Lucky Joe The Quest For Gold:

Chasing Alaska C. B. Bernard, 2013-05-07 Alaska looms as a mythical savage place part nature preserve part theme park too vast to understand fully Which is why C B Bernard lashed his canoe to his truck and traded the comforts of the Lower 48 for a remote island and a career as a reporter He soon learned that a distant relation had made the same trek northwest a century earlier Captain Joe Bernard spent decades in Alaska amassing the largest single collection of Native artifacts ever gathered giving his name to landmarks and even a now extinct species of wolf C B chased the legacy of this explorer and hunter up the family tree tracking his correspondence locating artifacts donated to museums and finding his journals at the University of Alaska at Fairbanks Using these journals as guides he threw himself into the state once known as Seward s Folly boating to remote islands hiking distant forests hunting and fishing the pristine environment forming a landscape view of the place that had lured him and Uncle Joe both men anchored beneath the Northern Lights in freezing far flung waters separated only by time Here in crisp crystalline prose is his moving portrait of the Last Frontier then and now **The Call of the Yukon** William Stanley, 2023-11-29 The Call of the Yukon is comprised of two stories both set in the late 1800 s in the wilderness of Canada s far north Rudy is the heart warming story of a wolf cub abandoned by its mother who is rescued from sure death when found by an Indigenous man named Steward Initially rejected by Steward s sled dogs Rudy grows into a strong animal the team learns to fear eventually becoming the alpha male Rudy s leadership is demonstrated during the annual Dawson City dogsled race a high spirited competition This is a wilderness tale of a wolf who learns to place his trust in one man until the call of the wild eventually beckons him to return to the forests of the Yukon where he belongs Quest for Gold and Fur is a fascinating tale about a young couple and their life together in the Yukon wilderness Joe and Mary share their adventures in this heart warming tale of survival in their adopted forest community Read about how Rudy s short life ended after he followed his heart and returned to the wild Experience an encounter between a black bear and a wolverine fighting over who is going to eat Joe and Mary s pack animal Follow the couple as they find riches hidden by old trappers in the most unlikely places These two stories depict the courage and bravery of early fur trappers in Canada s north which will not to be easily forgotten by its readers The Mother Lode Gary Franklin, 2007-08-07 Mountain man Joe Moss continues his quest to find the woman he loves and the child she bore him In Carson City he downs a record four bottles of whiskey gets roaring drunk and scalps two would be robbers while they re still alive Luckily an outcast Mormon woman Joe befriended aids his jailbreak before a lynch mob insists on his attendance at their necktie party Joe locates his beloved Fiona s father Brendan McCarthy a man he hates more than anyone alive who tells him Fiona has killed a prominent mine owner and has a bounty on her head Like it or not the rotgut ravaged Brendan may be the only one who can help Joe find his family And that will require Joe to do the hardest thing of all remain on his best behavior Official Stud Book and Registry of the American Quarter Horse Association American Quarter Horse Association, 1985 *Dairy-herd-improvement-association*
