Loyalty To God The Apostles Creed In Life And Liturgy:

Loyalty to God Theodore W. Jennings, 1992 *Loyalty to God The Apostles Creed in Life and Liturgy* offers an interpretation of the Apostles Creed addressing the subject from both biblical and contemporary theological perspectives Theodore W Jennings Jr asserts that the Creed is a vow of loyalty to the God who adopts liberates and empowers us Jennings interpretation follows the outline of the Apostles Creed and focuses on the biblical texts on which the Creed is based He provides notes indicating both ancient and contemporary interpretations of the Creed s clauses under discussion He focuses on the implications of what it means to use expressions such as credo and I believe This book is intended for pastors as well as professors and students of Systematic Theology Church History and Worship *The Life We Claim* Rev. James C. Howell, 2011-07-01 Using the Apostles Creed as the primary text this book explores what we believe as Christians and how those beliefs are relevant today The author s goal is to help pastors educate and transform members of their congregations He examines the Creed phrase by phrase in brief sections suitable for congregational study or for emailing to the congregation For each phrase in the Creed a deeper reflection provides material for preaching a 13 sermon series or for further congregational study A detailed appendix includes recommendations of hymns and songs related to each phrase in the Creed the suggestions are keyed to several hymnals and songbooks *Faithful in the Meantime* Barry L. Callen, 2017-06-27 Barry Callen is a church theologian in the finest sense In this book he once again brings the commitments nurtured by Pietist Anabaptist and Wesleyan theological streams into conversation with the issues and debates in contemporary church life and with the most formative voices in contemporary theology The result is a convincing reminder that Christian teachings about ultimate things eschatology are much more concerned with providing hope and direction for living faithfully in our present settings than they are with providing timetables for the future His exposition of the role of the church and sacrament in nurturing such hope is particularly helpful Randy L Maddox Professor of Wesleyan and Methodist Studies Duke University Divinity School In a day when fanciful end times speculations abound the church does well to give heed to voices that call us back to the fundamentals of biblical eschatology Barry Callen is such a voice As he so forcefully declares rather than focusing on dates and times God calls us to be faithful in the meantime Stanley J Grenz Professor Emeritus of Theology Ethics Baptist Heritage Carey Theological College and Regent College The doctrine of last things is important because faith would be empty if it could not hope for the coming of the kingdom of God What we have in eschatology are not so much secrets about the future as images of God s final purposes which are meant to impact our every action and judgment Here we have thanks to Barry Callen a responsible informed interesting and up to date account of our blessed hope Clark H Pinnock Professor Emeritus of Theology McMaster Divinity College Barry L Callen is University Professor and Vice President of Academic Affairs Emeritus Anderson University Editor of Aldersgate Press author of *Radical Christianity* 1999 *Approaching Theology* 2015 *Heart of the Matter* 2016 and *Bible Stories for Strong Stomachs* 2017 *Living Our Beliefs* Kenneth L.

Carder,2009-10-01 You can believe anything and be a Methodist just so long as you re sincere Such a misperception has deep historical and cultural roots Explore a basic explanation of the beliefs and practices of the United Methodist Church as defined in Part II of The Book of Discipline Uncover a deeper understanding and experience of Christian faith as you embrace the United Methodist way Beliefs are to be lived doctrine is to be practiced writes Carder in this updated edition of his 1996 bestseller The authenticity of beliefs lie in their ability to shape people and communities into the image of Christ and to promote holiness and happiness The important test of the validity of doctrines and beliefs for United Methodists is the kind of character they produce in individuals and communities and the actions they inspire in the world Living Our Beliefs is essential reading for new members confirmation classes and small group studies As one reviewer says Bishop Carder invites us to both understand and live our beliefs With deep understanding of Wesley s teaching he inspires us to practice what we preach That is the United Methodist way The Leader s Guide for this course Living Our United Methodist Beliefs by George Hovaness Donigan may be purchased here [A Thematic Access-Oriented Bibliography of Jesus's Resurrection](#) Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease *The Faith of the Christian Church* Tyron Inbody,2005-04-14 Tyron Inbody has taught the basics of Christian theology for more than twenty five years Having seen over the years what issues and questions his students bring to class he now offers this engaging accessible introduction to all the major beliefs of the Christian faith Meant especially but not exclusively for readers new to theology Inbody s Faith of the Christian Church covers twelve traditional areas of Christian teaching theology revelation faith God creation suffering and evil humankind Jesus Christ salvation church sacraments and the end times Inbody also dives into provocative topics not usually treated in introductory texts creationism the devil miracles the virgin birth and more The book s broad ranging perspective which intentionally defies labels commends it to individuals and small groups from many church traditions Quote boxes and illustrations drawn

from popular culture make the text visually interesting and enjoyable to read Inbody does not hide his own stance on issues but presents a full range of interpretations and openly points readers to other possibilities they can pursue The Faith of the Christian Church offers just enough questions to provoke reflection and just enough answers to encourage readers to form their own grasp on the Christian faith Gathering Together Rodney Wallace Kennedy,Derek C. Hatch,2013-08-27

