Lucena French Mois Benarroch:

Ways to Lucena Mois Benarroch, 2019-04-07 In one of his major works Lucena Benarroch goes from time travel to social comment which brings to mind the hilarious novels of Kurt Vonnegut Jr An old odd ancient man is reaching the age of 1 000 years and has to pass his legacy to his great great great grandson and prepares him for a journey that will last a thousand years His first days begin in the Jewish city of Lucena at the beginning of the second millennium and ends in Israel and in Spain He meets his descendant in a hotel in Malaga while the young adolescent is trying to find his place in life and family writing science fiction short stories and fighting with his parents This novel will take you back and forth from the future and back to the past into a world of Sephardi Jewry the inquisition Mexican Jews and back to our present day crazy modernity Lucena is an internal exploration of the why of exile And it is a modern road peppered with dialogues poems tales and various plots and story lines All this is set under the solemn shadow of a person called Lucena who is one thousand years old For the reader who wants to enjoy and at the same time learn something This is a rich literary cosmos of hedonism There in El Hoshana May God save us began the dominance of Judaism in Sefarad and ended that of Babylonia One hundred fifty years a Jewish city strong and prosperous The city of faith and true worship of God not like today The city of my ancestors and yours a forgotten city neither so important nor dramatic Not Toledo or Granada but then in the eleventh century it was a Jewish city And nobody thought it could ever be a city with no Jews **Memories of the Maghreb** Adolfo

Campoy-Cubillo, 2012-10-22 Using a cultural studies approach this book explores how the Spanish colonization of North Africa continues to haunt Spain's efforts to articulate a national identity that can accommodate both the country's diversity brought about by immigration from its old colonies and the postnational demands of its integration in the European Union

Andalusian in Jerusalem MOIS BENARROCH, 2018-01-15 Mois Benarroch is an intriguing and unique writer A writer must follow his books his readers his words Otherwise he's unforgivable That's why I wandered about the streets of Jerusalem as if my book were leading me somewhere as if I had no choice but to follow my words I followed my words and my words chased me The words I spoke in class when I was eight lacking much sense without clearly understanding why in the school in Lucena at the end of the world I'm a Jew just as I said it to my best friend in secret a secret which lasted half a morning before the whole class knew it and one day longer before it was on everybody's lips from students to headmaster My intimate friend I think his name was Raul said to me I knew it Which I couldn't understand how could he know it if I had invented it But everybody knew it the very same day that is everybody told me they knew I was an odd guy **Raquel Says**

(Something Entirely Unexpected) Mois Benarroch, 2019-04-07 There is someone behind us telling us that somewhere there exists another person in the world living a life parallel to ours someone who feels the same things and is perhaps doing the same thing at this very moment But what happens when two parallel lines intersect The impossible happens and what should not happen happens If soulmates do exist and if we have the desire to find them that doesn't mean that the meeting

will make our lives easier or give us solutions The narrator of this novel reveals to us his encounter with Raquel his soulmate With him we discover how two people are born in the same city almost on the same day marry similar people give their children the same names and write very similar books without ever having seen each other or met until they reach the age of forty An existential cataclysm this experience only serves to move these two characters further into exile Raquel Says Something Entirely Unexpected is a journey to the limits of logic Do you remember the poor man wearing a djellaba who would beg for money next to the school The one on the corner Two corners and the school in the middle the black metal door I remember that you would run to give him a coin before they closed the door always arriving to class last I wanted to sleep a little more you were always in my dreams He would dance Do you remember the rulers they used to hit our hands And they would say met la main put out your hand but then your hand would automatically move back when the ruler came close And once again met la main as if it were normal for a child to like being hit And we still have good memories from that school Who are we We are the people from the memory The past is that story that never stops changing **Lucena** Mosheh Ben Harosh,2015 Published in Hebrew Spanish English Italian and French Lucena is one of the most important works of Mois Benarroch and current Sephardic literature Lucena an elderly man who approaches the age of a thousand years and knows that he is going to die tries to transfer his legacy to his adolescent descendant Samuel born in Tetuan and exiled with his family in Malaga Samuel hears the mixture of Sephardic history that Lucena tells him and that confuses Muslims with Christians and wars with centuries He does not believe what the old man tells him and finds out the details with his parents who can not understand where such strange questions come from Lucena is a book full of surprises that describes a Sephardic Jewish community in a world that believes that this world is the work of museums
