**Do What You Said You Would Do** Jim Jordan, 2021-11-23 Get an inside look at the detailed investigations of the United States Congress the groundwork for Donald Trump's win in 2016 and the events that occurred during his successful four years as president When I woke up on October 2, 2020 I figured it would be like most Fridays in DC Congress would finish up the week with a few votes on the House Floor and then members would rush to Reagan National Airport to catch a flight home Polly and I had a mid-afternoon flight however we weren't headed home We were going to Wisconsin to help a colleague raise funds and to attend the President's rally in Green Bay As I started to put on my workout gear before heading to the House gym I took a look at my phone I noticed I had several text messages and missed phone calls from Russell Dye the top media staffer for our personal office and for Republicans on the House Judiciary Committee Some of the calls and messages were from after midnight I called him right away What's going on I asked He responded Sir the president has the virus I turned on the TV It was the only story I had traveled to Cleveland with the president three days earlier I knew I'd have to quarantine until I got tested I'd been tested before the flight to Cleveland but that wouldn't matter now I'd have to get a new test No workout this morning no flight to Wisconsin this afternoon First things first I was scheduled for a Fox and Friends interview that morning in the eight o'clock hour I grabbed a quick shower and then headed to the office to prep for the interview We were supposed to discuss the election and how the president was doing in Ohio But we knew the only topic would be the president contracting the virus An hour later I got tested in the House physician's office On that drive home Polly and I talked about all that had transpired that morning We talked about the president and first lady and like millions of other Americans we prayed for their health and for our country Over the weekend I thought about that day that one day Friday October 2, 2020 it was really a picture of the entire year 2020 was about the virus and the presidential election 2020 was all about politics