Concerned to think intentionally about liturgy in Baptist life and thought this book aims to address the practices of Christian worship in a theological light examining how each brings individual Christian believers and communities of faith to a greater understanding and embodiment of the gospel In this mode worship becomes a seamless garment that forms disciples of Christ and opens out toward the world In short theology worship and mission all intersect in the liturgical life of the body of Christ In addition to theological engagement with liturgical practices Gathering Together links reflection to praxis by offering sample patterns as a guide for reenvisioning the shape of Baptist and other free church worship Theology from the Trenches Roger J. Gench,2014-09-09 While urban pastors devote time and energy to all the typical demands of ministry they also grapple with challenges endemic to city life Achieving a measure of balance amid these competing demands and responsibilities can be daunting Using his experiences as a pastor in urban settings for nearly three decades Roger J Gench offers pastors a close look at the challenges that come from being involved in urban ministry Throughout he integrates memoir sermons and essays on social ministry and reflections on the theology and spirituality of parish life In each chapter Gench offers his own stories and reflections and then invites readers to consider the relevance for their own ministry Urban pastors will not only find themselves relating to Gench s experiences but will also uncover practical help for their ministry

Transforming Atonement Theodore W. Jennings,2009 Many books on the Christian doctrine of atonement have been published in recent years Some point out the difficulties of traditional atonement theories others attempt a revision of one of the classical three types others attempt to combine aspects of these types Jennings attempts something new by approaching the question of the meaning of the cross through close attention to the biblical passages that serve as the basis of any reflection on the cross of Jesus and an engagement with patristic as well as contemporary discussion The result is an alternative theology of the cross that grounds the message concerning the cross in the socio political reality in which it was historically located and points to the way in which this message bears upon contemporary social and ecclesial reality Jennings s truly fresh understanding for Christians of the meaning of Jesus death specifically grounds the cross in the concrete political confrontation within which it occurred relates the message about the cross to the practice of Jesus thus keeping in relationship the gospels and the theology of Paul and shows how the cross bears on overcoming of human division and sin reconciliation to God and new forms of social reality in the community of the crucified *The Community of the Weak* Hans-Peter Geiser,2013-03-28 Social postmodernism and systematic theology can be considered the new pair in some of the most creative discussions on the future of theological method on a global scale Both in the academy and in the public

square as well as in the manifold local and pastoral moments of ministry and community social activism the social the postmodern and the theological intermingle in engaging and border crossing ways The Community of the Weak presents a new kind of jazzy fundamental theology with a postmodern touch using jazz as a metaphor writing ethnographically messy texts out of the personal windows of lived experiences combining fragments of autobiography with theological reconstruction A comparative perspective on North American and European developments in contemporary systematic theology serves as a hermeneutical horizon to juxtapose two continents in their very different contexts The author proposes a systematic and fundamental theology that is more jazzy global and narrative deeply embedded in pastoral ministry to tell its postmodern story

Alejandro F. Botta,Pablo R. Andiñach,2009 **The Other Side of Sin** Andrew Sung Park,Susan L. Nelson,2012-05-21 The good news of Jesus Christ is for both sinners and the sinned against For the past two thousand years Christian theologians have focused on the experience of sinners but treated their victims inadequately To counterbalance this perspective a diverse group of Christian scholars consider sin from the other side To make sense of Christianity from this standpoint they offer a more complex and comprehensive analysis of human participation in evil and its reconciliation than the simple formula of sin and repentance The Other Side of Sin is an original fresh and exciting adventure into one of the most needed areas of theological thinking

Islam and Christianity John Renard,2011-03-08 In light of the widespread public perception of incompatibility between Islam and Christianity this book provides a much needed straightforward comparison of these two great faith traditions from a broad theological perspective Award winning scholar John Renard illuminates the similarities as well as the differences between Islam and Christianity through a clear exploration of four major dimensions historical creedal institutional and ethical and spiritual Throughout the book features comparisons between concrete elements such as creedal statements prayer texts and writings from major theologians and mystics It also includes a glossary of technical theological terms For western readers in particular this balanced authoritative work overturns some common stereotypes about Islam especially those that have emerged in the decade since September 11 2001

Faith and Film Bryan P. Stone,2000 Bryan Stone engages the cinema to open a discussion of theology and the culture of our time by pairing specific Christian doctrines found in the Apostles Creed with popular movies and videos

The Last Things Donald G. Bloesch,2010-03-23 In The Last Things Donald G Bloesch takes up difficult and sometimes controversial themes such as the coming of the kingdom of God the return of Jesus Christ the life hereafter the millennial hope the final judgment hell heaven purgatory and paradise Wrestling with biblical texts that often take metaphorical form Bloesch avoids rationalistic reductionism as well as timid agnosticism While he acknowledges mystery and even paradox Bloesch finds biblical revelation much more than sufficient to illuminate the central truths of a Christian hope articulated throughout the history of the church The Last Things is not just a review of past Christian eschatology but a fresh articulation of the grace and glory of God yet to be consummated The
