Lynched The Victims Of Southern Mob Violence:

Lynched Amy Kate Bailey, Stewart E. Tolnay, 2015-05-04 On July 9 1883 twenty men stormed the jail in Morehouse Parish Louisiana kidnapped Henderson Lee a black man charged with larceny and hanged him Events like this occurred thousands of times across the American South in the late nineteenth and early twentieth centuries yet we know scarcely more about any of these other victims than we do about Henderson Lee Drawing on new sources to provide the most comprehensive portrait of the men and women lynched in the American South Amy Bailey and Stewart Tolnay s revealing profiles and careful analysis begin to restore the identities of and lend dignity to hundreds of lynching victims about whom we have known little more than their names and alleged offenses Comparing victims characteristics to those of African American men who were not lynched Bailey and Tolnay identify the factors that made them more vulnerable to being targeted by mobs including how old they were what work they did their marital status place of birth and literacy and whether they lived in the margins of their communities or possessed higher social status Assessing these factors in the context of current scholarship on mob violence and reports on the little studied women and white men who were murdered in similar circumstances this monumental work brings unprecedented clarity to our understanding of lynching and its victims **The Murder of Oscar**

Chitwood in Hot Springs, Arkansas Guy Lancaster, Christopher Thrasher, 2022-10-31 The Line between Lawmen and Lawless On December 26 1910 Oscar Chitwood lay lifeless on the courthouse lawn in Hot Springs his wrists shackled together and his body torn by bullets The deputies on the scene claimed that masked men had lynched their prisoner and that the lawmen were innocent bystanders to the carnage Newspapers everywhere proclaimed this killing another example of vigilantism run rampant Within days however the official story fell apart and these deputies were charged with cold blooded murder Authors Guy Lancaster and Christopher Thrasher tell the little known story of accused outlaw Oscar Chitwood the authorities he dared defy and the mysterious resort town of Hot Springs a place where the Wild West met the epitome of civilization and where the boundaries between lawman and outlaw were never all that clear **Dixie's Italians** Jessica

Barbata Jackson, 2020-04-15 In the late nineteenth and early twentieth centuries tens of thousands of Southern Italians and Sicilians immigrated to the American Gulf South Arriving during the Jim Crow era at a time when races were being rigidly categorized these immigrants occupied a racially ambiguous place in society they were not considered to be of mixed race nor were they people of color or white In Dixie s Italians Sicilians Race and Citizenship in the Jim Crow Gulf South Jessica Barbata Jackson shows that these Italian and Sicilian newcomers used their undefined status to become racially transient moving among and between racial groups as both white southerners and people of color across communal and state monitored color lines Dixie s Italians is the first book length study of Sicilians and other Italians in the Jim Crow Gulf South Through case studies involving lynchings disenfranchisement efforts attempts to segregate Sicilian schoolchildren and turn of the century miscegenation disputes Jackson explores the racial mobility that Italians and Sicilians experienced Depending

on the location and circumstance Italians in the Gulf South were sometimes viewed as white and sometimes not occasionally offered access to informal citizenship and in other moments denied it Jackson expands scholarship on the immigrant experience in the American South and explorations of the gray area within the traditionally black white narrative Bridging the previously disconnected fields of immigration history southern history and modern Italian history this groundbreaking study shows how Sicilians and other Italians helped to both disrupt and consolidate the region s racially binary discourse and profoundly alter the legal and ideological landscape of the Gulf South at the turn of the century **Lynching in Virginia**

Gianluca De Fazio,2024-08-22 Uncovering the history and examining the legacy of lynching in the state of Virginia Although not as associated with lynching as other southern states Virginia has a tragically extensive history with these horrific crimes This important volume examines the more than one hundred people who were lynched in Virginia between 1866 and 1932 Its diverse set of contributors including scholars journalists activists and students recover this wider history of lynching in Virginia interrogate its legacy and spotlight contemporary efforts to commemorate the victims of racial terror across the commonwealth Together their essays represent a small part of the growing effort to come to terms with the role Virginia played in perpetuating America s national shame **The ^AChallenge of Joseph H. Jackson** Jared E.

Alcántara,2024-10-08 The Rev Dr Joseph H Jackson remains one of the most important but least known figures of twentieth century African American Christian history In this book Jared E Alc ntara sets out a definitive academic biography of this complex figure **Lynching in the New South** W. Fitzhugh Brundage,2022-08-15 Lynching was a national crime But it obsessed the South W Fitzhugh Brundage s multidisciplinary approach to the complex nature of lynching delves into the such extrajudicial murders in two states Virginia the southern state with the fewest lynchings and Georgia where 460 lynchings made the state a measure of race relations in the Deep South Brundage s analysis addresses three central questions How can we explain variations in lynching over regions and time periods To what extent was lynching a social ritual that affirmed traditional white values and white supremacy And what were the causes of the decline of lynching at the end of the 1920s A groundbreaking study Lynching in the New South is a classic portrait of the tradition of violence that poisoned American life

The Slow Death of the Death Penalty Todd C. Peppers,Jamie Almallen,Mary Welek Atwell,2025-07 The book is a postmortem examination of what has killed the death penalty in states across the country **The Murder of Emmett Till**

