Dann, 2001 Well known for his imaginative treatment of environmental issues Kevin Dann presents a natural history of the Lewis Creek watershed in Vermont's Champlain Valley told largely through the lives and thought of three individuals whose investigations brought them into close contact with the area Congregationalist minister John Perry 1825 1872 conducted paleontological research on the region's Paleozoic rock and attempted to negotiate his era's confrontation between science and religion Rowland Robinson 1833 1900 was a Quaker farmer and author artist whose historical fiction often dealt with issues of human impact on this watershed The first plant hunting expeditions of another Quaker farmer and noted plant collector Cyrus Pringle 1838 1911 took place in this watershed as well Dann's account of these three men whose lives span nearly a century graphically illustrates contemporary human nature relationships at the same time that it suggests the limits of science in circumscribing our experience of the physical landscape The experience of pain and loss is documented along with the stories of success and celebration since as Dann writes Genuine places like human hearts have dark recesses within them and by examining these recesses within the Lewis Creek watershed we take a small step toward demythologizing Vermont **40 Hits, 40 Stories** Rick Simmons, 2022-11-08 Innovative sounds in pop rock and soul in the 1960s and 1970s meant that music appealed to more people than ever before While some songs appealed to a broad audience some targeted a much narrower demographic meaning songs on the pop charts might not do as well on the adult contemporary or soul charts or vice versa This book examines forty songs featured on song charts of the 1960s and 1970s Charts considered are Billboard Pop Billboard Soul Adult Contemporary Cashbox and British Charts Each listing includes discussion of the factors that contributed to the songs popularity Author interviews with songwriters musicians and artists such as KC of KC and the Sunshine Band Mark Farner of Grand Funk Jerry Butler Ron Dante of the Archies and the Cuff Links Freda Payne Lou Christie Tommy Roe The Spinners and others tell the stories behind some of the era's most popular songs **Lost and Found** Monica Tillery, JM Stewart, Alexia Adams, Jennifer DeCuir, Leslie P. Lost Boy Brent W. Jeffs, Maia Szalavitz,2010-07-13 In the polygamous Fundamentalist Church of Jesus Christ of Latter day Saints FLDS girls can become valuable property as plural wives but boys are expendable even a liability In this powerful and heartbreaking account former FLDS member Brent Jeffs reveals both the terror and the love he experienced growing up on his prophet s compound and the harsh exile existence that so many boys face once they have been expelled by the sect Brent Jeffs is the nephew of Warren Jeffs the imprisoned leader of the FLDS The son of a prominent family in the church Brent could have grown up to have multiple wives of his own and significant power in the 10 000 strong community But he knew that behind the group s pious public image women in chaste dresses carrying babies on their hips lay a much darker reality So he walked away and was the first to file a sexual abuse lawsuit against his uncle Now Brent shares his courageous story and that of many other young men who have become lost boys when they leave the FLDS either by choice or by expulsion Brent experienced firsthand the absolute power that church leaders wield the kind of power that corrupts and perverts those who will do anything to

maintain it Once young men no longer belong to the church they are cast out into a world for which they are utterly unprepared More often than not they succumb to the temptations of alcohol and other drugs Tragically Brent lost two of his brothers in this struggle one to suicide the other to overdose In this book he shows that lost boys can triumph and that abuse and trauma can be overcome and he hopes that readers will be inspired to help former FLDS members find their way in the world
