Osborne,2018 The Gospel of Luke is an orderly historical account but it is far from ordinary In the longest Gospel Luke places great stress on the unique lordship of Jesus and God s plan to bring salvation into this world Throughout Luke stresses that Jesus message reaches the forgotten people groups of this world particularly the poor and women showing us that the gospel is truly intended for all peoples In Luke Verse by Verse Grant Osborne leads readers through this systematic account of Jesus life He shows us why Luke may be called the theologian of prayer and unpacks the far reaching power of the gospel then and now With Osborne as guide readers will learn what this Gospel which introduces the Suffering Servant who has become the Risen Lord of all and reigns by his Spirit can teach us today The Osborne New Testament Commentaries by respected professor and author Grant R Osborne are for people seeking a straightforward explanation of the text in its context avoiding either oversimplification or technical complexity Osborne brings out the riches of the New Testament making each book accessible for pastors and all who consider themselves students of Scripture *Old Testament Conceptual Metaphors and the Christology of Luke's Gospel* Gregory R. Lanier,2018-08-23 Extensive scholarship has been devoted to Jesus depiction in the Gospels and how such depiction is influenced by the Old Testament Gregory R Lanier presents a newcase for the importance of conceptual metaphor arguing that the Gospel of Luke employs certain metaphors reflected in Israel s traditions such as horn of salvation dawn from on high mother bird gathering Jerusalem s children and crushing stone in order to portray the identity of Jesus as both an agent of salvation and more provocatively the one God of Israel Setting his argument at the intersection of three sub fields of New Testament scholarship early Christology the use of Israel s Scriptures in the New Testament and contemporary metaphor theory Lanier suggests ways to overcome the low high binary and perceive the Gospel s Christology as multi faceted Applying metaphor theory to the influence of the Old Testament metaphors on Luke s Christology Lanier adds methodological rigor to the tracing of such influences in cases where standard criteria for quotations and allusions echoes are stretched thin *Luke* R T France,2021-12-07 This concise carefully organized commentary for pastors presents biblical scholarship to inform authoritative expository preaching and

teaching Each chapter includes the big idea key themes and sermon illustrations **At the Foot of the Son** Michael Ferguson,2025-05-23 Have you ever wondered what Jesus meant in His parables At the Foot of the Son The Parables of Jesus takes you on a journey through the forty two parables of Jesus helping you unlock the meaning and making these timeless stories easy to grasp and meaningful for today Go on a journey exploring each parable in its original setting and gaining an understanding of the everyday life of the people Jesus spoke to You ll learn why Jesus used examples like farming fishing and family roles and how those lessons still apply to us Whether you ve struggled to connect with these stories or have always wanted to understand them on a deeper level this book offers a guide to what they meant to the people who first heard them and what they mean for us today Each chapter includes the Bible verses for the parable so you can follow along and experience the teachings of Jesus for yourself This book invites you to sit at the feet of Jesus just like the crowds did two thousand years ago and hear His voice speaking directly to you Whether you re new to the Bible or seeking fresh insights At the Foot of the Son The Parables of Jesus will guide you in understanding how Jesus s words and teachings are still powerful and life changing today So take your seat at the foot of the Son and discover how these parables reveal God s heart and guide us in our walk of faith **Adult Quarterly | Student Manual Summer Quarter 2021 (Jun-Aug)** Church Of God In Christ Publishing House,2021-06-08 The Student quarterly offers the student a comprehensive guide of the Sunday School lessons The structured approach to the lessons helps the student understand the Biblical principles outlined in each week s lesson The Manual features A 13 week series of lessons Life application for each lesson A weekly challenge Thought provoking discussion starters *Resurrecting Interpretation* Simon Perry,2012-04-25 Hermeneutics is the work of Hermes the Greek demigod a messenger from the gods and from the dead Simon Perry sets out to explore the contemporary face of Hermes through a reading of Jesus parable of the rich man and Lazarus Luke 16 19 31 This parable has one distinguishing feature that marks it out from other ancient stories following the same basic storyline that a visitor from the dead is not granted leave to return with a message to the land of the living In order for Scripture to be heard Hermes is not necessary Where does this leave the role of hermeneutics Perry looks to philosophers ethicists and theologians for an answer *Matthew* Craig S. Keener,1997-08-08 Matthew was the most popular gospel in the early church widely read for its clear empahsis on Jesus teaching Craig Keener expounds the text as a discipleship manual for believers today **The Gentile Mission in Old Testament Citations in Acts** James A. Meek,2009-04-23 Scholarship on the uses of the Old Testament in Luke Acts has tended to focus upon the role played by the Old Testament in the development of the author s Christology James Meek however draws out the theme of the Gentile mission in Acts as it relates to the Old Testament and gives particular attention to four texts 13 47 Isa 49 6 15 16 18 Amos 9 11 12 2 17 21 Joel 3 1 5 MT 3 25 Gen 22 18 The quotations in Acts 13 and 15 receive greater attention because they explicitly address the issue of the Gentile mission the two earlier texts anticipate it and because of particular interpretive questions raised by these texts Meek argues that while there are similarities in the

