Leigh Corbett, 2015-12-01 Tragedy strikes Blake shortly after her high school graduation the death of someone close to her changes her entire world Or does the entire world change with her In a psychological romantic thriller that challenges the fabrics of reality Blake must piece together fact from fiction in order to discover the mystery of *The Lovers Tree* **The ID: The Art Of Being Human** Alexa Leigh Corbett, 2009-10-28 This poetry book was written by Alexa Leigh Corbett an 18 year old college student at Northern Arizona University Originally blogging either daily or weekly it became a cathartic habit over the past year When tragedy struck Alexa's life in June 2009 not even one month after graduating high school she turned to the one thing that had helped her through all the hardships in her life Ironically Alexa will joke that when she took a creative writing class back in her junior year of high school she really did not like poetry in the least but I guess some things just grow on you This emotional read is filled with laughs cries jokes sayings that will leave you wondering why we're here and help people appreciate the smaller things in life and learn that every day is truly a gift *Athenaeum and Literary Chronicle*, 1908
