Los Banqueros De Franco:

Los banqueros de Franco Mariano Sánchez Soler, 2005 Conspiraron contra la República y pagaron los gastos del golpe militar del 18 de julio de 1936 la compra de armamento los barcos las operaciones con Italia y Alemania e incluso seguros de vida para los familiares de los golpistas Desde el Dragon **A People Betrayed** Paul Preston, 2020-06-16 Nowhere does the ceaseless struggle to maintain democracy in the face of political corruption come more alive than in Paul Preston s magisterial history of modern Spain The culmination of a half century of historical investigation A People Betrayed is not only a definitive history of modern Spain but also a compelling narrative that becomes a lens for understanding the challenges that virtually all democracies have faced in the modern world Whereas so many twentieth century Spanish histories begin with Franco and the devastating Civil War Paul Preston s magisterial work begins in the late nineteenth century with Spain s collapse as a global power especially reflected in its humiliating defeat in 1898 at the hands of the United States and its loss of colonial territory This loss hung over Spain in the early years of the twentieth century its agrarian economic base standing in stark contrast to the emergence of England Germany and France as industrial powers Looking back to the years prior to 1923 Preston demonstrates how electoral corruption infiltrated almost every sector of Spanish life thus excluding the masses from organized politics and giving them a bitter choice between apathetic acceptance of a decrepit government or violent revolution So ineffective was the Republic which had been launched in 1873 that it paved the way for a military coup and dictatorship led by Miguel Primo de Rivera in 1923 exacerbating widespread profiteering and fraud When Rivera was forced to resign in 1930 his fall brought forth a succession of feeble governments stoking rancorous tensions that culminated in the tragic Spanish Civil War With astonishing detail Preston describes the ravages that rent Spain in half between 1936 and 1939 Tracing the frightening rise of Francisco Franco Preston recounts how Franco grew into Spain s most powerful military leader during the Civil War and how after the war he became a fascistic dictator who not only terrorized the Spanish population through systematic oppression and murder but also enriched corrupt officials who profited from severe economic plunder of Spain s working class The dictatorship lasted through World War II during which Spain sided with Mussolini and Hitler and only ended decades later in 1975 when Franco s death was followed by a painful yet bloodless transition to republican democracy Yet as Preston reveals corruption and political incompetence continued to have a corrosive effect on social cohesion into the twenty first century as economic crises Catalan independence struggles and financial scandals persist in dividing the country Filled with vivid portraits of politicians and army officers revolutionaries and reformers and written in the absorbing Economist style for which Preston is so revered A People Betrayed is the first historical work to examine the continuities of political unrest and national anxiety in Spain up until the present providing a chilling reminder of just how fragile democracy remains in the twenty first century **Hitler's Shadow Empire** Pierpaolo Barbieri, 2015 Pitting fascists and communists in a showdown for supremacy the Spanish Civil War has long been seen as a grim dress rehearsal

for World War II Francisco Franco's Nationalists prevailed with German and Italian military assistance a clear instance it seemed of like minded regimes joining forces in the fight against global Bolshevism In Hitler's Shadow Empire Pierpaolo Barbieri revises this standard account of Axis intervention in the Spanish Civil War arguing that economic ambitions not ideology drove Hitler's Iberian intervention The Nazis hoped to establish an economic empire in Europe and in Spain they tested the tactics intended for future subject territories The Spanish Civil War is among the 20th century military conflicts about which the most continues to be published Hitler's Shadow Empire is one of few recent studies offering fresh information specifically describing German trade in the Franco controlled zone While it is typically assumed that Nazi Germany like Stalinist Russia became involved in the Spanish Civil War for ideological reasons Pierpaolo Barbieri an economic analyst shows that the motives of the two main powers were quite different Stephen Schwartz Weekly Standard

Eduardo Barreiros and the Recovery of Spain Hugh Thomas, 2009-02-10 Born in an impoverished region of Galicia possessed of little education and less money Eduardo Barreiros 1919 1992 rose to become an immensely successful entrepreneur and one of Spain's most prominent industrialists This book offers a detailed portrait of his personality character and entrepreneurial endeavours **Papa Spy** Jimmy Burns, 2012-11-06 In the 1930s Tom Burns was a rising star of British publishing whose friends and authors included G K Chesterton Evelyn Waugh Graham Greene the artist Eric Gill and the poet David Jones And among his glittering social circle he had set his heart on the beautiful Ann Bowes Lyon cousin of the Queen When war was declared in 1939 Burns joined the Ministry of Information effectively the propaganda wing of the secret services Sent to Madrid as press attaché at the British Embassy where the Ambassador was the formidable and very Protestant Sir Samuel Hoare Burns used his faith and his deep love of Spain in the propaganda war against the Nazis who at the time had nearly unrestricted access to the Spanish media Burns' brief was to do all in his power to keep Franco neutral and so protect Gibraltar and access to the western Mediterranean The strategy was simple but the tactics were more complicated especially when Burns found he had begun to make enemies at home not least among them Kim Philby and Anthony Blunt head of the MI6's Iberian section By 1941 he felt far from the real fighting Ann had pledged herself to another man and Burns was spending as much time protecting his back as fighting the Nazis How he overcame these odds was involved in the Man Who Never Was decoy plot arranged Leslie Howard's fatal propaganda trip to Portugal and Spain and finally found true love while loyally serving his country is the story told in this extraordinary book by his son **Fables of Development: Capitalism and Social Imaginaries in Spain (1950-1967)** Ana Fernández-Cebrián, 2023-05-15 An Open Access edition of this book is available on the Liverpool University Press website and the OAPEN library as part of the Opening the Future project with COPIM Fables of Development Capitalism and Social Imaginaries in Spain 1950 1967 focuses on a basic paradox why is it that the so called Spanish economic miracle a purportedly secular rational and technocratic process was fictionally portrayed through providential narratives in which supernatural and extraordinary

elements were often involved In order to answer this question this book examines cultural fictions and social life at the time when Spain turned from autarchy to the project of industrial and tourist development Beyond the narratives about progress modernity and consumer satisfaction on a global and national level the cultural archives of the period offer intellectual findings about the expectations of a social majority who lived in the precariousness and who did not have sufficient income to acquire the consumer goods that were advertised Through the scrutiny of interdisciplinary archives literary texts cinema newsreels comics and journalistic sources among other cultural artifacts each chapter offers an analysis of the social imaginaries about the circulation and distribution of capital and resources in the period from 1950 when General Franco s government began to integrate into international markets and institutions following its agreements with the United States to 1967 when the implementation of the First Development Plan 1964 1967 was completed
