WOULD YOU LIKE TO KNOW MORE It s all right here Download the book now and start impacting your Bible study TODAY Here is what men who have been in the study say about the impact it has had on their lives This process has allowed me to be emotionally vulnerable and still maintain self control to trust other men to be honest with myself and before God I ve had and seen other men have large positive changes in their self image which translates directly into stronger relationships here on earth and with Heaven There is no question in my mind that this is a program worth your time and involvement Dave 58

What I discovered as a result of being a part of this study changed my life I will use the techniques I gained for the rest of my life I would strongly encourage every man to participate in this process This is something that I have shared with others in my life and it NEVER fails to bring clarity As disciples of Christ we are all undergoing the process of sanctification Many of things we pursue hoping to experience a change leave us wanting It delivers I am a better man my walk with Christ is stronger than ever and I am a part of a band of brothers who truly sharpen one another Tony 53

This men s group provided a safe outlet to understand why I felt the way I did and to intentionally separate the data judgments and feelings that influenced my life I have prayed for Gods knowledge the strength to handle life s trials and the self control to trust God s plan and timing The answers I prayed for were right before me and I needed to see and accept them to become a better Christian father and husband My relationships with God my brothers in Christ wife and kids are stronger as a result of the work I brought to men s group and implemented in my daily life I wish I had access to this information when I was younger Mike 39
