

The background of the entire cover is a vibrant photograph of a coastal scene in Albania. In the foreground, the water is a brilliant turquoise color, with some rocks visible beneath the surface. A small wooden pier extends into the water, and a red and white striped boat is moored nearby. In the background, a sandy beach is visible, followed by a line of green trees and some buildings. The sky is a clear, deep blue.

Guida Turistica Albania:

Journey to Albania Enrico Porfido, Giuseppe Resta, 2022-10-24 Over the last ten years Albania has undergone rapid development becoming a well recognised tourist destination within the Mediterranean region Tourism represents one of the most significant opportunities for the country and at the same time a challenge for a developing nation and emerging economy especially if we take into account an isolationist period of more than forty years during the social communist dictatorship This book aims to provide a base for discussion about the impact of tourism on the Albanian territory firstly from a historical point of view and secondly to observe a specific case study and analyse its impact This book is a journey to Albania looking at architecture explorations and landscapes from the traveller s perspective Inevitably this will include other academic fields such as geography history and spatial planning and will also recognise the contested Italian influence as an additional layer of complexity in Albania s 20th century **Albania- Guide Rosse** ,1997 **L'Albania** Antonio
