Your Quick-Access Guide to Lucid Dreams Nico Klingler, 2015-09-17 Pre University Paper from the year 2011 in the subject Philosophy Miscellaneous language English abstract Let us make a thought experiment We assume that the average life span of a citizen is around eighty years A day lasts 24 hours We know the length of one's sleep per night and how many days there are in a year A fact that is anything but a mystery emerges we doze around somewhere between twenty and twenty five years of our life In a dream there are no laws of physics no rules There is nothing impossible in a dream The fascination induced by the idea of freedom that can be lived by one in a lucid dream led me to choosing this topic for my study After prolonged thought on an adequate question for my study I have decided in favor of the following question Can people learn lucid dreaming To answer this question I will proceed as follows The first part of the study provides the necessary theory This is systematically described under the topic Lucid dream In the theory part you will find the foundations on sleep phases dream activity various types of dreams and dream content Then the topic of lucid dreams is explained precisely based on the definition given by Paul Tholey the most

important concepts will be made available to you in the lucid dream vocabulary section The second and practical part of the study consists of a lucid dream workshop which should make practicing and mastering lucid dreams as accessible as possible You will be presented various techniques and exercises that are designed to help you induce a lucid dream For this study the lucid dream workshop has been carried on by a test subject and tested by the author himself in a self experiment in order to verify the accessible character of the workshop The full workshop is available to you in the Appendix **Lucid Dreaming for Beginners: Learn How to Unleash the Full Power of Your Dreams and Control Them Better** Lori J.

John,2013-10-17 Have you ever wondered what secrets your dreams hold Do you wake up with just the briefest memory of your dream and you want to learn how to remember better Do you want to know what your dreams mean If the answer to any of those questions is yes then this book is for you Man has always been fascinated by the world of dreams For thousands of years dreams have been important to many cultures They are how we can get in touch with ourselves to learn to grow and to overcome However how can we fully explore our dreams when they fade as we wake up The answer is lucid dreaming Lucid dreaming is when we know that we are in a dream state and therefore we can look at our dream elements and find the meaning behind them Everything that we see in our dreams is produced by our own minds lucid dreaming allows us to be aware of what we see in our dreams helping us to learn and to remember what we have seen **Lucid Dreaming** Celia

Green,Charles McCreery,2013-11-26 Lucid dreams are dreams in which a person becomes aware that they are dreaming They are different from ordinary dreams not just because of the dreamer s awareness that they are dreaming but because lucid dreams are often strikingly realistic and may be emotionally charged to the point of elation Celia Green and Charles McCreery have written a unique introduction to lucid dreams that will appeal to the specialist and general reader alike The authors explore the experience of lucid dreaming relate it to other experiences such as out of the body experiences to which they see it as closely related and apparitions and look at how lucid dreams can be induced and controlled They explore their use for therapeutic purposes such as counteracting nightmares Their study is illustrated throughout with many case histories

Lucid Dreaming William Richards,2021-01-25 THE MYSTERIES OF LUCID DREAMING c THE LUCID DREAMER IS SAFE RELIABLE AND EXHILARATING How common are lucid dreamers And who is likely to be one An analysis of results published by 34 different studies about lucid dreaming indicates that 55% of people had a lucid dream at least once in their lives and almost half of these lucid dreamers 23% of the total number of subjects claimed to have lucid dreams at least once a month Factors like age can influence your chances of having lucid dreams Adults are more likely to have lucid dreams but children and adolescents who do have them tend to have them more frequently CONTROL YOUR DREAMS Enter A World of Limitless Potential What if you could wake up in your dreams and live out your wildest fantasies every night What would you do While sleeping it is hard to realize whether you are dreaming or not But once you become aware you might gain full control And the possibilities are endless TECHNIQUES CONTROLLING THE STORYLINE OF YOUR DREAMS While lucid