quotations in Acts with the Old Greek form of the cited texts the argument never depends on distinctive readings of the Old Greek He therefore rejects claims that the author's use of Old Testament texts is dependent entirely on the Old Greek He also maintains that all four quotations are used in a manner consistent with their sense in their original contexts contrary to the common assertion that the New Testament commonly cites Old Testament texts without regard for original sense or context His third principal argument is that these Old Testament quotations function as proof from prophecy contrary to the argument of some In particular they are cited to demonstrate the legitimacy of the Gentile mission as conducted by the early church and of the Gentiles place among the people of God showing these ideas to be central to the author's purpose Still Waiting Ann Swindell, 2017 What if God wants you to wait Most of us don't willingly choose to wait We pick the shortest lines at the grocery store and avoid construction routes whenever possible These are relatively short holdups but they point to the deeper truth of what we try to evade on the larger scale of our lives the anguish and heartache we experience during extended times of waiting when something we have hoped for gets delayed Because waiting is painful and hard too often we try to rush through it seeking to jump ahead to the hoped for resolution opportunity or healing It's easy to overlook that waiting is an inevitable part of our walk with God In Still Waiting Ann Swindell explores the depths of why God wants us to wait by chronicling her own compelling story of waiting for healing from an incurable condition She provides a vibrant retelling of the biblical account of the Bleeding Woman finding parallels with her own journey and yours What is your heart waiting for Let Ann help you see the promise that is hidden in the ache of waiting and the hope of what God can and will do as you wait on him **Exploring the New Testament in Asia** Samson L. Uytanlet, Bennet Lawrence, 2024-08-31 There is a growing recognition that God's design is for us to read Scripture alongside the whole church in all of its cultural and linguistic diversity Exploring the New Testament in Asia is a textbook for students and scholars of the New Testament to help the church hear and see the good news of Jesus anew This collection of essays offers theological reflections on New Testament themes from Asian perspectives while addressing contextual issues in light of the New Testament Touching on topics such as salvation holiness poverty ethnic tensions reconciliation honoring elders persecution and hospitality the scholars in this book demonstrate the importance of a varied contemporary context for understanding the New Testament The result is a theological contribution that is both contextually relevant and biblically faithful Adult Quarterly | Student Manual Winter Quarter 2020 (Dec-Feb) Church Of God In Christ Publishing House, 2020-12-01 The Student quarterly offers the student a comprehensive guide of the Sunday School lessons The structured approach to the lessons helps the student understand the Biblical principles outlined in each week's lesson The Manual features A 13 week series of lessons Life application for each lesson A weekly challenge Thought provoking discussion starters Fulfilling the Great Commission Nathan A. A Popular Survey of the New Testament Norman L. Geisler, 2014-09-09 Understanding the New Testament is a daunting but exciting task Our world is so different from that of the first century Yet it is important to understand the context and content of the New Testament if we are to be faithful followers Now in paperback this survey addresses the who what where when why and how questions that readers of the Bible may have such as How can we tell if what is written in the New Testament is true history or just mythology When were these books written and why and What can today's believers get out of letters addressed to people who lived two millennia ago Written in an easy informal style this survey is accessible and enjoyable to anyone who wants to better understand the New Testament

The Power of Pentecost Martin Salter, 2012-03-16 Two thousand years ago a Jewish fisherman stood up before a crowd of thousands to explain an extraordinary event A bewildered crowd had heard the wonders of God being declared in their own languages Peter's explanation This was the fulfillment of the promise of the prophet Joel a promise that in the last days people would prophesy see dreams and visions and perform signs and wonders That extraordinary day and that extraordinary promise have shaped the church over the last two thousand years The question before us is what does it mean for us today This book seeks to address and answer some of those questions by examining carefully the verses in question Acts 2:17-21 and their wider context and purpose

A Sharp Compassion Chase Replogle, According to Google the phrase I'm offended has increased in usage by more than 5 600% in just the past century Humans have always taken offense but never have we been so obsessed with it Offense stunts our conversations and divides our relationships It infects our families politics entertainment and churches Yet few seem to be asking why or what it might be costing us If you trace the offense deep enough you'll find a culture and our individual lives drowning in insecurity For all our self-help self-affirming and self-esteem rhetoric we can't seem to overcome it Just beneath our awareness our insecurities distort our desires poison our relationships and leave us increasingly sensitive to offense But there is a worse consequence Offense makes it harder to hear the truth It can even prevent you from hearing Jesus's good but sometimes hard words A Sharp Compassion offers readers a closer look at some of Jesus' most challenging words Through a careful study of the conversations in which Jesus offended you will discover a savior willing to risk offending you to heal you from your deepest insecurities Because his love is great his truths are often hard and his compassion sharp But perhaps it's Jesus' hard words we need most right now

Grounded in the Body, in Time and Place, in Scripture Jill Firth, Denise Cooper-Clarke, 2021-02-01 In my bibliographies there are no women in the evangelical tradition and no Australian women scholars This unique volume addresses this gap with eighteen biblically rich and academically rigorous chapters by established and emerging Australian women scholars in the evangelical tradition The authors consider our relationship with the land and Indigenous peoples neighborhood embodiment disability abortion leadership work architecture the media Song of Songs and domestic violence and Jeremiah and weaponized rape and demonstrate recent methodologies such as a social

identity reading of Exodus sensory readings of Psalms and John's Gospel and discipleship readings of Mary and Martha and the woman at the well A contemporary Kriol psalm and stories of pioneering Australian women theological students and teachers complete the volume Valuable for students and teachers across Bible theology ministry and practice subjects this book is an essential inclusion in any theological library