Karlos K. Hill,2021 The Murder of Emmett Till s primary aim is to commemorate the 1955 Emmett Till murder by providing an up to date and concise narrative of the murder that is reflective of the latest scholarship and recent developments in the case such as the Federal Bureau of Investigation s FBI reopening of the Emmett Till murder case in 2004 the US Senate s formal apology for lynching in 2005 the FBI s 2006 Emmett Till murder investigative report and the passage of the 2008 Emmett Till Unsolved Crimes Act Resisting Redemption at the Georgia Polls Richard Hogan,2023-12-12 After the Civil

War as Black freedmen prepared to exercise their new voting rights in Georgia white supremacist groups rose to restrict

their ability Georgians faced a new prospect for brokering a class based electoral coalition of white yeomen and Black freedmen The failure of Reconstruction echoes today as Georgia remains a voting rights battleground This book details this struggle for racial justice and democracy in postwar Georgia with an eye on issues that have persisted more than 150 years later

Black Soldiers, White Laws John A. Haymond, 2025-07-15 The first full and definitive narrative of one of the most shocking and largely unknown events of racial injustice in US history the execution of nineteen Black soldiers in Texas On the sweltering rainy night of August 23 1917 one of the most consequential events affecting America's long legacy of racism and injustice began in Houston Texas Inflamed by a rumor that a white mob was arming to attack them and after weeks of police harassment more than 100 African American soldiers of the 3rd Battalion 24th Infantry Regiment took their weapons without authorization and led by a sergeant marched into the largely Black San Felipe district of the city Violent confrontations with police and civilians ensued and nineteen lives were lost The Army moved quickly to court martial 118 soldiers on charges of mutiny and murder even though a majority of the soldiers involved had never fired their weapons Inadequately defended en masse by a single officer who was not a lawyer and had no experience in capital cases in three trials undermined by perjured testimony and clear racial bias and confronted by an all white tribunal committed to a rapid judgment 110 Black soldiers were found guilty despite the fact that no mutiny had in fact taken place In the predawn darkness of December 11 thirteen of them were hanged at Fort Sam Houston in San Antonio hastily and in secret without any chance to appeal News of the largest mass execution in the Army's history outraged the country and inspired preventive legislation and yet six more Black soldiers were executed in early 1918 and the rest were sentenced to life in prison The Houston Incident as it became known has remained largely untold a deep stain on the Army's record and pride Award winning historian and Army veteran John A Haymond has spent six years researching the events surrounding the Incident and leading the efforts that ultimately led in November 2023 to the largest act of retroactive clemency in the Army's history when the verdicts were overturned and honorable discharges awarded to all the soldiers involved His dramatic chronicle of what transpired situated amongst the rampant racism in Texas and the country is a crucially important and harrowing reminder of our racially violent past offering the promise that justice even posthumously can prevail

A Festival of Violence Stewart Emory Tolnay, E. M. Beck, 1995 This finely detailed statistical study of lynching in ten southern states shows that economic and status concerns were at the heart of that violent practice Stewart Tolnay and E M Beck empirically test competing explanations of the causes of lynching using U S Census and historical voting data and a newly constructed inventory of southern lynch victims Among their surprising findings lynching responded to fluctuations in the price of cotton decreasing in frequency when prices rose and increasing when they fell

Inequality, Crime, And Social Control George S Bridges, 2018-10-08 This book brings together the most recent advances in theory and research on the relationship between social inequality and the control of criminal behavior exploring the ways in which social class race gender and age shape societal and organizational responses to crime

Under Sentence of Death W. Fitzhugh Brundage, 2017-11-01 From the assembled work of fifteen leading scholars emerges a complex and provocative portrait of lynching in the American South With subjects ranging in time from the late antebellum period to the early twentieth century and in place from the border states to the Deep South this collection of essays provides a rich comparative context in which to study the troubling history of lynching Covering a broad spectrum of methodologies these essays further expand the study of lynching by exploring such topics as same race lynchings black resistance to white violence and the political motivations for lynching In addressing both the history and the legacy of lynching the book raises important questions about Southern history race relations and the nature of American violence Though focused on events in the South these essays speak to patterns of violence injustice and racism that have plagued the entire nation The contributors are Bruce E Baker E M Beck W Fitzhugh Brundage Joan E Cashin Paula Clark Thomas G Dyer Terence Finnegan Larry J Griffin Nancy MacLean William S McFeely Joanne C Sandberg Patricia A Schechter Roberta Senechal de la Roche Stewart E Tolnay and George C Wright

Visitation Jennifer DeClue, 2022-10-24 In *Visitation* Jennifer DeClue shows how Black feminist avant garde filmmakers draw from historical archives in order to visualize and reckon with violence suffered by Black women in the United States DeClue argues that these filmmakers including Kara Walker Kara Lynch Tourmaline and Ja Tovia Gary create spaces of mourning and reckoning rather than voyeurism and pornotropy Through their use of editing performance and cinematic experimentation these filmmakers intervene in the production of Blackness and activate new ways of seeing Black women and telling their stories Theorizing these films as a form of conjure work DeClue shows how these filmmakers raise the specters of Black women from the past and invite them to reveal history from their point of view In so doing Black feminist avant garde filmmakers channel spirits that haunt archives and create cinematic arenas for witnessing Black women battling for survival during pivotal and exceedingly violent moments in US history Duke University Press Scholars of Color First Book Award recipient
