Armstrong,2021-08-01 I am praying not only for these disciples but also for all who will ever believe in me through their message I pray that they will all be one just as you and I are one as you are in me Father and I am in you And may they be in us so that the world will believe you sent me John 17 20 21 NLT For most Christians these words of Jesus seem like an unreachable ideal Or they promise spiritual unity without a visible demonstration between real people Some even read these words with a sense of fear seeing this text used for a compromise agenda How should we understand this prayer offered for all who follow Jesus What if Jesus really intended for the world to believe the gospel on the basis of looking at Christians who live deep unity in a shared relationship with him What if there is way of understanding what Jesus desired so that we can begin anew to tear down the many walls of division that keep the world from seeing God s love in us Is our oneness much bigger and deeper than we could imagine John Armstrong has devoted three decades to the work of Christian unity His story and ministry have encouraged many around the world and now they are reflected in this memoir of a life devoted to unity

Love Makes Things Happen Peter Groves, 2022-11-30 We can't truly participate in prayer or worship or the sacraments or the reading of Scripture and so on in a way that is divorced from the doctrine of the Trinity or the Incarnation or the Resurrection Following on from its predecessor *Love Makes No Sense* each chapter in this book deals with central issues of Christian practice and presents an introduction to Christian doctrine without losing focus of the lived Christian life The book sets forth central aspects of Christian living and practice that are the natural expression of those doctrines when they are understood properly as a lived phenomenon

Catholic Discordance Massimo Borghesi, 2021-11-15 One element of the church that Pope Francis was elected to lead in 2013 was an ideology that might be called the American model of Catholicism the troubling result of efforts by intellectuals like Michael Novak George Weigel and Richard John

Neuhaus to remake Catholicism into both a culture war colossus and a prop for ascendant capitalism After laying the groundwork during the 1980s and armed with a selective and manipulative reading of Pope John Paul II's 1991 encyclical *Centesimus Annus* these neoconservative commentators established themselves as authoritative Catholic voices throughout the 1990s viewing every question through a liberal conservative ecclesial political lens The movement morphed further after the 9/11 terror attacks into a startling amalgamation of theocratic convictions which led to the troubling theopoliticism we see today The election of the Latin American pope represented a mortal threat to all of this and a poisonous backlash was inevitable bringing us to the brink of a true American schism This is the drama of today's Catholic Church In *Catholic Discordance: Neoconservatism vs the Field Hospital Church of Pope Francis* Massimo Borghesi who masterfully unveiled the pope's own intellectual development in his *The Mind of Pope Francis* analyzes the origins of today's Catholic neoconservative movement and its clash with the church that Francis understands as a field hospital for a fragmented world [Toward a catholic Christianity](#) Michael H. McCarthy, 2017-12-22 Critical belonging has been an essential feature of Christianity since its origin but the forms it assumes understandably differ with the specific challenges Christians rise to meet throughout history During the past two thousand years these challenges have covered a broad spectrum epistemic moral political economic religious and spiritual In our global society all of these challenges seem to be occurring at once Since no individual can meet all of them adequately Toward a catholic Christianity tries to show how by working collaboratively the people of God can credibly meet them together In this way the diversity and unity within the Roman Catholic community are explicitly acknowledged and affirmed For if that community is to become authentically Christian it will need to become more genuinely catholic *Authentic Liturgical Renewal in Contemporary Perspective* Uwe Michael Lang, 2017-07-27 The ongoing debates on the present state and the future of the Roman Catholic worship are not confined to specialists but are clearly of interest to a wider public as the responses to the *Sacra Liturgia* UK conference held in London in July 2016 have shown This volume contains the proceedings of the conference and raises the question of how to bring to fruition the insights and instructions of the Second Vatican Council and its key document on the liturgy *Sacrosanctum Concilium* in the life of the Church today The initial contribution from Robert Cardinal Sarah Prefect of the Congregation for Divine Worship and the Sacraments calls for a fuller implementation of *Sacrosanctum Concilium* Following on from this other leading figures and liturgical scholars such as Joris Geldhof David Fagerberg and Alcuin Reid examine Catholic worship from a variety of perspectives including historical pastoral social cultural and artistic themes Taken together these chapters present another crucial step along the route of authentic liturgical renewal in the contemporary world **Love Him Ever More** Fr. Joe Laramie SJ, 2022-09-09 Awarded second place in spirituality by the Association of Catholic Publishers and an honorable mention in classical spirituality by the Catholic Media Association Fr Joe Laramie North American director of the Pope's Worldwide Prayer Network offers a nine day retreat that draws on the wisdom of Ignatian spirituality and the Sacred Heart devotion to help you know God's love and
