canonical histories comedies and tragedies this study is the first to either contextualize Shakespearean folly within European humanist thought or to argue that Shakespeare's philosophy of folly is part of a subterranean strand of Western philosophy which itself reflects upon the folly of the wise This strand runs from the philosopher fool Socrates through to Montaigne and on to Nietzsche but finds its most sustained expression in the Critical Theory of the mid to late twentieth century when the self destructive potential latent in rationality became an historical reality This book makes a substantial contribution to the fields of Shakespeare Renaissance humanism Critical Theory and Literature and Philosophy It illustrates moreover how rediscovering the philosophical potential of folly may enable us to resist the growing dominance of instrumental thought in the cultural sphere

Much ADO about Nothing Nick Newlin, 2010-09 This cutting of Shakespeare's utterly charming and popular comedy MUCH ADO ABOUT NOTHING features five key scenes including Beatrice and Benedick's classic initial word battle and the uproarious hide and seek deception of the two lovers The next scenes are the brutal rejection of Hero at the altar by a deceived Claudio and the timeless manhandling of the English language by the bumbling constable Dogberry In the fifth and final scene Shakespeare resolves the play's conflicts and confusions and love reigns again This cutting really tells the story and includes some sidesplitting stage business particularly the back and forth physical and verbal parrying between Benedick and Beatrice

A Midsummer Night's Dream (Large Print 16pt) William Shakespeare Newlin(editor), William Shakespeare(Auth Newlin(Editor), 2011-04 This cutting focuses on three ridiculously funny and vibrant scenes from A MIDSUMMER NIGHT'S DREAM The first scene starts with Puck mistakenly anointing the eyes of the wrong lovers with love potion leading to a madcap chase scene between Helena Lysander Hermia and Demetrius Scene two features Bottom's magical transformation to an ass always an audience favorite The final scene is the classic play within a play where the Rude Mechanicals act out with tragical mirth the story of Pyramus and Thisbe with specific comic suggestions for the characters including Lion chasing Thisbe into the audience
