Gorman, 2016-12-29 In this study Heather Gorman analyses Luke's portrayal of Jesus' death in light of the ancient rhetorical tradition particularly the progymnasmata and the rhetorical handbooks In addition to providing a detailed up to date exegetical study of Luke 22:66-23:49 she argues three things First through the strategic placement of rhetorical figures and the use of common topics associated with

refutation and confirmation Luke structures his passion narrative as a debate about Jesus' innocence which suggests that one of Luke's primary concerns is to portray Jesus as politically innocent. Second ancient examples of synkrisis suggest that part of the purpose of Luke's characterisation of Jesus in the passion narrative especially when set in parallel to Paul and Stephen in Acts was to set up Jesus as a model for his followers lest they face similar persecution or death. Finally Luke's special material and his variations from Mark are explicable in terms of ancient compositional techniques especially paraphrase and narration and thus recourse to a special Passion Source is unnecessary.

Jesus Wept: The Significance of Jesus' Laments in the New Testament Rebekah Eklund, 2015-02-26 Lament does not seem to be a pervasive feature of the New Testament particularly when viewed in relation to the Old Testament. A careful investigation of the New Testament however reveals that it thoroughly incorporates the pattern of Old Testament lament into its proclamation of the gospel especially in the person of Jesus Christ as he both prays and embodies lament. As an act that fundamentally calls upon God to be faithful to God's promises to Israel and to the church, lament in the New Testament becomes a prayer of longing for God's kingdom which has been inaugurated in the ministry and resurrection of Jesus fully to come.

Ezra & Nehemiah Matthew Levering, 2007-10 This commentary on Ezra Nehemiah provides guidance to pastors and academics in reading the Bible under the rule of faith.

1 & 2 Thessalonians (Brazos Theological Commentary on the Bible) Douglas Farrow, 2020-08-18 The Brazos Theological Commentary on the Bible encourages readers to explore how the vital roots of the ancient Christian tradition inform and shape faithfulness today. In this volume one of today's leading theologians offers a theological reading of 1 and 2 Thessalonians. As with other series volumes this commentary is designed to serve the church providing a rich resource for preachers, teachers, students and study groups.

Colossians (Brazos Theological Commentary on the Bible) Christopher R. Seitz, 2014-09-30 The Brazos Theological Commentary on the Bible advances the assumption that the Nicene creedal tradition in all its diversity provides the proper basis for the interpretation of the Bible as Christian scripture. The series encourages readers to extend the vital roots of the ancient Christian tradition to our day. In this addition to the acclaimed series renowned scholar Christopher Seitz offers a theological exegesis of Colossians bringing his expertise in canonical reading to bear on his interpretation of this Pauline letter. As with other volumes in the series the book is ideal for those called to ministry.

The Lukan Lens on Wealth and Possessions Rachel L. Coleman, 2019-12-02 In *The Lukan Lens on Wealth and Possessions: A Perspective Shaped by Reversal and Right Response* Rachel Coleman offers a detailed look at Luke's wealth ethic. The long debated question of how Luke understands the relationship between followers of Jesus and material possessions is examined with careful exegesis and keen literary and theological sensitivity. The twin motifs established in Luke's introductory unit, Luke 1:5-4:44, reversal and right response, provide the hermeneutical lenses that allow the reader to discern a consistent Lukan perspective on wealth in the life of disciples. With an engaging style and an eye to the contemporary church, the book will appeal to both scholars and pastors.

Jesus and the Religions Bob

Robinson,2012-03-23 How should followers of Christ live in a multi religious world This book argues that the example of Jesus has something fresh and helpful to say to those who ponder the question It takes something old the example of Jesus to say something new to our pluralist world Most of the book examines the meetings of Jesus with Gentiles and Samaritans These are found in some of the most poignant and dramatic encounters and teaching passages in the Gospels a synagogue address with near murderous consequences the healing of a pagan centurion s servant the setting free of the afflicted child of a Gentile mother a moving encounter at a Samaritan well the unlikely story of a compassionate Samaritan and more This is a scholarly but accessible discussion of what it might mean to have the same attitude of mind that Christ Jesus had in our contemporary multi religious world **T&T Clark Handbook to Social Identity in the New Testament** J. Brian

Tucker,Coleman A. Baker,2014-01-02 Combining the insights of many leading New Testament scholars writing on the use of social identity theory this new reference work provides a comprehensive handbook to the construction of social identity in the New Testament Part one examines key methodological issues and the ways in which scholars have viewed and studied social identity including different theoretical approaches and core areas or topics which may be used in the study of social identity such as food social memory and ancient media culture Part two presents worked examples and in depth textual studies covering core passages from each of the New Testament books as they relate to the construction of social identity Adopting a case study approach in line with sociological methods the volume builds a picture of how identity was structured in the earliest Christ movement Contributors include Philip Esler Warren Carter Paul Middleton Rafael Rodriguez and Robert Brawley **Following the Lamb** Keith T. Marriner II,2016-01-11 Jesus parting words to his followers were for them to Go

therefore and make disciples of all nations Matt 28 19 This being the case shouldn t we be concerned with gaining a full understanding of discipleship from the entire New Testament corpus Many scholars recognize that the theme of discipleship is found throughout the New Testament even in Revelation with all of its symbolism and bizarre imagery But how does it do this The focus of this study through the use of content analysis methodology is to demonstrate that the theme of discipleship is not only found in the Apocalypse but is also exceedingly relevant for Christians today In many parts of the world Jesus disciples are facing opposition and persecution for their testimony to Jesus Christ It would do Christians well to read the book of Revelation once again As they read it this time through the eyes of the oppressed the content of the book will prove extremely valuable to aid disciples of Jesus in their efforts to follow the Lamb wherever he goes Rev 14 4 no matter what the cost
