Luke Zondervan Exegetical Commentary On The New Testament Series 3:

Old Testament Conceptual Metaphors and the Christology of Luke's Gospel Gregory R. Lanier, 2018-08-23 Extensive scholarship has been devoted to Jesus depiction in the Gospels and how such depiction is influenced by the Old Testament Gregory R Lanier presents a new case for the importance of conceptual metaphor arguing that the Gospel of Luke employs certain metaphors reflected in Israel's traditions such as horn of salvation dawn from on high mother bird gathering Jerusalem's children and crushing stone in order to portray the identity of Jesus as both an agent of salvation and more provocatively the one God of Israel Setting his argument at the intersection of three sub fields of New Testament scholarship early Christology the use of Israel's Scriptures in the New Testament and contemporary metaphor theory Lanier suggests ways to overcome the low high binary and perceive the Gospel's Christology as multi faceted Applying metaphor theory to the influence of the Old Testament metaphors on Luke's Christology Lanier adds methodological rigor to the tracing of such influences in cases where standard criteria for quotations and allusions echoes are stretched thin

NEW TESTAMENT CONTEXTUAL COMMENTARY Dr. Robert R. Seyda, 2024-03-26 The Apostle John tells his readers he has an important message to tell them It is about a person who was already there before the beginning of the world We heard him speak We've seen Him with our own eyes We watched Him and we touched Him He is the Word that gives us life with God This is the message God is completely good and pure He is like light There is nothing dark about Him Amazingly John tells us that one of the things Jesus wanted us to understand is that by loving others we love God Yes we do make mistakes and so do other believers but we are not to hold that against them because just as we were given forgiveness by God's mercy and grace since we are in union with His Son so can they What we are not to do is claim access to this privilege but then live like those in the world Our goal is not just life but eternal life After all we are God's children and no child of God keeps on sinning after they are born again through Jesus the Anointed One

The Priest and Levite as Temple Representatives Michael Blythe, 2023-07-07 The parable of the good Samaritan is well known yet scholarship has not plumbed the depths of its meaning within its first century Palestinian context For the majority of Christian history the parable has suffered either from extreme allegorical treatments or from unimaginative readings limiting the parable to a single point example story of virtue A creative reading employing social and historical methods generates a refreshing telling of the story within Jesus's context whereby each variable from the Samaritan to the priest and even the innkeeper takes on representative forms not only indicative of widespread concerns from Jesus's audience but also becoming symbols of the eschatological age when the new temple supplants the old

God as Creator in Acts 17:24 Jennifer Marie Creamer,2017-08-25 The Areopagus speech of Acts provides a helpful study of how Paul both engaged and confronted the contemporary culture of his day to present the message of Christianity to his hearers in Athens How does Paul as a Jew contextualize the message for his audience of Stoic and Epicurean philosophers in Athens on the topic of God as Creator in Acts 17 24 Paul touches on a subject of contentious debate between Stoics and Epicureans when he identifies God as Creator Stoics believed in a creating deity something akin to Plato s demiurge of the Timaeus Epicureans ridiculed such an idea By using the identification of God as Creator Paul engages a common controversy between schools of philosophy

Beyond Four Walls Michael D. O'Neil,2020-08-12 The church today is in many places on the nose For many people it stinks It has passed its use by date and should be relegated to the dustbins of history and the sooner the better Nevertheless the contributors to this volume believe that the church in spite of its somewhat checkered history and its many present failures remains an integral part of God s redemptive purposes being worked out in the world and that God s call to the church is now what it has always been to be the faithful people of God bearing joy filled witness to the resurrection of Jesus Christ in word worship and work in its corporate life and in the lives of each of its members Each chapter in this book explores an aspect of what it means to be the church both with respect to its own life and with an eye to its presence and mission in the world

Gospel Reading and Reception in Early Christian Literature Madison N. Pierce,Andrew J. Byers,Simon Gathercole,2022-02-17 Before the early Christian evangelists were Gospel writers they were Gospel readers Their composition process was more complex than simply compiling existing traditions about Jesus then ordering them into a

narrative frame Rather these writers were engaged in a creative and dynamic act of theological reception Gospel reading refers to this innovative and often artistic use of source materials from Israel s Scriptures to pre existing narratives of Jesus to produce updated expanded or even alternative renditions This volume explores that process The common thread running through each chapter is the conviction that the early Christian practice of writing gospel and the Gospels was one of the most hermeneutically creative exercises in ancient literary culture one that was prompted by the perceived theological significance of Jesus The contributors seek to demonstrate the intricate dynamics of this controversial figure s theological and textual reception through foundational essays on specific texts and themes

