illustrations and mnemonic cartoons clarify essential nursing concepts and offer a visual way for you to remember key facts for the NCLEX exam. Answers and rationales are provided for every practice question. Unique An integrated systems approach incorporates pediatric adult and older adult lifespan considerations in each body system chapter. Unique Mnemonic cartoons provide a fun easy way to review and remember key nursing concepts. A full color user friendly design enhances content and helps you quickly locate special features. Appendixes for each chapter summarize medications and nursing procedures for quick reference. Practice questions at the end of each chapter and on the companion CD 2 020 in all provide a wealth of NCLEX examination preparation in both print and electronic formats. The companion CD features practice questions available in both study and quiz exam modes that are divided by content area and allow you to create a customized review experience based on your personal study needs. Electronic alternate item format questions on the CD such as priority drag and drop and hot spot illustrated point and click questions prepare you for the interactive question types you ll encounter on the computerized NCLEX examination. Answers and rationales for all review questions help you understand why correct answers are right and incorrect options are wrong. An Alert feature highlights key nursing concepts frequently found on the NCLEX examination. Separate chapters on pharmacology and nursing management help you focus on these areas of emphasis on the NCLEX examination. Additional practice questions raise the total to 2 020 in the book and on the companion CD. More figures charts and cartoons further illustrate important anatomy procedures and disease processes. Application and analysis questions challenge you to use your critical thinking skills and closely mirror the types of questions on the NCLEX RN examination. UNIQUE A pediatric disorders icon makes it easy to distinguish pediatric disorders from adult disorders in chapters with system integrated content. The detailed table of contents includes disorder headings to help you quickly find information on specific disorders within system integrated content.

Mosby's Prep Guide for the Canadian PN Exam
E-Book Marianne Langille, Karen Katsademas, 2021-07-02 Prepare for success on the REx PNTM and CPNRE exams. Mosby's Prep Guide for the Canadian PN Exam Practice Questions for Exam Success is the only concise examination study tool to focus specifically on Canada's Practical Nurse licensure examination. Between the book and its accompanying website this resource includes 1 000 practice questions along with a detailed rationale for each answer. It also provides valuable test taking tips and strategies. From Canadian nursing experts Marianne Langille and Karen Katsademas this self study guide has everything you need to be completely ready for your PN exam. Strategic overview of the REx PNTM and CPNRE exams helps you prepare effectively for the Practical Nurse licensure examination. 600 practice questions in the book reflect the latest CCPNR national competencies including Ontario and British Columbia and provide three comprehensive practice exams of 200 questions each. Additional 400 practice questions on the companion Evolve website for a total of 1 000 allow you the flexibility to test yourself in exam mode and self study mode with instant feedback to assess your progress. Rationales for answers explain why your answer is correct or incorrect. Test taking tips and techniques help you answer the tricky questions.
