Billingsley, Mary Lynn Boscardin, Jean B. Crockett, 2018 **Restructuring Leadership for School Improvement and Reform** Abdallah, Asma Khaleel, Alkaabi, Ahmed M., 2023-04-11 The quality of school leadership has a big impact on improvement and inspection outcomes Good school leaders ensure that their teachers have the resources they need to be successful They also create a positive culture where teachers feel supported and appreciated This leads to better morale and higher retention rates Additionally good school leaders can effectively communicate the school s vision to all stakeholders This ensures that everyone is on the same page and working towards the same goals Restructuring Leadership for School Improvement and Reform investigates cooperation staff development resource supply vision transparency workplace stress

management and professional development for school leaders as methods for creating a healthy school culture This premier reference source is ideal for administrators instructional designers researchers academicians scholars practitioners instructors and students

Empowering Formal and Informal Leadership While Maintaining Teacher Identity

Zugelder, Bryan S.,2021-05-07 Teacher leadership remains at the forefront of conversations in teacher education with discussions on recruitment retention and effectiveness Teachers are at the core of schooling and the roles they assume and types of leadership they engage in are multi dimensional Teacher leadership comes in many shapes and definitions In this sense both opportunities and challenges exist in teacher leadership While national competencies continue to define dispositional and knowledge base for teacher leaders there is still work to be done to define and add to the body of scholarship on this topic Teacher leadership opportunities provide development for teachers as a key retention strategy however role ambiguity presents challenges in how to empower teachers for formal and informal roles of leadership while maintaining the teacher identity Empowering Formal and Informal Leadership While Maintaining Teacher Identity provides a comprehensive look at the opportunities and challenges of teacher leadership drawing on research and practice that add to the body of knowledge for teacher leadership which is a niche in education that differs from educational administration Highlighted topics within this book include models for teacher leadership teacher education types of leadership roles the development and retention of teacher leaders and leadership across different types of school districts This book is ideally designed for inservice and preservice teachers administrators teacher educators practitioners researchers academicians and students interested in teacher leadership roles and the way in which teacher identity is maintained in relation to these other leadership positions

International Research in Education Sciences VII Murat Demirekin,2024-02-03

Global Leadership for Social Justice Christa Boske, Sarah Diem, 2012-06-28 Global Leadership for Social Justice **A Global Perspective of Social Justice Leadership for School Principals** Pamela S. Angelle, 2017-05-01 Within education there have been some notable attempts to frame social justice in ways that can help to explain and understand the practices of those working in schools especially school leaders The research contained in this book seeks to enhance our understanding of school leaders actions as they work to promote socially just practices and or outcomes in a range of different national contexts The unique nature of this research is that studies took place in numerous schools across the globe in a variety of contexts yet utilized the same research protocols This has allowed the researchers to draw conclusions at an international level about social justice decision making the supports and barriers brought on school leaders by national policy and mandates and the essential nature of context in the work of social justice leadership The audience will include scholars on a global scale given that cases in the book include authors and principals from around the world The book can also serve as a text for leadership preparation courses as well as courses in social justice research design and qualitative research methodologies Courses in human relations and communication can use the content as examples of the negotiations and challenges of teamwork in international settings A primary audience for the book is system school level leaders in contexts and communities throughout the world for understanding comparative leadership and social justice decision making Current principals will find the cases useful as

reflexive tools for their own work Educational leaders educational reformers and policy makers will benefit from this book as they seek to understand the impact of their work and its influence on promoting equity in schools across the globe

Research in Education ,1969 **Effects of Leadership on Perceived Job Satisfaction and Influence Among Intermediate School District Special Education Personnel in Michigan** Megan Haupt Oberlin,1979 *Educational Leadership* Carolyn S. Carr,Connie L. Fulmer,2004-07-29 The twelfth annual yearbook of the National Council of Professors of Educational Administration represents the latest work and research of NCPEA members who include both professors and practitioners of educational leadership This collection of essays represents the current thinking in educational administration and principal preparation and is an excellent resource for leadership preparation programs *Michigan Postsecondary Admissions & Financial Assistance Handbook* Michigan. Department of Education,1989 *Research in Education* ,1971
Journal of School Leadership ,2004 *Comparative Perspectives on Inquiry-Based Science Education* Bevins, Stuart,Lehane, Louise,Booth, Josephine,2019-03-15 The core practice of professional scientists is inquiry often referred to as research If educators are to prepare students for a role in the professional scientific and technological community exposing them to inquiry based learning is essential Despite this inquiry based teaching and learning IBTL remains relatively rare possibly due to barriers that teachers face in deploying it or to a lack of belief in the teaching community that inquiry based learning is effective Comparative Perspectives on Inquiry Based Science Education examines stories and experiences from members of an international science education project that delivered learning resources based around guided inquiry for students to a wide range of schools in 12 different countries in order to identify key themes that can provide useful insights for student learning teacher support and policy formulation at the continental level The book provides case studies across these 12 different settings that enable readers to compare and contrast both practice and policy issues with their own contexts while accessing a cutting edge model of professional development It is designed for educators instructional designers administrators principals researchers policymakers practitioners and students seeking current and relevant research on international education and education strategies for science courses *Creating Caring and Supportive Educational Environments for Meaningful Learning* Daniels, Kisha,Billingsley, Katrina,2018-09-14 This title is an IGI Global Core Reference for 2019 as it is edited by leading education scholars from Duke University and contributed by over 22 leading education scholars from the U S this publication provides the latest research on creating a well rounded education system through blending technical and human aspects of learning With comprehensive coverage on fostering relationships multicultural responsive learning parent engagement and more this book is ideally designed for teachers administrators researchers and academicians Creating Caring and Supportive Educational Environments for Meaningful Learning is a collection of innovative research on the practical and theoretical questions involved in organizing traditional and nontraditional areas of study around themes of care and support for students within the framework of current educational

systems and standards While highlighting topics including service learning ethics of care and student mental health this book is ideally designed for teachers administrators researchers and academicians seeking current research on the importance and ethics of the human aspects of education
