Robert T. Francoeur,Martha Cornog,Timothy Perper,1999 Love sex and marriage are changing faster than ever before in human history The current tidal wave of social changes will continue into the next century and we will have to adapt our sexual values and relationships to these accelerating changes These 22 honest authentic stories tell of the unconventional paths pioneering church leaders and spiritually aware women and men have taken in their quest to link their sexuality with their spiritual needs Some might see in these unorthodox explorations only tales of promiscuous couplings But these are not stories of wild thrill seekers These are tales told from the core of their being about their deeply felt need for genuine responsible love and intimacy within a spiritual context Their journeys do not promise paradise or instant happiness as popular magazines do with recipes for lifelong marital bliss and fiery passion These sojourners have much to teach us even when we decide that this or that path is not for us Their individual paths are not nearly as important as the simple message of God and Eros being inseparable that underlies journey God and Eros can come together in many different relationships And they must come together if we want to nourish and fulfill the divine spark at the core of our being These women and men challenge our assumptions and our willingness to adapt to our radically changing world     **1178 Actual Words to Rock Your Sex Life and Your Marriage** Nicholas Mag, The Miracle In this book Nicholas presents you a practical unique subliminal very simple detailed method of how to Rock Your Sex Life and Your Marriage You will feel the effects immediately and the results will appear very quickly So it was in my case You will not achieve fulfillment and happiness until YOU become the architect of your own reality Imagine that with a few moments each day you could begin the powerful transformation toward complete control of your own life and well being through this unique subliminal method combined with positive affirmations The order of words is extremely important for every book written by Nicholas These are arranged to be traversed in a certain way so as to eliminate certain blockages in the human being blockages that are bringing disease or failure on various plans You don t need a big chunk of your time or expensive programs Everything is extremely simple Health money prosperity abundance safety stability sociability charisma sexual vitality erotic attraction will optimism perseverance self confidence tenacity courage love loving relationships self control self esteem enthusiasm refinement intuition detachment intelligence mental calm power of concentration exceptional memory aspiration transcendence wisdom compassion You have the ability to unlock your full inner potential and achieve your ultimate goals This is the age old secret of the financial elite world class scholars and Olympic champions For example when you watch the Olympics you ll find one consistency in all of the champions Each one closes their eyes for a moment and clearly affirms visualizes themselves completing the event flawlessly just before starting Then they win gold medals and become champions That s merely one

Elliot D. Cohen, 2024-10-15 In making love one is elevated beyond the carnal desires it satisfies For the religious it is Divine for those who are not religiously inclined it is still a spiritual experience one of seamless solidarity a unity of two as one that defies mere orgasmic stimulation You don't have to make love to have sex Even strangers can be sexually attracted and have an orgasmic escapade But in the act of making love there is symbolic meaning that is felt through and through the sex act Two in love are joined in life and the sexual expression of this unison is deeply felt in the sex act itself This is sexual intimacy the making of love the likes of which is rarely if ever seen outside a loving relationship There is no escape from the philosophical dimensions of such a loving relationship It is as abstract as it is concrete in the ideals that ground it There is a mystery about it a kind of transcendent experience that defies translation into words Making and being in love are thus joined at the hip Loving relationships make the bed in which true lovers sleep Unfortunately many relationships flounder or never get off the ground Just having sex may ease the tension but it then becomes a means not truly an end in itself The moment the sex act ends the couple may retreat and fall into discord It is an oasis in a barren desert that provides temporary relief a titillating temporary escape from reality This book can help you to overcome the obstacles the unlovable habits that encumber your relationship both inside and outside the bedroom It can help to create the harmonic balance between your sex life and other aspects of your personal and interpersonal relationships which are preludes to making and being in love To accomplish this it applies a five step method based on Logic Based Therapy Consultation LBTC a popular form of evidence based philosophical counseling modality First it introduces you to six types of unlovable ways of thinking and acting and helps you to identify the ones that may be sabotaging your own relationship Second it shows you how to counter these self defeating habits with certain lovable goals virtues of love Third it helps you to identify and embrace a personal love philosophy that empowers you to reach for your lovable goals Fourth it provides core philosophical ideas that are key to any successful quest for romantic love Fifth it helps you construct a behavioral plan that applies your philosophies to making constructive changes in your relationship The latter may require making changes both inside and outside your relationship Thus this book also shows you how the problems you are having in one area of your life at work in your social life etc can affect the quality of your relationship inside and outside the bedroom and it offers guidance including self improvement exercises to overcome these impediments and attain enduring love and sexual intimacy      **Conscious Love** Alain Torres, Christopher Menné, Lucia Nicola Evans, Deborah Morehead, Lana Baumgartner, Kristina Shumilova, Deborah Nielsen, Joni Young, Sky Blossoms, Christine Dunn, Elena Estanol, Christopher Sherrod, Nan Akasha, 2016-05-11 Conscious Love Relationships On FIRE Explore New Paradigms of Love in this Fresh New Book with 11 Love Experts who Reveal Their
