Baker, 2021-12-12 The essence of research design is the ability to articulate your research question The research question is the precursor to the study and a well crafted question encapsulates all of the design elements for that study Based on more than 20 years of conducting research collaborating with colleagues to formulate research projects and experience advising doctoral students author Dr Elizabeth Betsy A Baker forged a research design heuristic which she introduces in this book She starts by dissecting the anatomy of a qualitative research question outlines the role of paradigms in research design describes strategies to use the anatomy as a design heuristic and provides sample cases that track the decisions two researchers made while formulating a qualitative question The book concludes with advice on how to move from the research question to the proposal Throughout the author provides handy worksheets that readers can complete as they work on crafting their own research question

After the Happily Ever After: Empowering Women and Mothers in Relationships Linda Rose Ennis, 2017-09-01 This book is about the two tiered system and invisible imbalance that operates within the framework of the family It is about the fantasy of the happily ever after which the wedding industry promotes and Western society reinforces Why are we hanging onto this faux happiness at the expense of our future well being Why don't we wonder what happened after they lived happily ever after and if in fact they really do What I hope to achieve by writing this book is to rattle the cage of young brides about to embark on this journey to talk about these issues with their future partners and to set the system up in a more equal way so no one is caught off guard if and when things crumble It will be difficult to achieve this task because no one wants to think about things falling

apart before the marriage even begins and most certainly it sours the sweetness of the fantasy of the happily ever after as we know it What we don't realize is that there will be less bitterness and upset for the family especially for the children if we pursue this line of thinking Isn't that the real happily ever after
