Great American Trials

Kathryn Cullen-DuPont

Great American Trials:

Great American Trials: from Salem Witchcraft to Rodney King, 1994 *Great American Trials: 1637-1949*, 2002 Great American Trials covers 378 historically and legally significant or notorious courtroom battles **Great American Trials**, 2002 Presents summaries of some of the most significant and celebrated trials in American history each with the names of key players the charges location a narrative of circumstances leading up to the trial the trial itself the verdict and sentence and a discussion of the impact of the trial Arranged chronologically from 1637 through 2001 Great American Trials Edward W. Knappman, 1994 Murder Mayhem And Milestones You've read about them heard about them and may even have watched some of them unfold in your own living room Now relive the most notorious legal cases in U S history Great American Trials captures the drama of 201 of the most famous and infamous courtroom battles including The Boston Massacre Trials 1770 The Lizzie Borden Trial 1893 The Scottsboro Trials 1931 Brown v Board of Education 1954 The Patty Hearst Trial 1976 The Mapplethorpe Obscenity Trial 1990 The William Kennedy Smith Trial 1991 The Rodney King Civil Rights Trial 1993 Nearly 150 photographs and illustrations provide the backdrop for these exciting and emotionally charged real life dramas *Great American Lawyers* John R. Vile, 2001-06-08 This two volume set offers unmatched insight into the lives and careers of 100 of America's most notable defense and prosecuting attorneys Trial lawyers noted one observer are the closest thing America has to the Knights of the Round Table In this new two volume encyclopedia which chronicles the lives and careers of America's 100 greatest trial lawyers readers can explore the historic legal careers of extraordinary barristers like Thomas Jefferson the young Virginia attorney who drafted the Declaration of Independence and Daniel Webster staunch defender of the union Readers will also meet contemporary litigators like Lawrence Tribe who led the fight against the tobacco industry Marian Wright Edelman a leading advocate for children's rights Alan Dershowitz renowned criminal appellate lawyer and public intellectual and Johnnie Cochran the defense attorney whose spectacular victory in the O J Simpson trial propelled him to superstardom In the stories of these preeminent litigators readers will discover not only what qualities make a great lawyer but also how much we owe to those who have served as our legal advocates Great American Trials Edward W. Knappman, 1994 Chronicles 201 of the most famous courtroom battles in American history providing names of major players name place and date of each trial crime charged or claim made and the verdict and sentence followed by a discussion of the impact of the trial *Great American Judges* John R. Vile, 2003-06-23 Inspiring and instructive biographies of the 100 most influential judges from state and federal courts in one easy to access volume Great American Judges profiles 100 outstanding judges and justices in a full sweep of U S history Chosen by lawyers historians and political scientists these men and women laid the foundation of U S law A complement to Great American Lawyers together these two volumes create a complete picture of our nation's top legal minds from colonial times to today Following an introduction on the role of judges in American history are A Z biographical entries portraying this diverse group from

extraordinarily different backgrounds Students and history enthusiasts will appreciate the accomplishments of these role models and the connections between their inspiring lives and their far reaching legal decisions William Rehnquist Oliver Wendell Holmes Jr and 12 other Supreme Court justices are found alongside federal judges like Skelly Wright who ordered school desegregation in 1960 Influential state judges such as Rose Elizabeth Bird California's first woman Supreme Court Chief Justice are also featured

Great American Trials, 1994 Trials from Salem Witchcraft to Rodney King [Trials of the Century](#) Scott P. Johnson, 2010-10-06 This comprehensive set of essays documents the most important criminal civil and political trials in the United States from colonial times to the present examining their impact on both legal history and popular culture Crime and punishment are of perennial interest across the human species Trials of the Century An Encyclopedia of Popular Culture and the Law examines some of the most important and infamous cases in American history placing them in both historical and legal context Among the landmark cases considered in these two volumes are the 1692 Salem Witch Trials the Scopes Monkey Trial and the O J Simpson murder trial A number of civil lawsuits and political trials are also included such as the impeachment trials of Presidents Andrew Johnson and William Jefferson Clinton Entries in the encyclopedia detail the events leading to each trial and introduce the key players with a focus on judges lawyers witnesses defendants victims media and the public In addition the aftermath of the trial and its impact are analyzed from a scholarly yet straightforward perspective emphasizing how the trial affected the law and society at large [The Greatest Criminal Cases](#) J. Michael Martinez, 2014-03-28 This fascinating book recounts the compelling stories behind 14 of the most important criminal procedure cases in American legal history Many constitutional protections that Americans take for granted today the right to exclude illegally obtained evidence the right to government financed counsel and the right to remain silent among others were not part of the original Bill of Rights but were the result of criminal trials and judicial interpretations The untold stories behind these cases reveal circumstances far more interesting than any legal dossier can evoke Author J Michael Martinez provides a brief introduction to the drama and intrigue behind 14 leading court cases in American law This engaging text presents a short summary of high profile legal proceedings from the late 19th century through recent times and includes key landmark cases in which the court established the parameters of probable cause for searches the features of due process and the legality of electronic surveillance The work offers concise explanations and analysis of the facts as well as the lasting significance of the cases to criminal procedure

