United Kingdom's Asylum System John R. Campbell,2016-12 The Home Office and the UK Border Agency The work of immigration officers Litigation as a window illuminating the work of case owners caseworkers Analysis Analysis of the work of HOPOs Conclusion Notes Chapter 4 Taking and making refugee claims the work of immigration caseworkers interpreters

and barristers Translating a story of flight into a claim of persecution The case of Eritrea DA Preparing for the appeal the work of caseworkers barristers clerks and barristers Conclusion Notes *EU Mediation Law Handbook* Nadja Alexander, Sabine Walsh, Martin Svatos, 2017-03-15 Mediation is rapidly becoming a norm in cross border dispute resolution among European Union EU Member States Accordingly an important question for legal advisers to ask themselves is Which jurisdiction offers the best legal framework to support a potential future mediation of my client s dispute This book responds to this question by examining the law on mediation in each Member State on a chapter by chapter basis Each country analysis applies the book s overarching principle of a specially designed Regulatory Robustness Rating System which is thoroughly explained in an introductory chapter This framework offers a highly effective way to analyse the quality and robustness of each of the EU s twenty nine national jurisdictions legal frameworks relevant to mediation including legislation case law practice directions codes of conduct standards and other regulatory instruments and factor such an analysis into choices about governing law in mediation clauses and other agreements Among the issues and topics covered are the following congruence of domestic and international legal frameworks transparency and clarity of content of mediation laws standards and qualifications for mediators rights and obligations of participants in mediation access to mediation services access to internationally recognised and skilled mediators enforceability of clauses and mediated settlement agreements confidentiality and flexibility admissibility of evidence from mediation in subsequent proceedings impact of commencement of mediation on litigation limitation periods relationship and attitude of courts to mediation and regulatory incentives for legal advisers to engage in mediation This detailed analysis clearly allows users and other regulatory stakeholders to look closely and critically at regulatory regimes for mediation in order to make informed choices and develop appropriate strategies in relation to the law that governs their mediation This is the first book to consider authoritatively what makes good mediation law and what makes a jurisdiction attractive for cross border mediation purposes in terms of its regulatory framework As a resource that identifies potential strengths and weaknesses of each EU Member State s regulatory regime it has no peers and will be welcomed and put to use by the alternative dispute resolution community in Europe and beyond

Parsons' Practice Manual of the State of New York ,1935 **Asset Recovery Handbook** Jean-Pierre Brun, Anastasia Sotiropoulou, Larissa Gray, Clive Scott, Kevin M. Stephenson, 2021-02-08 Developing countries lose billions each year through bribery misappropriation of funds and other corrupt practices Much of the proceeds of this corruption find safe haven in the world s financial centers These criminal flows are a drain on social services and economic development programs contributing to the impoverishment of the world s poorest countries Many developing countries have already sought to recover stolen assets A number of successful high profile cases with creative international cooperation has demonstrated that asset recovery is possible However it is highly complex involving coordination and collaboration with domestic agencies and ministries in multiple jurisdictions as well as the capacity to trace and secure assets and pursue various legal options

whether criminal confiscation non conviction based confiscation civil actions or other alternatives This process can be overwhelming for even the most experienced practitioners It is exceptionally difficult for those working in the context of failed states widespread corruption or limited resources With this in mind the Stolen Asset Recovery StAR Initiative has developed and updated this Asset Recovery Handbook A Guide for Practitioners to assist those grappling with the strategic organizational investigative and legal challenges of recovering stolen assets A practitioner led project the Handbook provides common approaches to recovering stolen assets located in foreign jurisdictions identifies the challenges that practitioners are likely to encounter and introduces good practices It includes examples of tools that can be used by practitioners such as sample intelligence reports applications for court orders and mutual legal assistance requests StAR the Stolen Asset Recovery Initiative is a partnership between the World Bank Group and the United Nations Office on Drugs and Crime that supports international efforts to end safe havens for corrupt funds StAR works with developing countries and financial centers to prevent the laundering of the proceeds of corruption and to facilitate more systematic and timely return of stolen assets

Regulating Cartels in India Sudhanshu Kumar, 2022-11-23 This book presents a comprehensive assessment of anti cartel enforcement and investigative procedures in India It makes a case for enhanced sanctions for cartel conduct in India Cartels are considered the most pernicious violation of competition law referred to as cancer to the free market economy While competition laws in most jurisdictions prescribe strict sanctions against cartels Indian Competition Law provides only civil penalties with an upper ceiling for proven cartel conduct This volume assesses the effectiveness of anti cartel enforcement of the Competition Commission of India CCI It explores investigative procedures of the CCI through multiple qualitative and quantitative indicators and the extent to which enforcement of anti cartel laws in India has led to cartel deterrence Further it also examines the priorities and processes of the CCI in terms of anti cartel enforcement their sanctioning mechanism and their dependency of computation of penalty on varied factors Featuring detailed case law studies and engaging data this book will be an essential read for students and researchers of law and legal studies competition law corporate law intellectual property law and business law

Procedural Requirements for Administrative Limits to Property Rights Martina Conticelli, Thomas Perroud, 2022-09-01 Through a comparative survey spanning twelve legal systems and a transnational regime the fourth volume in this series aims to shed light on the core of administrative activity that exemplifies the negative State Within the vast field of adjudication the book addresses one of the most traditional sets of procedures namely the exercise of public powers affecting property rights Following the method adopted in the CoCEAL project this volume takes the fundamentals of expropriation in a given legal order as its starting point and examines various cases The main requirements for property rights deprivations and restrictions are presented through national reports and discussed through hypotheticals while the comparative analysis focuses on procedural propriety and fairness This book is divided into three parts The first part introduces the project and the topic The second part covers the legal systems chosen for this study

The third goes on to present a synchronic comparison across systems highlighting the relationship between shared and distinctive traits with a view to the way supranational and international rules increasingly supplement municipal regimes The concluding chapter discusses the current regime on public regulation of property in contemporary administrative systems

Statelessness Determination Procedures and the Right to Nationality Solomon Oseghale Momoh, 2022-10-07 This book advances the study of the right to nationality the prevention of statelessness and the protection of stateless persons taking Nigeria as a case study Much recent literature on the subject of statelessness has been written from a US European perspective This work addresses this imbalance with an in depth study of statelessness and best practice in how to prevent it in an African country The book appraises international legal regimes on statelessness their efficacy or otherwise in practice what can be improved under international law and the relevance of these regimes in the Nigerian context The regional frameworks include those of the African Union the Council of Europe the EU the Organization of American States and the Arab League Comparisons are also drawn with specific countries that already have an enshrined Statelessness Determination Procedure including Ivory Coast the UK France Moldova and the Netherlands which does not have a formal procedure but has alternative means of identification The book assesses the successes and challenges faced in these countries and evaluates the chances for legal transplantation in Nigeria Presenting an in depth analysis of how statelessness is approached in the global south the work will be of interest to researchers academics and policymakers working in this field as well as those concerned with nationality from an international law perspective