God, Adam, and You Michael M. Christensen, 2015-11-17 Barna research suggests just over half of Americans who profess to be transformed by Christ believe God expects them to be holy and only a third consider themselves to be holy This is disconcerting Many of these same believers hold that Adam s sin and overwhelming fleshly desires are at the root of their personal sins The purpose of this book is to re examine Adam s legacy the flesh what sin really is and God s holiness expectations of us Do Adam s sin and fleshly desires force every person on this earth to sin in his likeness Is sinning daily in thought word and deed our highest expectation Can we love God in such a way that we can consistently obey his commands We will discover that the impediments to a holy life may be fewer than we think and that what God commands of us we really can do

The Spirit as Gift in Acts John D. Griffiths, 2022-02-28 What does Luke mean when he describes the Spirit as gift Acts 2 38 This study explores the social implications of gift giving in the Greco Roman world arguing that gifts initiate and sustain relationships Therefore the description of the Spirit as gift is inherently social which is shown in the Spirit s empowerment of the teaching unity meals sharing of possessions and worship of the early Jesus community The Spirit as gift then leads us to see that the early Jesus community is the community of the Holy Spirit

The Good Gift of Weakness Eric M Schumacher, 2024-06-04 This overview of the theme of weakness in the Bible offers readers practical encouragement and hope as they learn to view their frailties as part of God s plan and purpose for their lives Our culture deifies strength and sadly the church does too Who has the most successful ministry the largest congregation or the godliest family Our misplaced faith in human strength is a false hope with no basis in Scripture But a closer look throughout the Bible reveals the central role human frailty plays in the redemption story From Genesis to Revelation God s power is made perfect when people are at their weakest Far from an undesirable defect God designed our weakness to draw us closer to himself As you learn to accept the good gift of weakness you will experience true strength the kind that only comes from a loving and infinitely powerful God

Luke's Legato Historiography David Lee Brack, 2017-10-24 As the first century came to a close the church struggled with its identity due to its memories of a disconnected past As the church reflected on recent history it remembered the origins of Christianity as full of gaps and discontinuities leaving it to question the validity of this new Jesus movement How did Jesus ministry relate to ancient Judaism What was the relationship between John the Baptist and Jesus What kind of transition occurred between Jesus and his followers How did the Holy Spirit relate to Jesus How could the controversial figure Paul have such an integral role in nascent Christianity How could a heavily Gentile church preach about the Messiah of Israel Using a musical metaphor this book demonstrates how Luke replies to these staccato narratives of the first century church with his own legato version of history Luke accomplishes this bridging of past events primarily through the ancient practice of rhetorical transitions and in the process reassures his audiences of the continuity of salvation history throughout the various stages of early Christianity

Reaching for Wonder Marlo Schalesky, 2018-03-20 Sometimes life hurts Sometimes you've struggled and stumbled until it even hurts to hope Perhaps you've faced a spiritual crisis of disappointment doubt or a feeling of distance from God due to unanswered prayers and painful circumstances But what does it mean to encounter Christ in those times What does he say to us when we have nothing left to say How do we see him when pain has silenced our prayers and blinded our souls In Reaching for Wonder Marlo Schalesky explores fifteen of the New Testament's one time encounters with Christ to

illuminate the surprising character of a God who transforms our pain into wonder Because sometimes life isn't at all as we want it to be Because we lose the wonder in the hardships of life Because encountering Christ changes everything Like those who have gone before following God's call isn't about easy faith a life of effortlessness or every prayer answered when and how we want Instead it's about encountering God so deeply so significantly that everything about your circumstances about your life about you changes because of God In these New Testament stories you'll find guidance to a deeper understanding of God's plan for you a more vibrant faith and a fuller trust in God Plus you'll find hope in knowing that your life may not be as you had envisioned it but is one in which God is doing a mighty work *The Forgiveness of Jesus* Matt Williams, 2009-09

This continuation of the Deeper Connections series takes us behind the scenes of main events in Jesus' life to understand what made him extraordinary and to learn how to draw on his transforming power It is only when we drink deeply from the life of Christ that we can be rescued from our failures and spiritual death
