy noir series continues as PI Mick Oberon is caught in treasure hunt he can't afford to lose In 1930s Chicago being a private detective can get you bumped off as easy as breathing But Mick Oberon isn't your average shamus He's runaway fae royalty from the Otherworld who hung up his shingle packs a wand instead of a heater loves warm milk and has a serious iron allergy Hey a nigh immortal guy's gotta make a living right That's why Mick agrees to help the cops when someone breaks into the Field Museum Strange thing is they didn't steal anything In fact they added something Something Mick really doesn't want in his town the Spear of Lugh which grants invincibility in battle to whoever wields it The problem is some other mug steals it just as fast as it appeared With the spear in play a whole slew of very heavy hitters from both worlds are coming to the Windy City to claim it as their own And that means trouble like Mick has never seen before and is unlikely to see again Because you tend not to see anything when you're stone dead Among the best urban fantasy novels I have read *Rising Shadow* *Hallow Point* Ari Marmell, 2015-08-18 The Spear of Lugh one of the four Kingly Hallows of Ireland is in Chicago And everyone everyone wants it for it is said that he who carries the spear into battle cannot be defeated Among those who seek it are an agent of the infamous Wild Hunt a mobster who knows far more about these things than he should and of course both the Seelie and Unseelie Courts the last people PI Mick Oberon would want getting hold of the spear
