Statistics Dept.,2016-05-02 International Financial Statistics May 2016 *International Financial Statistics, June 2015* International Monetary Fund. Statistics Dept.,2015-06-01 This June 2015 issue of International Financial Statistics IFS is a standard source of statistics on all aspects of international and domestic finance IFS publish for most countries of the world current data on exchange rates international liquidity international banking money and banking interest rates prices production international transactions including balance of payments and international investment position government finance and national accounts Information is presented in tables for specific countries and in tables for area and world aggregates IFS is published monthly and annually In IFS exchange rates are expressed in time series of national currency units per SDR the unit of account for the IMF and national currency units per US dollar or vice versa

International Financial Statistics, June 2016 International Monetary Fund. Statistics Dept.,2016-05-31 The June 2016 issue of International Financial Statistics IFS is a standard source of statistics on all aspects of international and domestic finance IFS publishes for most countries of the world current data on exchange rates international liquidity international banking money and banking interest rates prices production international transactions including balance of payments and international investment position government finance and national accounts The country table notes in the monthly issues identify the exchange rates used Quotas are reviewed at intervals of not more than five years The reviews take account of changes in the relative economic positions of members and the growth of the world economy The IMF normally determines the currencies that are used in transactions and operations with members Each quarter the IMF prepares a financial transactions plan in which it indicates the amounts of currencies and SDRs to be used during the relevant period

International Financial Statistics, August 2015 International Monetary Fund. Statistics Dept.,2015-07-31 This August 2015 issue of International Financial Statistics IFS is a standard source of statistics on all aspects of international and domestic finance The report also presents country newly reporting monetary data for Israel using the standardized report forms IFS is a standard source of statistics on all aspects of international and domestic finance The IMF publishes calculated effective exchange rates data only for countries that have given their approval From July 1978 to December 1980 the composition of the basket was changed based on updated data for 1972 1976 The weights of some currencies were also changed The amount of each of the 16 currencies in the revised basket was such as to ensure that the value of the SDR in terms of any currency on June 30 1978 was the same in the revised valuation as in the previous valuation

World Economic Outlook, April 2015 International Monetary Fund. Research Dept.,2015-04-14 Global growth remains moderate and uneven and a number of complex forces are shaping the outlook These include medium and long term trends global shocks and many country or region specific factors The April 2015 WEO

examines the causes and implications of recent trends including lower oil prices which are providing a boost to growth globally and in many oil importing countries but are weighing on activity in oil exporting countries and substantial changes in exchange rates for major currencies reflecting variations in country growth rates and in exchange rate policies and the lower price of oil. Additionally analytical chapters explore the growth rate of potential output across advanced and emerging market economies assessing its recent track and likely future course and the performance of private fixed investment in advanced economies which has featured prominently in the public policy debate in recent years focusing on the role of overall economic weakness in accounting for this performance. International Financial Statistics, September 2015 International Monetary Fund. Statistics Dept., 2015-08-28

This September issue of International Financial Statistics IFS is a standard source of statistics on all aspects of international and domestic finance. Official BPM6 Basis Data Availability table is now included in the Balance of Payments and International Investment Position Statistics section of the Introduction.
