Handbook Of Hiv Prevention Author John L Peterson Published On March :

Handbook of HIV Prevention John L. Peterson, Ralph J. DiClemente, 2012-12-06 In the nearly two decades since the HIV pandemic began the rapid expansion of behavioral research on HIV prevention has prompted a crucial need for a sourcebook more advanced than an introductory textbook and broader and more readily accessible than a review periodical. The Handbook of HIV Prevention is intended as the first attempt to meet this need. The current state of affairs led us to edit a book that would represent the major areas of HIV behavioral research at a level appropriate for graduate students and experienced researchers in public health medicine nursing education and the social and behavioral sciences. In addition we expect that the handbook will be useful in advanced undergraduate courses and as a reference book for health care professionals. Our plans to assemble the Handbook began in the fall of 1996 when we prepared a tentative outline of chapters and invited a large number of distinguished researchers in the field to be the authors of various chapters. We received an overwhelmingly favorable response from potential authors to our letters of invitation. After considerable effort by both the contributors and the editors the volume was completed in 1999 when all chapters went to press. **Michigan HIV Report**, 1995 **Choice**, 2000 **Current Catalog** National Library of Medicine (U.S.), 1993 First multi year cumulation covers six years 1965-70 Paperbound Books in Print 1995 Reed Reference Publishing, Reference Reed, 1995-12 **Whitaker's Books in Print**, 1998 Subject Guide to Books in Print, 1993 *The Continuum Complete International Encyclopedia of Sexuality* Robert T. Francoeur, Raymond J. Noonan, 2004-01-01 A completely updated one volume edition of the 4 volume International Encyclopedia of Sexuality. Includes nearly 60 countries and places 12 not previously covered by more than 200 authorities. It is the only reference work of its kind in any language. *Joyce in the Belly of the Big Truck; Workbook* Joyce A. Cascio, 2005-05 *American Book Publishing Record*, 2003 Index Medicus, 2003 Vols for 1963 include as pt 2 of the Jan issue Medical subject headings **The British National Bibliography** Arthur James Wells, 1992 **Handbook of HIV Prevention** John L. Peterson, Ralph J. DiClemente, 2000-02-29 The Handbook of HIV Prevention is intended to provide a comprehensive overview of the theories, methods and approaches for reducing HIV associated risk behaviors. It represents the first single source of information about HIV prevention research in developed and developing countries. The Handbook addresses the subject of HIV prevention from two interrelated perspectives. First it presents the seminal theories currently used to guide the development and implementation of HIV prevention interventions. Second it describes prevention approaches for diverse populations at risk of HIV infection. This Handbook provides a compilation of knowledge on HIV prevention by the leading authorities in the field and will be an important resource for students, researchers and clinicians in the field. *Abnormal Psychology, with Cases* Gerald C. Davison, John M. Neale, Ann M. Kring, 2004-02-27 Provides a variety of extended case studies from Oltmanns, Neale and Davison's CASE STUDIES IN ABNORMAL PSYCHOLOGY 6 E. The cases which are integrated in the text at the end of each disorder chapter are all based on actual clinical situations. Each case study

describes a specific clinical problem and provides a foundation on which to organize and further discuss the material in the chapter from cover **PAIS International in Print** Catherine Korvin,2003-05 This book contains bibliographic references with abstracts and subject headings to public and social policy literature and to world politics published in print and electronic formats international focus *Who's who in America* ,2003 **Forthcoming Books** Rose Arny,1990 *Who's who in the Midwest* ,2003 **Psychology** Stephen F. Davis,Joe Palladino,2005 Through this book s accessible active and applied approach users determine whether their learning style strengths are verbal linguistic logical mathematical visual spatial or interpersonal then receive personalized content specific study tips throughout the book By studying according to their own personal learning style strengths this book helps readers become more effective and efficient learners Research updates summarize recent research from sources like Scientific American Journal of Personality and Social Psychology Psychological Science Current Directions in Psychological Science and others A free accompanying copy of the Video Classics in Psychology CD ROM views classic experiments like Milgram s obedience study Watson s Little Albert Bandura s Bobo doll Pavlov s dogs Harlow s monkeys and others Industrial Organizational coverage is expanded to show how psychology is used in the workplace sports law and real lives Who's who in the West ,1992
