Thunder and Love Stephen S. Smalley, 2013-01-24 The title Thunder and Love speaks of the passion and compassion of the writer of Revelation That exciting but sometimes perplexing New Testament document is the subject of Dr Smalley s fascinating study His book combines the depth of research required for the serious scholar of apocalyptic literature with many fresh insights and surprising conclusions for the inquiring reader We are given here not only a new appreciation of the text of Revelation and of the volatile community for which John wrote but also a sharp application of its message to the needs of our present spiritual social and political situation Timely Topics Henry Romaine Pattengill, 1899 **Power, Love and Evil** Wayne Cristaudo, 2008 Love and evil are real they are substances of force fields which contain us as constituent parts Of all the powers of life they are the two most pregnant without meaning hence the most generative of what is specifically human Love and evil stand in the closest relationship to each other evil is both what destroys love and what forces more love out of us it is as Augustine astutely grasped privative requiring something to negate but it is also born out of misdirected love Breaking with na ve realist and post modern dogmas about the nature of the real this book provides the basis for a philosophy of generative action as it draws upon examples from philosophy literature religion and popular culture While this book has a sympathetic ear for ancient and traditional narratives about the meaning of life it offers a philosophy appropriate for our times and our crises It is particularly directed at readers who are seeking for new ways to think about our world and self making and who are as dissatisfied with post Nietzschean and post Marxian 20th century social theory as they are by more traditional philosophical and naturalistic accounts of human being *The International Critical Commentary on the Holy Scriptures of the Old and New Testaments: Ephesians and Colossians* Samuel Rolles Driver, Charles Augustus Briggs, 1903 **Praying with the Bible** Nikolaas Sintobin SJ, 2025-01-16 You can read the Bible You can study the Bible You can also pray with the Bible Bestselling author Nikolaas Sintobin is your guide to making your bible a new way of praying The Ignatian way of praying with the Bible is simple and subtle at the same time It is accessible to young and old alike There are no prerequisites You can pray with it for five minutes you can pray with it for an hour or more This easy to read book gives you fifty tips on all possible aspects of this way of praying with the Bible Following on from the fifty tips is a sequence of fifty Bible texts With each text you get a short commentary and three suggestions for praying with it Together they form a retreat called Following him This retreat introduces you at your own pace to praying with the Bible with a special focus on Jesus **What's Your Road, Man?** Hilary Holladay, Robert Holton, 2009 Combining essays from renowned Kerouac experts and emerging scholars What s Your Road Man draws on an enormous amount of research into the literary social cultural biographical and historical contexts of Kerouac s canonical novel Since its publication in 1957 On the Road has

remained in print and has continued to be one of the most widely read twentieth century American novels *Communal Holiness in the Gospel of John* Musa Victor Mdabuleni Kunene, 2012-06-14 In this book the author contends that communal holiness is the central theme of the vine metaphor in John 15 1 17 Illumination of the Johannine vine metaphor is illustrated by drawing on background information on the vine and its metaphorical usage in the Ancient Near East Old Testament and Second Temple Period and to suggest understanding in light of the communal holiness of the covenant people of God Comparing the themes of holiness and corporateness pertinent to the covenant the book also reflects the covenant with Israel in relation to John s understanding of the people of God The notion of covenant which embraces reference to the people of God as vine vineyard in the Old Testament and Second Temple Period underlies John s vine metaphor The book focuses research on ANE viticulture to determine the context s of when the vine was used to refer to Israel in a covenant relationship with God In this historical context the Johannine vine metaphor receive fresh meaning and relevance for the people of God

Bookseller and Stationer ,1923 *New York Magazine* ,1980-03-24 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Apocalypse and Post-Politics* Mary Manjikian, 2012-03-16 Mary Manjikian s *Apocalypse and Post Politics The Romance of the End* advances the thesis that only those who feel the most safe and whose lives are least precarious can engage in the sort of storytelling which envisions erasing civilization Apocalypse themed novels of contemporary America and historic Britain then are affirmed as a creative luxury of development Manjikian examines a number of such novels using the lens of an international relations theorist identifying faults in the logic of the American exceptionalists who would argue that America is uniquely endowed with resources and a place in the world both of which make continued growth and expansion simultaneously desirable and inevitable In contrast Manjikian shows apocalyptic narratives explore America as merely one nation among many whose trajectory is neither unique nor destined for success Apocalypse and Post Politics ultimately argues that the apocalyptic narrative provides both a counterpoint and a corrective to the narrative of exceptionalism Apocalyptic concepts provide a way for contemporary Americans to view the international system from below from the perspective of those who are powerless rather than those who are powerful This sort of theorizing is also useful for intelligence analysts who question how it all will end and whether America s decline can be predicted or prevented [A Critical and Exegetical Commentary on the Epistles to the Ephesians and to the Colossians](#) Thomas Kingsmill Abbott, 1897 **The International Critical Commentary on the Holy Scriptures of the Old and New Testaments: Ephesians, Colossians, by T.