Great American Trials, 1860 **The Death Penalty in American Cinema** Yvonne Kozlovsky-Golan, Yvonne Koslovsky-Golan, 2014-04-04 Killing as punishment in the USA whether ordained by lynch mob or by the courts reflects a paradox of the American nation liberal pluralistic yet prone to lethal violence This book examines the encounter between the legal history of the death penalty in America and its cinematic representations through a comprehensive narrative and historical view of films dealing with this genre from the silent era to the present It addresses central issues including racial prejudice and attitudes towards the execution of women and

discusses how cinema has chosen to deal with them It explores how such films as Michael Curtiz's *20 000 Years in Sing Sing* and Fritz Lang's *The Fury* Errol Morris's documentary *The Thin Blue Line* John Singleton's *Rosewood* and Frank Darabont's death row movie *The Green Mile* have helped to shape real historical developments and public perceptions by bringing into sharper relief the legal social and cultural tensions associated with capital punishment In the process Yvonne Kozlovksy Golan provides the reader with a superb understanding of the complexities of the death penalty through US history *The Great Dissenter* Peter S. Canellos, 2022-06-28 The story of an American hero who stood against all the forces of Gilded Age America to help enshrine our civil rights and economic freedoms Dissent No one wielded this power more aggressively than John Marshall Harlan a young union veteran from Kentucky who served on the US Supreme Court from the end of the Civil War through the Gilded Age In the long test of time this lone dissenter was proven right in case after case They say history is written by the victors but that is not Harlan's legacy his views not those of his fellow justices ultimately ended segregation and helped give us our civil rights and our economic freedoms Derided by many as a loner and loser he ended up being acclaimed as the nation's most courageous jurist a man who saw the truth and justice that eluded his contemporaries Our Constitution is color blind and neither knows nor tolerates classes among citizens he wrote in his famous dissent in *Plessy v Ferguson* one of many cases in which he lambasted his colleagues for denying the rights of African Americans When the court struck down antitrust laws Harlan called out the majority for favoring its own economic class He did the same when the justices robbed states of their power to regulate the hours of workers and shielded the rich from the income tax When other justices said the court was powerless to prevent racial violence he took matters into his own hands he made sure the Chattanooga officials who enabled a shocking lynching on a bridge over the Tennessee River were brought to justice In this monumental biography prize winning journalist and bestselling author Peter S Canellos chronicles the often tortuous and inspiring process through which Supreme Courts can make and remake the law across generations But he also shows how the courage and outlook of one man can make all the difference Why did Harlan see things differently Because his life was different He grew up alongside Robert Harlan whom many believed to be his half brother Born enslaved Robert Harlan bought his freedom and became a horseracing pioneer and a force in the Republican Party It was Robert who helped put John on the Supreme Court At a time when many justices journey from the classroom to the bench with few stops in real life the career of John Marshall Harlan is an illustration of the importance of personal experience in the law And Harlan's story is also a testament to the vital necessity of dissent and of how a flame lit in one era can light the world in another *The Trial in American Life* Robert A. Ferguson, 2008-08-05 In a bravura performance that ranges from Aaron Burr to O J Simpson Robert A Ferguson traces the legal meaning and cultural implications of prominent American trials across the history of the nation His interdisciplinary investigation carries him from courtroom transcripts to newspaper accounts and on to the work of such imaginative writers as Emerson Thoreau William Dean Howells and E L Doctorow Ferguson shows how courtrooms

