Love and Pain Miquel A. Powell,2012-04-01 The poetic side of sex love and pain **The Beauty In The Womb-Man** Rhonda Carroll,2004-02 The Beauty in the Womb Man is a self revealing work that turns the light on and shows you that you have valuable things to say outstanding words to share and eternal wisdom to give Having obtained a degree in Christian Counseling Dr Carroll embarked upon her own personal journey of self awareness self enhancement self enlightenment and self empowerment Through the years she has passed on this baton of power to women as she s traveled the world over Make no mistake about it you are included in this self realization and this reality will become clearer to you as you turn through the pages of this soul searching work Tantric Love Letters Diana Richardson,2012-05-16 Diana Richardson an acclaimed authority on human sexuality began a personal enquiry into the union of sex and meditation the essence of tantra over twenty five years ago while living in India Through these innocent steps and motivated by simple curiosity she gained deep insights into the spiritual and generative implications of sex that lie beyond its reproductive aspect She stresses that it is the how of sex and not the what of sex that determines the difference With additional information we can begin to honor the innate sexual intelligence that exists in our bodies as a subtle electro magnetic reality On this fine and delicate level man and woman function as equal yet opposite forces that are highly complimentary Embracing this polarity potential can elevate and transform sex into an empowering and spiritual act an experience that creates and sustains love peace and harmony Her simple down to earth and practical approach as presented in her books has created a wave of positive resonance and response from readers worldwide **Barnes** **Notes on the NT (Barnes)** Albert Barnes, Verse by verse the author covers the entire New Testament carefully and understandably explaining every verse and offering a practical application for Christian living *Love Vs. Rituals & Provocation* Samra Kiyani,2016-04-12 Love Vs Rituals a rejection of age old customs traditions and sarcastically called rituals crumbling of the established moral code disintegration of the social order collapse of the niceties and mutual respect between male female relations in their sober serene and sublime diversity and development of human animalism All of this has resulted from socio cultural imbalances The book is in fact an unpleasant journey through a societal order rampant with hypocrisy dualism and incongruity between moral standards established through the ages and now set and developed by the societal agents of change **The Public School Journal** ,1901 *The Life of Love: An Invitation: Fifty-two Reflections on Emotional and Spiritual Healing* Sharon Southwell,2014-10-26 Is love the place where psychological observation and spiritual wisdom about healing meet If love is associated with healing of all sorts how do I more consciously set about to grow in love seeking healing for myself and for my neighbours community and world How do I encourage others in their journeys into love Drawing on a broad Christian heritage a deep respect for the insights of other religious and spiritual traditions and two decades of work in welfare and clinical settings psychologist Sharon Southwell encourages spiritual seekers of all backgrounds to consider these questions for themselves Structured in 52

Reflections each followed by Invitations The Life of Love invites you to grow in love by embracing life giving connection to yourself to others your community to art nature and to your ultimate context whether you experience this as God or as some other immanent or transcendent spiritual connection If This Is Love, Why Do I Feel So Insecure? Carl Hindy, Ph.D.,J. Conrad Schwartz, Ph.D.,Archie Brodsky,1990-07-01 It doesn't have to hurt to be in love yet for many otherwise accomplished and confident people romantic involvement means anxiety insecurity and pain This provocative and authoritative sourcebook filled with true life stories and dramatic case histories will set every reader on a path of greater self understanding and increase the possibilities of finding an enduring love **The Philosophy of (erotic) Love** Robert C. Solomon,Kathleen Marie Higgins,1991 Solomon and Higgins have chosen excerpts from the great philosophical texts and combined them with the most exciting new work of philosophers writing today It examines the mysteries of erotic love from a variety of philosophical perspectives and provides an impressive display of wisdom that the world's best thinkers have brought and continue to bring to the study of love *Love, Sex, and Your Heart* Alexander Lowen,2013-01-16 Love Sex and Your Heart elucidates how emotional life and physical being are one mutually reflective as two sides of a coin Emotional life is tied to physical being and physical health is dependent on emotional well being Alexander Lowen's insight into these powerful connections offers an innovative approach to cardiovascular health and the treatment of heart disease Lowen examines the feeling of love as a physiological process in the body When this process is frustrated as in the case of heartbreak or isolation especially during childhood people suppress their pain by unconsciously rigidifying their chest muscles This results in a chronic restriction of breathing movement and feeling It is this tension that limits pleasure and predisposes so many to heart disease This book features the principles and therapeutic techniques to help people understand their fear of love release chronic muscular tension and become more loving It is essential reading for health professionals and anyone interested in the health of the heart **Thoughts & Feelings** Zypher Gibson,2018-10-23 This book is about thoughts and feelings of different types of people from different countries and so on It is a book of where people may feel betrayed hated or useless to another individual due to their behavior or thoughts which might have affected the other person negatively It is written towards different views of people from their perspectives Nature's God and the Nature of Man Joel R. Baseley,2024-12-26 Nature's God and the Nature of Man presents nature and the nature of man as God's Word the Holy Bible reveals it in Genesis 1:3 The author's recent translating project in Johann Arndt's True Christianity especially his Book 4 treating God's revelation in nature provided him a helpful pre enlightenment world view of God's revealing Himself in nature in stark contrast and opposition to the bold modern assertion by many that science has proven there is no God The children of this divorce of Dame Science from God leaves children confused for whom this book might be a mediation and some comfort 445 pages soft cover *Women Who Love Too Much* Robin Norwood,2008-04-08 Discusses loving too much as a pattern of thoughts feelings and behaviors which certain women develop as a response to various problems in their family
