Sexuality: God's Gift Anne Krabill Hershberger, 2010-06-17 Big business makes big money selling a phony notion of what we want and need as sexual people Ads insist that certain products will make us more sexually appealing But what we really want and need is true intimacy the knowledge that we matter to another person and are loved for who we are We all are sexual beings all of our lives and relate to each other sexually all the time God marvelously made us this way Using the metaphor of sexuality as a good gift from God this book offers Christian resources for living a sexually healthy and fulfilling life Extraordinarily comprehensive nuanced and sensitive even richer than its predecessor It is a splendid resource for all

- 1 the secret to becoming a male magnet and getting that marriage proposal
- 2 the secret to being alone without ever feeling

lonely 3 the secret of how God uses our bad experiences for our good and His glory 4 the secret of Gods true plan and purpose for sex 5 the secret of enjoying singlehood and dating 6 the secret to picking the right mate for marriage 7 most importantly the secret of how the bible is the greatest relationship manual ever written If you are one of those people who always asks Why your answer has finally arrived **Sex, God, and Rock 'n' Roll** Barry Taylor,2020-06-04 Each of us experience moments that shift the axis of our lives nudging us into new perspectives and sometimes altering our course completely These are thread threads that seem mundane silly or even trite but woven together over the course of a life bring us to places we never imagined Sex God and Rock n Roll is a story of such threads in one extraordinary life Barry Taylor began adulthood on the road with a world famous rock band and there he found religion He then became a theologian priest teacher and a theist non theist post theist Some of his stories will shock and others will provoke laughter and tears Taken together they will show just how poignantly the sacred moves in all of our lives *Sex God* Rob Bell,2010-01-02 Sex God You know the two subjects are connected you just don t have the words for how they are connected And they cannot be separated Where the one is you will always find the other When you actually live and feel and engage you discover that the physical things around us are like windows into more And when you talk about sexuality you quickly end up in the spiritual because this is always about that Something deeper Something behind it all You can t talk about sexuality without talking about how we were made About how we relate to each other About how we were made to relate to each other And that will inevitably lead you to who made us At some point you have to talk about God To make sense of the one we have to explore the other That is what this book is about *The Law of Love* Wylark Day,2002-12-09 What does it mean to be righteous To be holy By what standard will God judge us when we die As the Bible tells us in 1Corinthians 8 2And if any man think that he knoweth any thing he knoweth nothing yet as he ought to know For nearly two millennia Christians have followed the philosophy of Asceticism a philosophy which teaches that ignorance about sex is bestbecause it is based on Fear Yet God s philosophy is LOVE and to love requires knowledge In this the second volume of Sex and the Bible we will therefore take a very close look at the teachings of the Bible in order to discover what God really thinks about SEX Roll over St Augustine *Sex, God, and the Brain* Andrew Newberg,2024-08-06 For the modern world it seems as if sexuality and spirituality have always been at odds But what if the two are actually deeply connected And what if science could prove this connection From neuroscientist Andrew Newberg Sex God and the Brain argues that our religious and spiritual experiences derive directly from our sexual being While others have speculated on a connection between religion and sex Newberg is the first to demonstrate with groundbreaking brain scan research gained through Orgasmic Meditation studies that the underlying biological mechanism of religious spiritual and sexual experiences are identical With research technical enough for academics but explained simply enough for the everyday reader Sex God and the Brain will reframe our understanding of the link between spirituality and sexuality *The Conclusion of the Sexual Revolution* Wylark Day,2004-05-18 This is a book about sexual morality Not a

morality based on shame or tradition however but one based on combining the most up to date findings of sex researchers with the most ancient teachings of the Judeo Christian Bible In this book you will find that Private masturbation and public nudity are the two Pillars upon which all healthy attitudes towards Sex must be based Faithful heterosexual monogamy is God s Plan for Sex but a minority who deviate from this Plan such as homosexuals are nonetheless necessary for a whole society And that Virgin Sex for young adults which means enjoying sex play while rejecting intercourse is the Key to true romantic passion equality between the sexes and even to the very Future of Humanity At last A book that tells the truth about Sex and God

The Spirituality of Sex J. Harold Ellens,2009-03-20 This book describes the psychospiritual facts of life about the pervasiveness of sexuality in all aspects of human life The energy developed by our libido is the dynamic source of all the forces that shape our experience life motives thought feelings desires and spiritual longings No facet of life is untouched or unshaped by this dynamo Whether we are sitting in church at worship in a meeting for business in a party for pleasure we are always aware of the gender of those who are around us and of their level of sensuality as it impacts us If we are not aware of that some wounding has produced an impairment in us that has forced us to repress the awareness inappropriately This work is not a how to manual so much as a description of the deep meaningfulness that can be found in the spirituality of sex It is designed to enlighten us about ourselves to give names to what we all feel all the time and do not know quite how to describe It is about savoring the spiritual flavor of sexual play and sexual union This is a book for everyone from the inquiring adolescent to the mature adult looking for what is missing in sex and relationships This is not a book mainly for Christians or Jews It is about the generic human spirituality in every one of us true believer and atheist alike It is about being human more fully and with greater satisfaction Human spirituality is best defined as our irrepressible hunger and quest for meaning in all aspects of life Human sexuality is best defined as our irrepressible hunger and quest for union with other persons and the meaning of life found in the wholeness that such union brings Sexuality and spirituality are not two different things They are two names for the same thing the irrepressible human quest for meaning fulfillment union and wholeness They are not two different forces nor are they in any way at odds with one another as they have been made to seem in the polarizing attitudes about sexuality and spirituality popular in human society thanks to the excessive and negative moralization of sex Here Ellens sheds new light on the interplay of sexuality and spirituality through the use of anecdotes observation and thoughtful analysis