are forced to cope with unresolved communal anxieties and how they sometimes make legal decisions that change the way Americans think about themselves Burning questions control the narrative How do such trials mushroom into major public dramas with fundamental ideas at stake Why did outcomes that we now see as unjust enjoy such strong communal support at the time At what point does overexposure undermine a trial's role as a legal proceeding Ultimately such questions lead Ferguson to the issue of modern press coverage of courtrooms While acknowledging that media accounts can skew perceptions Ferguson argues forcefully in favor of full television coverage of them and he takes the Supreme Court to task for its failure to grasp the importance of this issue Trials must be seen to be understood but Ferguson reminds us that we have a duty currently ignored to ensure that cameras serve the court rather than the media The Trial in American Life weaves Ferguson's deep knowledge of American history law and culture into a fascinating book of tremendous contemporary relevance A distinguished law professor accomplished historian and fine writer Robert Ferguson is uniquely qualified to narrate and analyze high profile trials in American history This is a superb book and a tremendous achievement The chapter on John Brown alone is worth the price of admission Judge Richard Posner A noted scholar of law and literature Ferguson offers a work that is broad in scope yet focuses our attention on certain themes notably the possibility of injustice as illustrated by the Haymarket and Rosenberg prosecutions the media's obsession with pandering to baser instincts and the future of televised trials One of the best books written on this subject in quite some time Library Journal starred review

Dark Side of Fortune Margaret Leslie Davis,2001-05-22 Doheny built was one of the early oil barons in Mexico and the United States before becoming embroiled in the Teapot Dome scandal **Kill Now, Talk Forever** Richard Newby,2006 Principally an abridgement of the transcript of the trial as published in The Sacco Vanzetti case 2nd ed Mamaroneck N Y P P Appel 1969 followed by a collection of remarks over the past 80 years about the trial and its significance **Encyclopedia of Women's History in America** Kathryn Cullen-DuPont,2014-05-14 A collection of biographical information about outstanding women in American history **TV Or Not TV** Ronald L. Goldfarb,2000 In the last quarter century televised court proceedings have gone from an outlandish idea to a seemingly inevitable reality Yet debate continues to rage over the dangers and benefits to the justice system of cameras in the courtroom Critics contend television transforms the temple of justice into crass theatre Supporters maintain that silent cameras portray the real thing that without them judicial reality is inevitably filtered through the mind and pens of a finite pool of reporters Television in a courtroom is clearly a two edged sword both invasive and informative Bringing a trial to the widest possible audience creates pressures and temptations for all participants While it reduces speculations and fears about what transpired television sometimes forces the general public which possesses information the jury may not have into a conflicting assessment of specific cases and the justice system in general TV or Not TV argues convincingly that society gains much more than it loses when trials are open to public scrutiny and discussion US History in 15 Foods Anna Zeide,2023-01-12 From whiskey in the American Revolution to Spam in

WWII food reveals a great deal about the society in which it exists Selecting 15 foods that represent key moments in the history of the United States this book takes readers from before European colonization to the present narrating major turning points along the way with food as a guide US History in 15 Foods takes everyday items like wheat bread peanuts and chicken nuggets and shows the part they played in the making of America What did the British colonists think about the corn they observed Indigenous people growing How are oranges connected to Roosevelt s New Deal And what can green bean casserole tell us about gender roles in the mid 20th century Weaving food into colonialism globalization racism economic depression environmental change and more Anna Zeide shows how America has evolved through the food it eats *Social Policy for Effective Practice* Rosemary Kennedy Chapin, 2017-02-24 For use as a text in foundations generalist social policy courses either at the baccalaureate or master s level this book examines the process of defining need analyzing social policy and developing new policy A clear philosophical base and a common theoretical framework underlie the discussion of each component of the policy process Each chapter builds on the knowledge foundation provided in previous chapters to equip students with skills necessary for effective policy practice Four themes are interwoven throughout the book the importance of thinking critically about social policy the benefits of using the strengths perspective in policy analysis and development the critical role social policy plays in all areas of practice and the absolute responsibility of every social worker to engage in policy practice Routledgesw com now contains 6 cases the Sanchez Case has been revised to include much more policy content Instructor materials include extra readings PowerPoints test questions annotated links syllabi and EPAS guidelines As with the third edition instructors can choose chapters relevant to their course and custom publish them at www.routledgecustomgateway.com
