Volume II Bruce M. Shore,Mark W. Aulls,Marcia A. B. Delcourt,2017-09-25 A companion to Inquiry in Education Volume I The Conceptual Foundations for Research as a Curricular Imperative Volume I presents the arguments for the necessary inclusion of inquiry driven learning and instructional experiences in any modern school curriculum Volume II illustrates how educators in a range of settings have dealt with obstacles to successful implementation of inquiry based approaches Each chapter focuses on a particular barrier or barriers and has a primary focus on learners teachers or the curriculum The stories reflect highly varied learning contexts ranging from infancy to university from the classroom to a range of out of school contexts Abolish Criminology Viviane Saleh-Hanna,Jason M. Williams,Michael J Coyle,2023-08-25 Abolish Criminology

presents critical scholarship on criminology and criminal justice ideologies and practices alongside emerging freedom driven visions and practices for new world formations The book introduces readers to a detailed history and analysis of crime as a concept and its colonizing trajectories into existence and enforcement These significant contexts buried within peculiar academic histories and classroom practices are often overlooked or unknown outside academic spaces This causes the impact of criminology's racializing gendering sexualizing histories to extend and grow through criminology's creation of crime as a very limiting way of thinking about violence and what can be done about it These limitations allow the concept of crime to be weaponized and enforced through the criminal legal system Abolish Criminology offers an accessible critical study of criminology in written visual and poetic forms and through the perspectives of university students professors imprisoned and formerly imprisoned scholars poets and visual artists This allows readers to engage in multi sensory inter disciplinary and

multi perspective teachings on criminology s often discussed but seldom interrogated mythologies on violence and danger while bringing to light the wide reaching enforcements of violence through criminology s research theories agencies and dominant cultures Abolish Criminology serves the needs of undergraduate and graduate students and educators in the social sciences arts and humanities It will also appeal to scholars researchers policy makers activists community organizers social movement builders and various reading groups in the general public who are grappling with increased critical public discourse on policing and criminal legal reform or abolition Research in Education ,1974 Resources in Education ,1984 Research in Education ,1972 Handbook of Research on Teacher Education John P.
