Lunar Notes Zoot Horn Rollo's Captain Beefheart Experience:

Lunar Notes - Zoot Horn Rollo's Captain Beefheart Experience Bill Harkleroad, Billy James, 2013-06 Bill Harkleroad joined Captain Beefheart's Magic Band at a time when they were changing from a straight ahead blues band into something completely different Through the vision of Don Van Vliet Captain Beefheart they created a new form of music which many at the time considered atonal and difficult but which over the years has continued to exert a powerful influence Beefheart re christened Harkleroad as Zoot Horn Rollo and they embarked on recording one of the classic rock albums of all time Trout Mask Replica a work of unequalled daring and inventiveness Further LPs like Lick My Decals Off Baby and Clear Spot highlighted what a truly innovative band they were and what a dazzlingly original guitarist Harkleroad was becoming Since Captain Beefheart's retirement from the music industry many outside commentators have tried to put their finger on what was so special about The Magic Band of that time Now for the first time we get the insider's story Harkleroad reviews the often uncomfortable and difficult inner workings of the band giving an unparalleled insight into the way the music was put together At last we find out what it was like to record play and live with an eccentric genius such as Beefheart **Captain Beefheart** , Captain Beefheart's Trout Mask Replica Kevin Courrier, 2007-03-23 In the spring of 1969 the inauspicious release of Captain Beefheart and the Magic Band's Trout Mask Replica a double album featuring 28 stream of consciousness songs filled with abstract rhythms and guttural bellows dramatically altered the pop landscape Yet even if the album did cast its radical vision over the future of music much of the record's artistic strength is actually drawn from the past This book examines how Beefheart's incomparable opus an album that divided rather than united a pop audience is informed by a variety of diverse sources Trout Mask Replica is a hybrid of poetic declarations inspired by both Walt Whitman and the beat poets the field hollers of the Delta Blues the urban blues of Howlin Wolf the gospel blues of Blind Willie Johnson and the free jazz of Ornette Coleman This book illustrates how Trout Mask Replica was not so much an arcane specimen of the avant garde but rather a defiantly original declaration of the American imagination Captain Beefheart Opher Goodwin, 2025-05-09 Captain Beefheart Don Vliet was undoubtedly the creator of the most bizarre and wonderful music A child prodigy sculptor he applied his artistic approach to music creating aural sculptures After befriending Frank Zappa in high school they collaborated on a teenage rock opera and science fiction fantasy film entitled Captain Beefheart vs The Grunt People It was from this film that Don took his name His Magic Band started out as a blues group in the mid sixties but soon with lysergic propulsion surreal poetry free form jazz polyrhythms and African beats they established themselves at the forefront of West Coast acid rock A series of hugely inventive albums including the infamous Trout Mask Replica and some legendary live performances established them as the foremost avant garde rock band Few bands were as influential with The Beatles The Fall PJ Harvey and Tom Waits all paying homage and as a result The Magic Band have inspired a myriad of tribute bands and created a mythology like no other This book sets the history of the band in context analysing every track

and attempting to interpret both the music and Don Vliet's poetry. It is essential reading for diehard fans and the Beefheart curious alike. Opher Goodwin is the author of many books on rock music and science fiction and taught the first History of Rock Music classes in the UK. He was fortunate to spend the sixties in London, the epicentre for the underground explosion of rock music and culture where he was able to see everyone from Pink Floyd, Hendrix and Cream to The Doors, Captain Beefheart and Roy Harper. He was introduced to Captain Beefheart in 1967 and attended that first amazing gig at Middle Earth. He never fully recovered but now lives happily in East Yorkshire, UK. *Lunar Notes* Bill Harkleroad, Billy James, 1998

This one of a kind reference investigates the music and the musicians that set the popular trends of the last half century in America. Many rock fans have at one time or another ranked their favorite artists in order of talent, charisma and musical influence on the world as they see it. In this same spirit, author and music historian David V. Moskowitz expands on the concept of top ten lists to provide a lineup of the best 100 musical groups from the past 60 years. Since the chosen bands are based on the author's personal taste, this two volume set provokes discussion of which performers are included and why, offering insights into the surprising influences behind them. From the Everly Brothers to the Ramones to Public Enemy, the work covers a wide variety of styles and genres, clearly illustrating the connections between them. Entries focus on the group's history, touring, membership, major releases, selected discography, bibliography and influence. Contributions from leading scholars in popular music shed light on derivative artists and underscore the overall impact of the performers on the music industry. *Songs in the Key of Z* Irwin Chusid, 2000-04-01
